**Please keep in mind:**

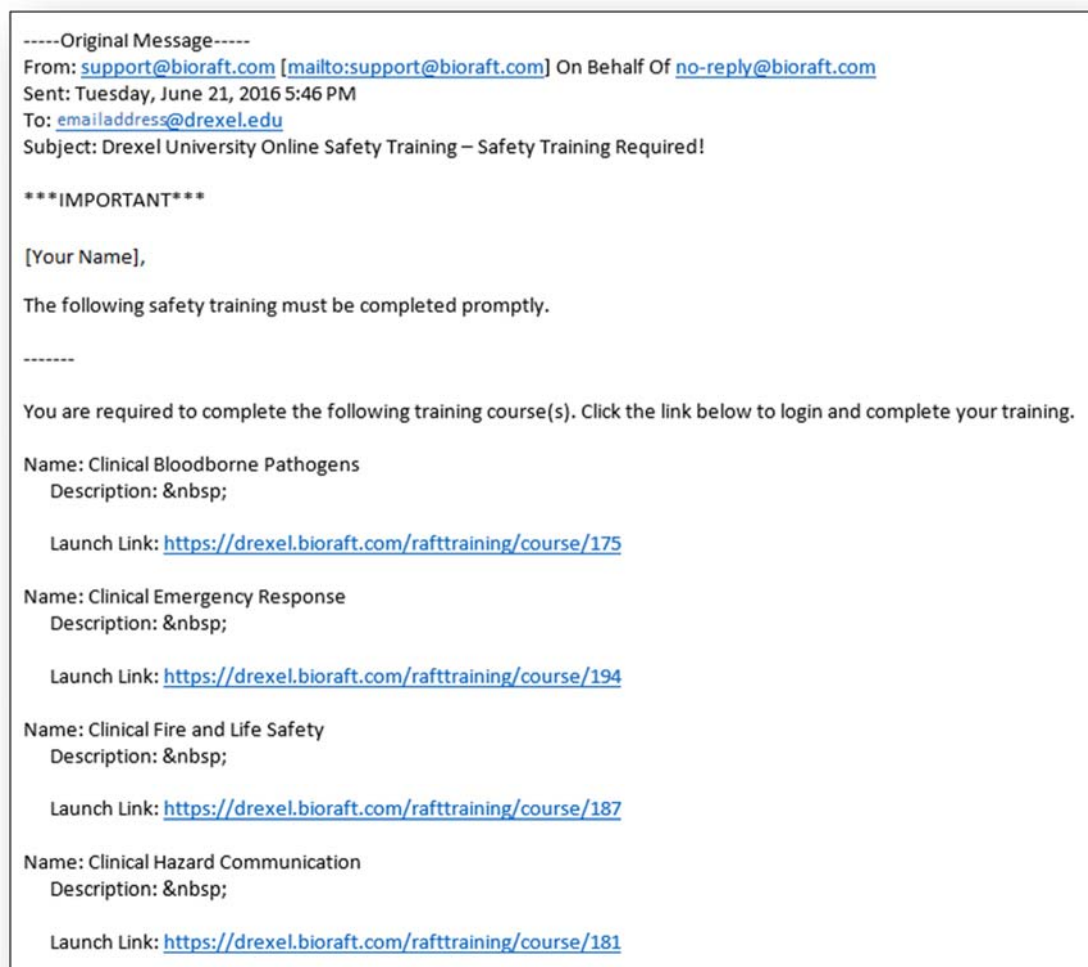

- Each of the required training modules must be completed **yearly**.
- Please allow for approximately 1.5 hours to complete all of the required modules.
- Each module has 10+ slides, as well as a quiz on the material covered within the slides. The quiz must be completed in order to receive your completion certificate.
- Your completion document(s) must be uploaded to your CastleBranch profile. Instructions are provided below.

**BioRAFT Online Training  
(formerly known as Safety and Health Online Training)**

**Training Completion Process**

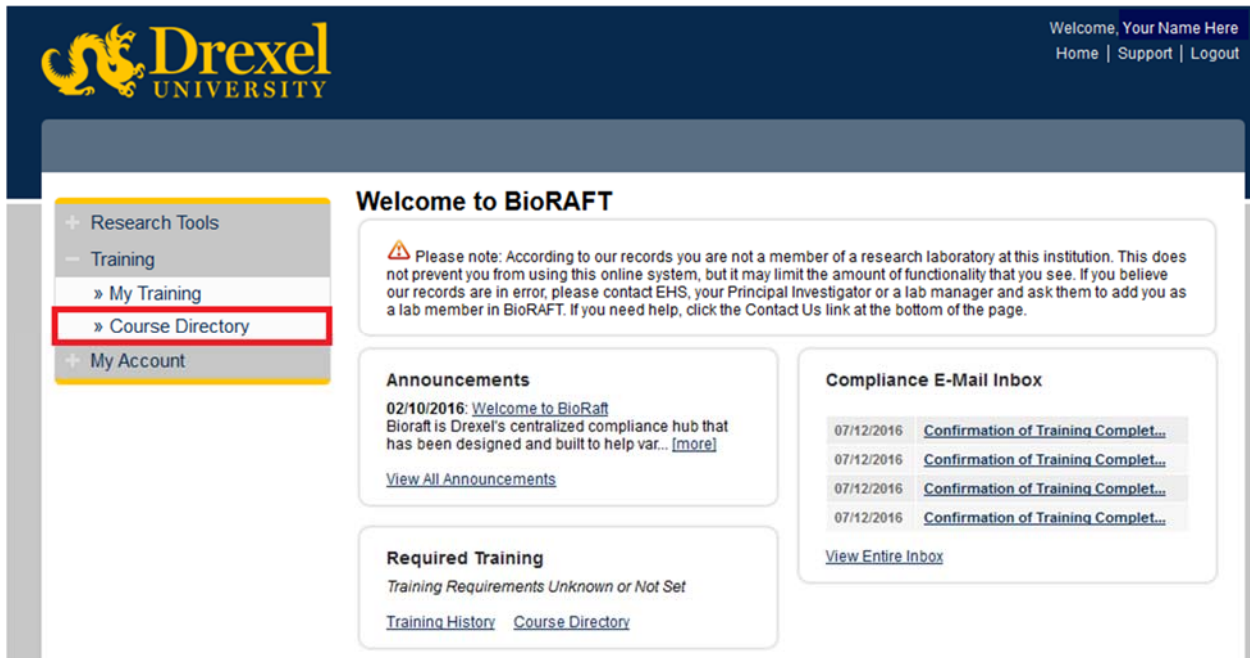

You may receive an email titled “Drexel University Online Safety Training – Safety Training Required!” from [support@bioraft.com](mailto:support@bioraft.com) that provides direct links the training modules that you need to complete. An example email is pictured below:

If you do not receive an email, you are still able to log in to the site (<http://www.drexel.bioraft.com/>) to complete trainings or check prior training expiration dates.

    - vii. Respiratory Protection
    - viii. Clinical Infection Prevention and Control
    - ix. Compressed Gas Safety
    - x. Clinical Mercury Safety

## BioRAFT Online Training (formerly known as Safety and Health Online Training)

- 3) After you have completed all of the modules, you will need to upload proof of your training completion to your CastleBranch profile. There are two ways to do so successfully:

**Option 1:** Click on » **My Training** on the left-hand navigation menu. Make sure to set “Filter Records By: <All>” and click **Submit**. This will show proof of all of your completed trainings. Please print this page to PDF and upload it to your CastleBranch Profile.
