Intent to Submit Grant Proposal Form

Completing the Intent to Submit Form is a requirement for all sponsored projects submissions and allows for the initiation of workflow for the submission. Please complete this form *at least two months prior* to the sponsor deadline to allow sufficient time for review of the application requirements, scientific internal review, and submission of the proposal.

Please submit the completed form to: onhpr@drexel.edu.

Principal Investigator:

Sponsor (If NIH, please list the specific Institute/Center):

Include the Mechanism or RFA Number (i.e. R01, F31, contract, small grant, scholarships, etc.):

Anticipated Award Type* (select only one):

*If this is a fellowship/dissertation grant, please provide name of student:

Please provide a link to the funding opportunity or website that you are responding to:

Sponsor Due Date:*

*Please note, if this is a submission to the National Institutes of Health (NIH), please double check the standard due dates as well as earliest project start date. If Drexel is the sub-site, this is the date the submitting institution needs our documents.

If submitting a Letter of Intent* prior to the proposal, enter due date, if applicable:

*With regard to a Letter of Intent, does the sponsor require a detailed budget and/or an authorized signing official?

Project information (please complete the following):

Project Title:

Project Start Date:

Project End Date:

Will there be any subawards/subcontracts for this project?

If yes, provide contact information for the PI and Business Administrator for each site:

Will this proposal involve international collaborators?

Please list the names, titles, and emails of individuals you believe will be collaborating with you on the grant (including Co-PIs, Co-Is, Key Personnel, and consultants):
