EDUCATION

- 1981 MB BCh / MD — Physician, Facultad de Medicina, Universidad Complutense, Madrid, Spain.
1992 MPH — Master of Public Health, Johns Hopkins University, Baltimore, Maryland.
2002 PhD, Economics. New School for Social Research, New York.

RESEARCH INTERESTS & AREAS OF SPECIALIZATION

- Population & macroeconomic change
- Business cycles and economic crises
- History of economic thought and heterodox economic theories
- Climate change and the world economy
- Social development and health indicators
- Statistical, epidemiological, and medical terminology

LANGUAGE SKILLS

Bilingual English/Spanish. Ability to understand and read Portuguese, Italian, Catalan, and some French.

AWARDS AND HONORS

- 2000 Dissertation Scholarship, New School for Social Research, New York.

2003 Frieda Wunderlich Memorial Award for an Outstanding Dissertation by an International Student to the Dissertation: "Mortality and economic fluctuations—Theories and empirical evidence from Spain and Sweden." New School for Social Research, New York.

PROFESSIONAL ACTIVITIES

- | | |
|-------------------|--|
| 5/2016 to present | Associate Professor with tenure, Department of Politics, Drexel University, Philadelphia, Pennsylvania. |
| 2/2014 - 4/2016 | Associate Professor, Department of Politics, Drexel University, Philadelphia, Pennsylvania. |
| 9/2012 - 1/2014 | Associate Research Scientist, Institute for Social Research, and Adjunct Lecturer in Economics, College of Literature, Science, and the Arts, University of Michigan, Ann Arbor. |
| 1/2009 - 8/2012 | Assistant Research Scientist, Institute for Social Research, University of Michigan. |
| 7/2008 - 12/2008 | External Consultant for the World Health Organization, as Editor-in-Chief, <i>Pan American Journal of Public Health/Revista Panamericana de Salud Pública</i> |

José A. TAPIA GRANADOS

2003 - 2008	Assistant Research Scientist, The University of Michigan Institute of Labor and Industrial Relations. Adjunct Assistant Professor, The University of Michigan School of Social Work, Ann Arbor, Michigan.
1997 - 2002	Full-time student, teaching and research assistant, and instructor for undergraduate courses at the New School for Social Research, New York. Freelance scientific editor and translator for World Health Organization headquarters in Geneva and Washington, DC, and the Inter-American Development Bank.

- 2010 Health progress, economic growth & business cycles in Sweden, 1800-2000. School of Business and Economics, Sam Houston State University, Huntsville, Texas, December 3.

José A. TAPIA GRANADOS

TEACHING

- International Political Economy. College of Arts and Sciences, Drexel University, Fall 2018, Fall 2017, Winter 2017, Spring 2016, Winter 2015, Summer 2015.
- Political Economy of Climate Change. Master Program of Environmental Policy, College of Arts and Sciences, Drexel University. Winter 2019, Winter 2018, Fall 2016.
- Social Development: A Global Approach. College of Arts and Sciences, Drexel University, Fall 2018, Spring 2017, Fall 2015.
- International Perspectives on Population and Social Development. College of Arts and Sciences, Drexel University, Summer 2014, Fall 2014.
- Causalidad y fenómeno de confusión en epidemiología. Efectos macroeconómicos sobre la salud. Mortalidad y crisis económica en Europe [Causality and confounding in epidemiology. Macroeconomic effects on health. Mortality and the economic crisis in Europe]. Universidad de Lanús y Universidad Nacional del Sur, Master Program in Epidemiology and Health Policy, Bahía Blanca, Argentina, December 2013.
- Health Economics & the Economy of Health. Department of Economics, College of Literature, Sciences & the Arts, University of Michigan, January-May 2013.
- Economía, política, bienestar y mortalidad [Economics, politics, welfare & mortality]; Estudios ecológicos, falacia ecológica, series temporales [Ecological studies, ecological fallacy, time series]. Master Program in Epidemiology and Health Policy, University of Lanús, Buenos Aires, May 2009.
- Health and Development—An International Perspective on Social Progress. University of Michigan School of Social Work, Winter 2003, 2006, 2007, and 2008.
- Economía y salud [Health and the economy]. Universidad de Lanús, Master Program In Epidemiology and Health Policy, Neuquén, Argentina, August 2006.
- Cross-National Comparative Analysis of Social Service Systems. University of Michigan School of Social Work. Winter 2005.
- Organizational, Community & Societal Structures and Processes. University of Michigan School of Social Work, Fall 2005, 2006, and 2007.
- Statistics in Policy Analysis and Evaluation. University of Michigan School of Social Work, Fall 2003 and 2004.
- Essentials of International Health & Social Development. University of Michigan Interdisciplinary Certificate in International Health & Social Development, Fall 2003 (co-taught with V. Barkauskas).
- Disasters and Debt: Issues in Economic Development. New School University, Spring 2002.
- Teaching assistantships in Microeconomics and Political Economy. Department of Economics, New School University, 1997- 2001.
- Lectures on "Epidemiology and Scientific Communication" and "Publication Bias" at the Meeting of Biomedical Journal Editors of the Andean Region, PAHO/WHO, Caracas, November 1994.
- Seminars on Methodology, Writing and Publication of Scientific Papers, Hospital Rodríguez Grullón, Santiago, and Santo Domingo School of Medicine, Dominican Republic, July 1994.
- Writing and Publication of Scientific Papers. Centro Universitario de Salud Pública, Madrid, October 1993.

MENTORING

Wang Qing, Visiting Professor at Drexel University, September 2017-September 2019. Dr. Wang was Associate Professor at the School of Business, Dalian University of Technology; she is now at the School of Public Health, Shandong University, Jinan, Shandong, China.

José A. TAPIA GRANADOS

EXTERNAL REVIEWER

A. For Scientific Journals (partial listing)

Proceedings of the National Academy of Sciences of the U.S.A, Nature Communications, PLOS One, Journal of Health Economics, Demography, American Journal of Epidemiology, Industrial Relations, Health Economics, International Journal of Epidemiology, International Journal of Public Health, Health Policy & Planning, Lancet, Berkeley Journal of Macroeconomics, BMJ, Preventive Medicine, Empirical Economics, Journal of Epidemiology & Community Health, Social Science & Medicine, Economics & Human Biology, Energies, Organization & Environment, European Journal of Political Economy, Population Research & Policy Review, Review of Economics & Statistics.

B. For Research Projects

- Pharmaceutical policy making in good times and bad – Can we learn valuable lessons from the financial crisis? Icelandic Centre for Research (Rannís), October 2010.
- Health Consequences of the Icelandic Economic Collapse. Icelandic Centre for Research (RANNIS), September 2011.
- Wellcome Trust Investigator Awards, April 2013.
- Flanders Research Foundation (Fonds Wetenschappelijk Onderzoek - Vlaanderen, FWO), June 2013.
- European Science Foundation, AXA Research Fund Junior Research (Post-Doctoral) Fellowship, March 2015.
- National Science Foundation, External Reviewer, October 2015, October 2016.
- A short-term increase in labor supply and mortality due to heart attacks. Icelandic Centre for Research (RANNIS), November 2016.
- Social Sciences and Humanities Research Council of Canada, External Reviewer, February 2020.

C. For Scientific Congresses

- Reviewer of abstracts submitted to the 2017 World Congress of the International Health Economics Association (iHEA), Boston, MA, July 8-11.
- Reviewer of abstracts submitted to the 2019 iHEA World Congress, July 13-17, Basel, Switzerland.

CONTINUING EDUCATION

- Analytical Methods in Epidemiology, School of Hygiene & Public Health, Johns Hopkins University, Baltimore, MD, Summer 1994.
- Risk Analysis in Public Health, Johns Hopkins University, Baltimore, MD, Summer 1995.
- Longitudinal Analysis of Historical Demographic Data, Inter-University Consortium for Political and Social Research, University of Michigan, Ann Arbor, MI, July-August 2007.
- Longitudinal Data Analysis Using SAS, Statistical Horizons/Paul Allison, The Conference Center, Chicago, April 2014.
- Causal Inference with Directed Graphs, Felix Elwert/Statistical Horizons, May 2015, Temple University, Philadelphia, PA.

GRANTS

Completed Research Support

R21HD057411 (Tapia Granados, Principal Investigator). Mortality and Macroeconomic Conditions: Differential Vulnerability and Mediating Mechanisms. Total cost: US\$ 424,875. Funded by the National Institute of Child Health and Human Development, 2009-2012.

José A. TAPIA GRANADOS

Current Research Support

What makes cities healthy, equitable and environmentally sustainable? Lessons from Latin America. Wellcome Trust. Tapia Granados, coinvestigator, Diez Roux, PI. Total costs US\$11.9 million, 5-year project, 2017-2021. Info in wellcome.ac.uk/what-we-do/directories/our-planet-our-health-projects-funded.
