EDUCATION

Fellowship	2009	Georgetown, University, School of Nursing. Summer Genetics Institute, NINR/NIH. Bethesda MD. 12 Doctoral Credits Genetics.
Post-doctoral Fellowship	2000-2002	University of Pennsylvania, School of Nursing NINR/NIH T32. Psychosocial Oncology and HIV/AIDS
Post-Master Certification	1997-1998	University of Pennsylvania, School of Nursing. Adult Oncology Advanced Practice
EdD	1983-1989	Graduate School of Education Rutgers University, New Brunswick, NJ Social and Philosophical Foundations

Doctoral Dissertation

Rutgers University Graduate School of Education, Department of Social and Philosophical Foundations of Education. J.J. Chambliss, PhD, Dissertation Chair. *Historical Study of Nursing Ethics Education in the United States, 1873-1933*. 1989. UMI, Dissertation Information Services, Ann Arbor, MI, # 9008807.

MA	1979-1981	New York University School of Education, Health, Nursing and Arts Professions, New York, NY Nursing Education
BSN	1975-1977	State University of New York at Stony Brook School of Nursing, Stony Brook, NY Nursing
BS	1973-1975	State University of New York at Stony Brook Stony Brook, NY Biology
AAS	1971-1973	Nassau Community College Garden City, NY Liberal Arts and Sciences

LICENSURE, CERTIFICATION AND SPECIALIZED TRAINING

Autism Diagnostic Observation Schedule (ADOS)	February 28-29, 2010	University of Florida Center for Autism and Related Disorders
Clinician Reviewer	2009-Present	Autism Spectrum Disorders. Centers for Disease Control and Prevention
Certified Registered Nurse Practitioner	1998-Present	State of Pennsylvania
Registered Nurse	1997-Present	State of Pennsylvania
Registered Nurse	1981-Present	State of NJ
Registered Nurse	2014 to Present	State of Tennessee
Certified Registered Nurse Practitioner	1998 to Present	State of Pennsylvania
CITI Collaborative Institutional Training	7/2013 to Present	University of Pennsylvania, Drexel University

EMPLOYMENT

CURRENT POSITION

Director of Strategic Initiatives	2019	Graduate College, Drexel University, Philadelphia, PA
Associate Professor, Tenured	2011-Present	Drexel University, College of Nursing and Health Professions Doctoral Nursing Program, Philadelphia, PA
Nursing Research Coordinator	2012-7/2017	Hahnemann University Hospital (Joint Appointment) Philadelphia, PA.
Director	2013- Present	Certificate Program in Nursing of Autism Spectrum Disorders, CNHP, Drexel University

FORMER PROFESSIONAL POSITIONS

Case Consultant	1/2014 to 7/2014	AJ Drexel Autism Institute. ASERT Program. Drexel University, Philadelphia, PA
Adjunct Associate Professor	2011-2014	University of Pennsylvania, School of Nursing
	2013-2015	Duquesne University, Pittsburgh, PA

Adjunct Associate
Professor

Research Associate Professor	2006-2011	University of Pennsylvania, School of Nursing, Biobehavioral Research Center School of Nursing, Philadelphia, PA
Director	2006-2011	Pennsylvania Autism and Developmental Disabilities Surveillance Program, University of Pennsylvania School of Nursing, Philadelphia, PA.
Research Assistant Professor	2003-2006	Center for Autism and Developmental Disabilities, University of Pennsylvania, School of Nursing Philadelphia, PA
Research Projects Manager	2001-2006	Center for Autism and Developmental Disabilities Research and Epidemiology, University of Pennsylvania, School of Nursing, Philadelphia, PA
Adjunct Assistant Professor and Research Projects Manager	2001-2003	Center for Autism Disabilities Research and Epidemiology, University of Pennsylvania, School of Nursing.
Instructor/ Course Coordinator	2001, 2005-2006	Graduate Clinical Decision Making, University of Pennsylvania, School of Nursing, Philadelphia, PA

Professional Employment Prior to 2001

Course Coordinator NUR 657 Clinical Decision Making in Nursing Practice Summer Session	2000	University of Pennsylvania, Graduate School of Nursing, Philadelphia, PA
Research Associate/ Project Co- Director. ACS # TPRB9811801PBP (Ruth McCorkle, PI)	1998-2000	Center for Advancing Care University of Pennsylvania, School of Nursing, Philadelphia, PA
Course Coordinator NUR 657 Clinical Decision Making in Nursing Practice Summer Session	1999	University of Pennsylvania, Graduate School of Nursing, Philadelphia, PA
Primary Nurse	1997	Clinical Research Center, Hospital of UPENN, UPHS Pennsylvania, Philadelphia, PA
Clinical Faculty. Acute Care/Adult Health & Illness	1996	College of New Jersey, School of Nursing, Ewing, NJ
Graduate Faculty Research Methods Lecturer	1996	Widener University, Graduate School of Nursing, Chester, PA
Graduate Faculty Lecturer	1994-1995	Seton Hall University, School of Education /UMDNJ, Stratford, NJ

Graduate Faculty Lecturer	1994-1995	Rutgers University, Graduate School of Education, New Brunswick, NJ
Graduate Faculty Lecturer Research Methods	1992-1993	Rutgers University, College of Nursing, Newark, NJ
Undergraduate Faculty Lecturer	1991-1992	Rutgers University, Department of Nursing, Camden, NJ
Undergraduate Faculty Assistant Professor	1983-1986	Rutgers University-CCAS, Department of Nursing, Camden, NJ
Undergraduate Faculty Instructor Adult Health and Illness	1981-1983	Rutgers University-CCAS, Department of Nursing, Camden, NJ
Staff Nurse Cardiac Surgical Intensive Care Unit	1979-1981	The Mount Sinai Hospital, New York, NY
Staff Nurse Surgical Intensive Care Unit	1977-1979	Francis Hospital, Roslyn, NY

Courses taught in graduate programs of nursing and education: Foundations of Inquiry, Clinical and Applied Ethics in Nursing Practice, Qualitative Methods for Clinical Nursing Inquiry, Research Methods, Clinical Decision Making in Nursing Advanced Practice, Nursing Research Methods; Educational Research Methods; Gender, Schooling and Society; Educational Psychology; Philosophical Perspective in Education; Contemporary Issues in Education; Professional Ethics.

Courses taught in undergraduate nursing programs: Genetics in Nursing and Health, Nursing Research, Adult Health and Illness; Fundamentals of Nursing, Genetics in Popular Culture
Guest lecturer: Epidemiological Principles of Advanced Nursing Practice, Autism, Nursing History, Ethical Issues in Research, Data management and Data presentation.

HONORS, AWARDS AND MEMBERSHIPS

Honors

Celebration of Drexel Authors. Office of the Provost. Drexel University. February 2018

Distinguished Alumni Award. School of Nursing, State University of New York at Stony Brook, Stony Brook, NY. May 2014

Sigma Theta Tau International (STTI) Upsilon Nu Chapter Membership. Universidad Nacionional de Colombia, Bogata. November 2013

Celebration of Drexel Authors of 2012. Office of the Provost. Drexel University. February 28, 2013

President Emeritus. International Society of Nurses in Genetics. 2012-present

Quality of Life Award, Oncology Nursing Society, for publication “Bringing Threat to The Fore: Participation in Life-long Surveillance for Genetic risk of Cancer, Oncology Nursing Forum. Dec/Jan 2003. 2004

Award for Excellence in Dissertation. Student Scholarship Award Alumni Association, Graduate School of Education, Rutgers, New Brunswick, NJ. May 1990

Sigma Theta Tau International (STTI), Xi Chapter, University of Pennsylvania, School of Nursing. 2002-Present

Phi Delta Kappa. Honor Fraternity in Education. New York University. NY.1981

Nominated. Outstanding STAR Mentor. Drexel University Pennoni STAR Scholars Program. August 2016

Nominated. Outstanding STAR Mentor. Drexel University Pennoni STAR Scholars Program. August 2015

Nominated. Outstanding STAR Mentor. Drexel University Pennoni STAR Scholars Program. August 2014

Nominated. Outstanding STAR Mentor. Drexel University Pennoni STAR Scholars Program. August 2013

Nominated. Outstanding STAR Mentor. Drexel University Pennoni STAR Scholars Program. August 2012

Fellowship

Fellow. *NINR/NIH Summer Genetics Institute*. 2009

Fellow. *Leadership Development Institute (LDI)*, Oncology Nursing Society, Atlanta, GA October 2-5, 1999

Appointments/Elections-National

Liaison. National Advisory Council of the National Human Genome Research Institute of the NIH. For the International Society of Nurses in Genetics. Bethesda, MD. 2012-Present.

President of the *International Society of Nurses in Genetics*. 2012-2013

President-Elect of the International Society of Nurses in Genetics. 2011-2012

RESEARCH AND SCHOLARSHIP

Research Submitted-Pending

Drexel University Internal Competition for Submission to van Ameringen Foundation

Title: *Meeting the health needs of older adults with behavioral challenges and autism spectrum disorder: Caregiver Training*

February 2019- January 2021

Direct: 100,000

Funded Research

Research Submitted (Jan 2019)

WITH Foundation. By Invitation

Role: PI

July 1, 2019-July 15, 2020

Direct: \$40,000

Title: *Developing Algorithms of Nursing Care for Hospitalized Adults with Autism Spectrum Disorder*

PA-13-017 AHRQ. R13.

Dates of Project: 3/1/2014-2/28/2015

Role: PI

Direct costs: \$35,000

Title: *Creating Integrated Approaches to Medical Care for People with ASD.*

Conference grant.

PI-Drexel: Giarelli, (Subcontract)

Subcontract: \$28,000

Dates of Project: 3/1/2012-12/31/2014

PI –University of Pennsylvania: Reiff, Marian

Direct costs: \$250,000

Sponsor: NIH/NHGRI-ELSI.

Title:

A mixed methods study of parents' experience with chromosomal microarray testing for autism spectrum disorders.

Philadelphia Health Care Trust. Partnership for Integrated Care of Autism Spectrum Disorder. *Transitioning to community by adolescents/young adults with Asperger syndrome.* January 1, 2010 to December 31, 2011. The impact of uncertainty in genome-wide testing for autism spectrum disorder \$10,000

Philadelphia Health Care Trust. *Partnership for Integrated Care of Autism Spectrum Disorder.* Philadelphia, PA

Role: PI

January 1, 2010-December 31, 2011

Direct: \$398,751

Philadelphia Health Care Trust. Planning project between the Center for Autism and the School of Nursing Initiative Grant. Philadelphia, PA

Role: PI

January 3, 2009

Funded: \$35,804

UPENN University Foundation Grant

March 2008

Role: PI

Direct: \$17,000

Developmental Disabilities and Behavioral Problems among School Children in Rural South Africa.

P30 Center of Excellence for Ethical Research (CEER). NIH-NHGRI

July 1, 2009-June 30, 2011

PI: Pyeritz, R. UPHS-UPENN School of Medicine, Medical Genetics.

Direct: \$5,000,000

Role: Consultant

UPENN Abramson Cancer Center, Strategic Planning Pilot Project.

July 1, 2008-June 30, 2010

HPV Demonstration Project: Research recruitment, HPV, and cervical cancer prevention in Asian American women

Co-PIs: Giang Nygen, Deborah Watkins Bruner

Role: Co-I

Effort: 5% Contributed

FG. DHHS- Centers for Disease Control and Prevention.

June 1, 2006-May 31, 2010

1-UR3-DD-000085-01

CDC-RFA-DD06-601

\$1,400,000

Role: PI (40%)

Enhancing Current Capacity for Surveillance of Autism Spectrum Disorder and Other Developmental Disabilities from a Public Health Perspective

FG.DHHS- Centers for Disease Control and Prevention.

Sept 06, 2006-Sept, 2011

National CADDRE Study: Child Development and Autism

Role: Co-Investigator (20%)

NIH/NINR R21 NR009661-01.

September 2005 –July 2007

Role: PI. (40%) Drexel subcontract

\$431,802

Transition to Self–Management of a Chronic Genetic Disorder in Adolescents.

An exploratory study of how parents transfer and children take on the responsibilities for managing a chronic genetic disorder (Marfan syndrome).

FG .Centers for Disease Control. University of Pennsylvania School of Nursing Center for Autism and Developmental Disabilities Research and Epidemiology. CDC #U10/CCU3220394-01 University of Pennsylvania, School of Nursing.

Role: Research Projects Director (100%)
(60%)

March 2002- September 2006

December 2005- July 2007

Role: Co-Investigator

Project 1. Screening for Autism Spectrum Disorder in Pediatric Primary Care Practices. 9/02 -9/06.

Project 2. National CADDRE Study: Child Development and Autism. 5/06-5/10.

Project 3. PA Autism and Developmental Disabilities Surveillance Program. 9/02-9/06.

Project 4. Perinatal Factors of Autism Spectrum Disorder. 5/05-9/06.

Oncology Nursing Society/Oncology Nursing Foundation/Ortho Biotech Symptom Management Grant.

Participation in Life-long Surveillance: Families with FAP.

Role: PI

April 2003-March 2005 \$10,000

Center for Nursing Outcomes Research. P30 -535300 .University of Pennsylvania, School of Nursing.

Nursing Intervention to optimize use of services, resource management and quality of life for parents of a child with autism.

Role: Co-PI (5%)

May 2002-April 2003 \$8000

Sigma Theta Tau. Xi Chapter Research Award.

Nursing Intervention to optimize use of services, resource management and quality of life for parents of a child with autism

Role: PI

May 2002- April 2003 \$3000

National Institutes of Nursing Research, NIH (T32-NR-07036), at the University of Pennsylvania
Post-doctoral Nursing Research Fellowship Psychosocial Oncology and HIV/AIDS

March 2000-Feb 2002

Study, Participation in Life-long Surveillance for Genetic Predisposition to Cancer.

Role: PI

Sigma Theta Tau, Xi Chapter, University of Pennsylvania, School of Nursing.

June 2001-May 2002 \$1000

Oncology Nursing Society Foundation/Aventis Nursing Research Grant

Aug 2001-Sept2002 \$5865

International Society of Nurses in Genetics Research Award

Aug 2001-Sept 2001 \$1000

Non-Sponsored Research -Completed.

Giarelli (PI). Evidence-based clinical project Title: *Patterns in suicide risk assessment and triage in an Emergency Department (ED) of an urban medical center- Retrospective chart review*. Hahnemann University Hospital/Drexel University Collaborative Projects. 2014 to present

Giarelli (PI). Evidence-based clinical project. Title: *Patterns of impulsive aggression/violence among adult patients admitted for short-term, acute-care mental health treatments*. Hahnemann University Hospital/Drexel University Collaborative Projects. 2014 to present.

Giarelli (Consultant). Evidence-based clinical project Title: *Nurse's Perceptions and Experience Using an Electronic Health Record System*. Hahnemann University Hospital/Drexel University Collaborative Projects. 2015 to present

Giarelli (PI). STAR Scholar Project Title: *Genetic literacy among undergraduate students in nursing and non-nursing majors: Pilot study*. Drexel University, Pennoni Honors College. June 1 to Sept 1, 2017. Mentee: Young Eun Park, Nursing Undergraduate

Giarelli (PI). STAR Scholar Project Title: *Biological and Environmental Modifiers and Their Effect on Violence on a Psychiatric Inpatient Unit*. Drexel University, Pennoni Honors College. June 1 to Sept 1, 2016. Mentee: Julie Knerr

Giarelli (PI) Title: *Factors associated with oncology nurses' perceived quality of work-life and risk for compassion fatigue*. Hahnemann University Hospital/Drexel University Collaborative Projects. 2014 to 2016.

Giarelli (PI). STAR Scholar Project Title: *Characteristics of two young adult patient populations admitted to the emergency department of an urban medical center in 2013*. Drexel University, Pennoni Honors College. June 1 to Sept 1, 2015. Mentee: Tanvi Patel

Giarelli (PI) STAR Scholar Project, Title: *Factors influencing recruitment of subjects for clinical research*. Pennoni Scholars Program. June 1 to Sept 1, 2013. Mentee: Pelagia Papathomas.

Giarelli (PI). STAR Scholar Project. Title: *Sensory stimuli in the emergency department: Implication for people with ASD*. Pennoni Honors College, June 1-Sept 1, 2012. Mentee: Rachel Pagano.

TEACHING

Program Development at CNHP

Post-Baccalaureate Certificate in Integrated Care of Autism Spectrum Disorder. Submitted to Senate in November 2018. This is a 4-course sequential program

PhD Nursing Program. Collaborated in creation of the PhD program. Designed syllabus and developed content for NUR 800 Foundations of Inquiry I , NUR 801 Foundations of Inquiry II, and NUR

Post-Baccalaureate Certificate in Nursing Care of Autism Spectrum Disorder. Approved by Senate in April 2013. This is a 4-course sequential program.

Supervisory

Program Director, Post-Baccalaureate in the Integrated Care of Autism Spectrum Disorder. 9/2019 to present

Program Director, Post-Baccalaureate Certificate in Nursing Care of Autism Spectrum Disorder. 11/2013 to present

Course Chair, NURS 836, 1/2014 to 11/2017
 Course Chair, NURS 800, NURS 801, 9/15 to present
 Course Co-Chair, NHP 762 9/17- present

Courses Taught At Drexel

NHP 818 Scholarship and Question Development
 NHP 822 Teaching Practicum
 NHP 832 Leadership Practicum
 NHP 762: Teaching/Education for Health Professionals, Spring 2018
 NUR 801: Foundations II: Winter 2018
 NUR 800 Foundations of Inquiry I, Fall 2015, Fall 2016, Fall 2017
 NUR 819 Qualitative Research, Summer 2014, Spring 2015, Spring 2016, Spring 2017
 NUR 836 Ethical Issues in Doctoral Nursing Practice, Spring 2014, W 2015, W 2016, W 2017, W 2018
 NUR 841. DNP Project Advisement, All quarters 2013-Present
 NUR 900. Dissertation Seminar. Summer 2013
 NUR 540 Introduction to the Nursing Care of Autism Spectrum Disorder, W2014, W 2015, F 2015, F2016
 NUR 543 Capstone Project in Nursing Care of ASD, Fall 2014, F 2016, F 2017
 HNR 201. Honors Colloquium: Genetics/Genomics in Popular Culture, Spring 2013, Spring 2014
 NUR 523. Research Methodology. Summer 2012
 NUR 337-900: Genetics in Nursing & Healthcare. Spring 2012
 NUR 337-156: Genetics in Nursing & Healthcare. Spring 2012
 NUR 337-150: Genetics in Nursing & Healthcare

Reviewer	Pennoni STAR Scholars Application, March 2019
Member	Institutional Review Board # 3, 2018-2021
Member	President's Academic Resource Planning Committee, 2018-2019
Member	Provost's Planning Committee for Online Quality and Compliance, 2018-2020
Chair	Subcommittee on MSCHE, Provost's Planning Committee for Online Quality and Compliance, 2018-2019
Member	Search Committee: Associate Provost for Undergraduate Studies 2017
Chair	Senate Committee for Academic Affairs (SCAA), 2017-2018
Senator	Faculty Senate, 2017-2018
Member (ex officio)	Enrollment Management and Student Success, 2017-2018
Member	Senate Steering Committee, 2017-2018
Chair	Graduate Subcommittee, SCAA, 2015-2016, 2016-2017
Member	Graduate Subcommittee, SCAA, 2013 to present
Alternate	Faculty Senate, CNHP, 2013-2015, 2016-17
Member	Senate Committee on Academic Affairs, (SCAA), 2013 to Present
Member	Graduate Curriculum Subcommittee on Academic Affairs, 2013-2015
Mentor	Drexel University Faculty Mentoring Program. Office of Faculty Development, 2011-2012

Drexel University- College of Nursing and Health Professions

Faculty Affairs Committee 2018-2020

Nursing Student Affairs Committee. 2018-2020

Faculty & Staff Outreach Project, Volunteer, Undergraduate Admissions, April 2016

Nursing, Committee on Student Affairs, 2015—2016

Awards and Celebrations Committee, 2014

Nursing Committee Faculty Affairs Committee, 2013-2015

Nursing Faculty Search Committee, 2012-present

Nursing Faculty Resources Committee, 2011-2012

Nursing Bylaws Committee, 2011-2012

Drexel University- College of Nursing and Health Professions- Doctoral Nursing Program

Chair, Tenure Track Nursing Faculty Search Committee, 2014-2015

Facilitator, CCNE Reviewers tour of Hahnemann University Hospital, DNP clinical site, 2014

Member, Committee on Student Affairs

Member, Doctoral Nursing Faculty Committee, 2011-Present

PHD-Nursing Program Design Committee, 2013-2015

CNHP- Proctoring-Volunteer

Summer 2013 to Present

University of Pennsylvania

Elected Posts

Research Faculty Representative to the Faculty Senate-University Council. University of Pennsylvania. Elected post. Term of office Sept 2008 to May 2010.

Research Faculty Representative to the Faculty Senate-University Council. University of Pennsylvania. Member, Elected post. Term of office Sept 2006 to May 2008.

UPENN School of Nursing Service

Mock NIH Grant Review Team. Reviewer. Office of Nursing Research. August 2010 to present.

Personnel Committee (PC) Task Force to review the appointment, reappointment, and promotion guidelines for the Practice and Research Tracks in the Associated Faculty. September 2009.

Task Force on Civility and Professionalism in the Workplace, Co-Chair, 2005-Present

Oncology Program Curriculum Committee, Internal Reviewer, December 2008

Graduate Group. Member, July 2006 to present

Faculty Research Committee. Member, October 2007 to present

Biobehavioral Research Center, Member

Community/Public Service

Member	Health Outcomes Taskforce. Pennsylvania Department of Health, Harrisburg, PA. 2008.
Advisor	Autism Advisory Executive Committee, Philadelphia Public Schools District, Philadelphia County, 2005-2006
Board of Education	Lawrence Township, NJ. Elected Post. Lawrenceville, NJ. 1997-2000 Chair, Public Relations Committee Chair, Curriculum and Programming Committee

President	Parent Teacher Organization, Lawrenceville Elementary School, 1995-1997.
Vice-President	Parents for Giftedness Education (PGE), Lawrence Township, 1997-Present
Volunteer	Education Team, Lung Cancer Awareness Week, Oncology Nursing Society, 2000

PROFESSIONAL ORGANIZATIONS

2006-2008	Adult Congenital Heart Association
2006-2008	American Psycho-Social Oncology Society
2009-Present	American Public Health Association
2011-Present	Genomics Forum Work Group-Workforce Development Group
2009-Present	Autism Society of America
2011-Present	Council of Undergraduate Research
2008-2014	Eastern Nursing Research Society
2008-2011	Research Theory SIG, ENRS
2009-2013	Genetic Alliance
2005-2013	International Society for Autism Research (ISAR)
2010-2011	International Society of Community Genetics and Genomics
1999-Present	International Society of Nurses in Genetics (ISONG), Member
2013-Present	Chair, Policy Development Taskforce
2012-2013	Bylaws Committee, Chair
2012-2013	Awards Committee, Chair
2011-2012	President
2010-2011	President-Elect
2012-2013	PastPresident
2000-Present	Member, Ethics and Public Policy Committee
2004-Present	Member, Communications Committee
2002-2004	Co-Chair, Ethic and Public Policy Committee
2012-Present	Archivist
2013-2015	Education Committee, Chair
1997-2012	Oncology Nursing Society (ONS), Member
1999-2012	ONS Special Interest Group: Cancer Genetics
1999-2002	Editor, Newsletter
2000-2012	ONS Special Interest Group: Prevention and Early Detection, Member
2002-2004	Coordinator, May 2001
2006-2007	Coordinator, May 2006
2002-2012	ONS Special Interest Group: Psychosocial Oncology, Member
2004-2012	ONS Focus Group Leader, Academic Oncology Nursing Focus Group
2012-Present	National Advisory Council of the NHGRI, Liaison from ISONG
2009-2013	National Coalition for Health Professional Education in Genetics (dissolved)
2005-2011	National Marfan Foundation
2001-Present	Sigma Theta Tau, xi Chapter, University of Pennsylvania, Member
2001-2009	Newsletter Editor
2001-2009	Archives/Heritage Committee Chair

OTHER INFORMATION

Continuing Professional Education

What's in a name: Identifying genetic etiologies of intellectual disability and autism spectrum disorder. American Academy of Developmental Medicine and Dentistry (AADMD). March 5, 2019. Webinar.

Building Bridges Autism Conference: Best Practices in Autism across the Lifespan. Philadelphia College of Osteopathic Medicine-School of Professional and Applied Psychology. Philadelphia, PA. March 1, 2019.

Leadership and Management, 3rd Edition, CE-Express, 30 contact hours. January 2019

The endocrine system: Disease, disorders and clinical updates. 10 contact hours. Elite Learning Nursing Continuing Education, February 2019

Suicide assessment and prevention for health professionals. 4 contact hours. Elite Learning Nursing Continuing Education, February 2019

Older adults: Important concepts for care. 2 Contact hours. Elite Learning Nursing Continuing Education, February 2019

IPE Competencies: Values and Ethics Interprofessional Education Models.
Drexel University, CNHP. Continuing Nursing Education. November 2018

Philadelphia Symposium on Research Credibility & Excellence
October 15, 2018. The Union League of Philadelphia at 140 S Broad Street, Philadelphia, PA 19102.

Symposium on the Future of Public Education. Northern Illinois University, DeKalb, IL. October 10-13, 2018

Simulation Essentials 4. Drexel University, CNHP. Continuing Nursing Education. August 22, 2018.

Raising the bar series: Increasing engagement in the online classroom using groups. Drexel University, CNHP. Continuing Nursing Education. April 10, 2018.

AADMD Virtual Grand Rounds: Caring for emerging adults with autism: A primary care and medical transition perspective. Center for Autism Services and Transition, New York Medical College. April 3, 2018.

Death, dying and bereavement: The nurse's role. Western School. January 2018

Pennsylvania child abuse recognition and reporting. Western School. January 2018

IGNITE (Implementing Genomics in Practice) Network Meeting. "Unifying the evaluation and implementation of genomic medicine. Bethesda, MD. August 18, 2016

DBT: Dialectical Behavioral Therapy. Using Mindfulness Practices, Behaviorism, and Creative Arts in Therapies to Foster Growth. All day workshop. Department of Creative Arts Therapy. Drexel University. July 28, 2016.

Raising the bar workshop: Screen captures tools: Common and uncommon uses. Drexel University CNHP. April 12, 2016.

The ABCs of QM. Getting ready for a course design review. DU. March 28, 2016

Pharmacology. Elite Continuing Education. 12 contact hours. 2016

Information Security, Drexel University, 2015

Understanding Title IX. Drexel University, 2015

Protecting of minors and reporting child abuse. Drexel University, 2015

Organ tissue donation and recover. 1 contact hour. NetCE. New Jersey. 2015

Medical marijuana and other cannabinoids. 1 contact hour. NetCE NJ. 2015

Chronic pain syndromes. 15 contact hours. NetCE. 2015.

Leadership and management for every nurse. 30 contact hours. Western Schools, 201.

Ischemic Stroke.1 contact hour. Net CE. 1 contact hour. 2015.

Recognizing and reporting child abuse. 3 contact hour. University of Pittsburgh, PA 2015

Basic trauma nursing. Western Schools. 28 contact hours. 2015

PA Child abuse recognition and reporting. Western Schools. 2 contact hours. 2015

Integrating Genetics in Your Practice: Co-Management and Transitions for Patients with Genetic Conditions. Genetics in Primary Care Institute. Webinar. February 13, 2014.

Functional Behavioral Assessment & Positive Behavioral Interventions: It's Not What You Think. Webinar. Relias Learning. February 27, 2014.

The role of the Federal Government in Health Care. The Bernard Wolfman Civil Discourse Project. March 28, 2013.

2013 Philadelphia Area Magnet Consortium Magnet Champions Conference. June 19, 2013.

Caring for the poisoned patient. CME Resource. Sacramento California. February 2013

Sleep disorders. CME Resource. Sacramento California. February 2013

Prediabetes: An opportunity to prevent diabetes. CME Resource. Sacramento California. February 2013

What about Privacy and Progress in whole genome sequencing. Genetic Alliance Online Workshop. February 12, 2013.

Time Out for Genetics: Epigenetics-What your patients are asking, what you need to know. [Webinar] December 20, 2012. American Academy of Pediatrics.

Time Out for Genetics: Genetics across the lifespan-Putting it all together. [Webinar] November 29, 2012. American Academy of Pediatrics.

Charting a Course for Genetic/Genomic Nursing: Practice, Education, and Research. Annual Conference of the International Society of Nurses in Genetics. October 25-27, 2012. Philadelphia, PA.

Time Out for Genetics: Genetics and coding: What the primary care provider needs to know. [Webinar]. September 27, 2012. American Academy of Pediatrics.

Time Out for Genetics: Myths of primary care providers and patients/families regarding genetics-Setting the record straight. [Webinar]. July 26, 2012. American Academy of Pediatrics.

Incorporating genetic/genomic content into MSN curriculum: Master's Essential II: Organizational and Systems Leadership. [Webinar]. International Society of Nurses in Genetics. June 5, 2012.

Time Out for Genetics: Genetics evaluation, referrals, and more-What to do next. [Webinar]. June 28, 2012. American Academy of Pediatrics.

Time Out for Genetics: Ordering the right tests-Genetics in Primary Care. [Webinar]. May 31, 2012. American Academy of Pediatrics.

Time Out for Genetics: Building and accurate family history, constructing a pedigree- An overview for primary care. [Webinar]. April 26, 2012. American Academy of Pediatrics.

Incorporating genetic/genomic content into MSN curriculum: Master's Essential I: Background for Practice from Science & Humanities. [Webinar] International Society of Nurses in Genetics. March 22, 2012.

Improving health outcomes, disease management, and accountable care delivery. Genetic Alliance/Biotechnology Industry Organization. March 12, 2012. Washington, DC.

From Cell to Society. Annual Conference. Eastern Nursing Research Society. March 27-40, 2012. Hartford, CT.

Developing and Sustaining the Professional Nursing Organization Through New Graduate RN Transition-to-Practice Wednesday, Robert Woods Johnson Foundation, Webinar. February 29, 2012

Diseases and disorders of the gastrointestinal tract (10 contact hrs). Elite Continuing Education. January 6, 2012.

Familiar chronic cases: Cardiovascular diseases and stroke. (10 contact hrs). Elite Continuing Education. January 7, 2012.

Geriatric assessment. (10 contact hrs). Elite Continuing Education. January 9, 2012.

A common strategy for health care transition improvement in practice settings: The six core elements of health care transition. Webinar November 16, 2011.

IBM SPSS Predictive Analytics. Improve the Analysis of Survey and Open-Ended Responses. . Webinar. November 17, 2011. 12-1:30PM

Oncology Nursing Society. Leadership Development Institute. Influencing with or without authority. Webinar. November 17, 2011. 3-5 PM.

Revisions to division of nursing grant programs, Webinar. American Association of Colleges of Nursing. October 18, 2011 10AM-1PM.

Application of genetics and genomics into nursing curriculum. Preconference of the International Society of Nurses in Genetics, October 8, 2011. Montreal, Canada. 5.5 contact hours.

Embracing translational research: From resource to bench to clinical care for improved outcomes. Preconference of International Society of Nurses in Genetics, October 8, 2011. Montreal, Canada. 5.5 contact hours

Genomic health worldwide: Nurses leading the way. 24th Annual Conference of the International Society of Nurses in Genetics, October 9-11, 2011. Montreal, Canada. 31Contact hours

Bioethics: History informing the future. Susan M. Reverby, PhD, April 27, 2011. University of Pennsylvania, PA

23RD Annual Scientific Conference. Eastern Nursing Research Society. March 23-25, 2011; Philadelphia, PA.

The UPstart Program at UPENN: Facilitating Company Formation for University Faculty. February 17, 2011.

Informed Consent and counseling for whole-genome sequencing. Illumina Webinar. December 2, 2010.

Strategic Business Planning. Wharton Small Business Development Center. University of Pennsylvania. August 25-September 21, 2010.

Exploring Genetic Diversity: Mapping the Genetic Landscape through Next Generation Sequencing. *Science/AAAS* Webinar August 31, 2010.

How to serve more students on the autism spectrum with shrinking budgets. August 11, 2010. E School News.

Clinical Management of Autism Spectrum Disorder. UPENN/The Center for Autism. June 17-18, 2010.

Adaptation to a genetic condition: Recent findings in living with XXY, PDD, and neurofibromatosis. Genetic Alliance. June 9, 2010.

Starting a Small Business. Wharton Small Business Development Center. University of Pennsylvania. May 12, 26, 2010.

International Meeting for Autism Research (IMFAR). Philadelphia, PA. May 20-22, 2010.

Promoting health & successful lives for individuals with ASD. PENN Autism Network's 5th Annual Conference. April 23, 2010. Horsham, PA.

Are preconception carrier screening programs empowering or devaluing? Genetic Alliance. Webinar. April 14, 2010.

PENN AUTISM NETWORK's 5th ANNUAL CONFERENCE "Promoting Healthy & Successful Lives for Individuals with ASD" April 23, 2010, 8:15 a.m. – 4:00 p.m. Williamson Restaurant, 500 Blair Mill Road, Horsham, PA

Community-Based Participatory Research: a Partnership Approach for Public Health. Michigan School of Public Health. April 2010, 7 hours Online

137th Annual Meeting of the American Public Health Association. November 7-11, 2009. Philadelphia, PA.

Facilities and Administration (indirect) costs on Research Projects. University of Pennsylvania School of Nursing Research Colloquium. November 11, 2009

8th Annual Conference Nurse-managed Health Centers: Disruptive Innovations for Comprehensive Care. November 5-7, 2009. Philadelphia, PA.

Special Topics Conference: Technology, Genetics, and Beyond: Research Methodologies of the Future. The Council for the Advancement of Nursing Science. October 14, 2009, Washington, DC.

Is Personalized Medicine in your Future? Center for the Integration of Genetic Healthcare Technologies (CIGHT), 2nd Annual Symposium. October 9, 2009, University of Pennsylvania, Philadelphia, PA.

Genetics education for health professions: What are the key messages? How do we deliver them? National coalition for Health Professional Education in Genetics. September 23-24, 2009, Bethesda, MD.

Pancreatic cancer: Diagnosis to death. Oncology Nursing Society Congress 2009. May 1, 2009

Non-Hodgkins's lymphomas: Expert discussion of oncology nursing practice patterns. Oncology Nursing Society Congress 2009. May 1, 2009

Ovarian Cancer, 2009. Therapeutic options and nursing management strategies. Oncology Nursing Society Congress 2009. April 29, 2009

Approaching Disease Genomics in the 21st Century. University of Pennsylvania, Center for Genetics and Complex Trait. April 3, 2009

Oncology Nursing Society, Genetics Online Education Series. Six courses. 7.8 CEUs. February 2009.

Penn Genome Frontiers Institute (PGFI) Workshop on Basic Wet Laboratory Techniques for Genomic Research. University of Pennsylvania, Lynch Laboratories; February 16 - 20, 2009,

Clinical applications of genetics/genomics. 21st Annual Conference of the International Society of Nurses in Genetics. November 9, 2008.

Genetics in Practice: International Perspective. 21st Annual Conference of the International Society of Nurses in Genetics. November 9, 2008.

Public Health Genomics. 21st Annual Conference of the International Society of Nurses in Genetics. November 10, 2008.

Integrating genomics in research. 21st Annual Conference of the International Society of Nurses in Genetics. November 10, 2008.

Direct to consumer marketing of genetic tests. 21st Annual Conference of the International Society of Nurses in Genetics. November 11, 2008.

Genetics, genomics and beyond-Francis Collins. 21st Annual Conference of the International Society of Nurses in Genetics. November 11, 2008.

NVIVO 8 Training Workshop. QRS International. October 30, 2008. Wayne, PA.

How genetic knowledge and technology are co-produced by the laboratory and society. Dr. Giuseppe Testa. Provost's Distinguished International Scholar. University of Pennsylvania. October 29, 2008.

The formation of scholars: Rethinking doctoral education for the 21st century. George E. Walkers. University of Pennsylvania, School of Nursing. October 29, 2008.

Ethical, Legal and Social Implications of Genomics; thoughts about the future.

Dr. Allen Guttmacher, NHGRI. First Annual Symposium: PENN Center for the Integration of Genetic healthcare Technologies. October 24, 2008, University of Pennsylvania.

Behavioral impact of genetic testing for BRCA1/2. First Annual Symposium: PENN Center for the Integration of Genetic healthcare Technologies. October 24, 2008, University of Pennsylvania

Genetic risk assessment with APOE disclosure for Alzheimer's disease. First Annual Symposium: PENN Center for the Integration of Genetic healthcare Technologies. October 24, 2008, University of Pennsylvania

Direct-to-consumer Alzheimer's testing. First Annual Symposium: PENN Center for the Integration of Genetic healthcare Technologies. October 24, 2008, University of Pennsylvania

Cancer Therapeutic Applications in Non-traditional Settings. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Overcoming Health Disparities through Patient Education. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Transcultural Nursing Issues. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Issues Related to the Collection, Storage and use of Biospecimens. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Cancer Vaccines: Ethical, Legal and Social issues on Vaccine Development and Use. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Psychosocial Symptom Management. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Depression Assessment and Psychosocial Intervention for Cancer survivors and Partners. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Identifying the Family at Risk. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Clinical Trials in Crisis-Thinking Outside the Box. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Mentoring, Coaching, and Precepting: The Future of Oncology Nursing. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Informatics: The Stethoscope for the 21st Century. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Adherence to Medical Recommendations in Cancer Care. Oncology Nursing Society, 33rd Annual Congress, May 15-18, 2008. Philadelphia, PA.

Northeast Epidemiology Conference. October 17-19, 2007. Harrisburg, PA

Connecting the dots: Diversity and outreach across campus. University of Pennsylvania, School of Medicine. October 8, 2007.

Scientific integrity: Conflicts in research and education. University of Pennsylvania. School of Nursing. October 5, 2007.

Understanding the nature of autism: Behavior and brain science. Brooks Publishing Co. April 18, 2007.

Bone health in cancer care. National Comprehensive Cancer Network. CE Program. April 2007.

Oncology Nursing Society. 9th National Conference on Cancer Nursing Research. Hollywood, CA, February 8-10, 2007.

HPV Vaccine. Clinician Review Continuing Education Program. January 2007

Fall Genomics Workshop. University of Pennsylvania School of Medicine. October 26, 2006.

American Sign Language I. University of Pennsylvania School of Arts and Sciences. Sept 2006-Dec 2006.

Biobehavioral Research Center Retreat. University of Pennsylvania, School of Nursing. July 24-25, 2006.

Multidisciplinary treatment of head and neck cancers, Update from the American Society of Clinical Oncology. Cancer Care Education Teleconference. www.cancercare.org. July 19, 2006.

Caring for bones when one has cancer. Cancer Care Education Teleconference. www.cancercare.org, July 14, 2006

Angiogenesis. Horizons in Cancer Therapeutics: From Bench to Bedside, 5 (2). Miniscus Educational Institute. February 2005.

Refining treatment strategies: Overactive bladder. Albert Einstein College of Medicine. CEU 1.0. January 2005.

Horizons in Cancer Therapeutics: From Bench to Bedside. Meniscus Educational Institute. CEU 2.1. December 2004.

Prevention, Detection, and treatment of Chemotherapy-induced Nausea and Vomiting: Apply Current Concepts. Boston College School of Nursing. CEU 1.2 hrs. November 2004.

Colorectal Cancer Screening and Prevention. Pennsylvania Medical Society/The Center for Professional Drug Education. CEU 1.0 hrs. November 2004.

Six Weeks to Genomic Awareness: Online/Webcast Continuing Education. 12 Hour-long Modules. USDHHS/ University of Michigan Center for Genomics and Public Health. November 2004. <http://www.genomicawareness.org>.

Incorporating Graphics into Grant Applications. University of Pennsylvania, School of Medicine Continuing Education Program. November 2004.

Prevention, detection, and treatment of chemotherapy induced nausea and vomiting: Applying current concepts. Academy for Healthcare Education./Glaxo Smith Kline. October 2004. CEU 1.2.

Genetics Workshop. University of Pennsylvania, School of Nursing. July 12-15, 2004.

Cancer control and population sciences retreat. University of Pennsylvania, Cancer Center. Philadelphia, PA. October 17, 2003.

Statistical considerations in a clinical research protocol. Part II. University of Pennsylvania, Cancer Center. Philadelphia, PA October 7, 2003

Statistical considerations in a clinical research protocol. Part I. University of Pennsylvania. Cancer Center. September 22, 2003

Text Analysis Workshop: NVivo Software Prof. Lyn Richards. Annenberg School of Communication. February 15, 2001.

Blackboard Collaborate-Info Session. December 3, 2012. CNHP E-Learning Resources.

Continuing Education/Professional Development Drexel University

DCEA Faculty Workshop. What are you trying to say? Strategies for commenting on and reading student writing. March 4, 2013.

DCEA Faculty Workshop. New Academic Initiatives: Research and Teaching Potentialities. Drexel University. January 13, 2012

DCEA Faculty Workshop: Effective teaching of students with behavioral issues. **Drexel University**. November 4, 2011. 12-2:30 PM. MacAlister Hall.

Preventing workplace harassment. Drexel University, Division of Student Life and Administrative Services. October 2011.

UPENN School of Nursing Programs-CED

Facilities and Administration (Indirect) Cost on Research Projects. November 11, 2009. Office of Nursing Research
