Experience

Office of Federal Contract Compliance Programs **Philadelphia, PA**
Compliance Officer Intern, Employer: Edward Rogers Sept 2022-Mar 2023

- Oversaw the completion of archiving closed cases within the Philadelphia office.
- Assisted compliance officers by providing necessary documentation and materials for current/active cases.
- Aided in interviews with contractor employees by generating interview questions and providing notes from interviews.

King School **Stamford, CT**
Independent Study in Psychology, Advisor: Laura Bowe Sept 2020- Dec 2020

- Conducted research of white-collar criminals to determine if offenders portrayed psychopathic tendencies.
- Utilized online databases and documentaries for research sources.
- Analyzed findings in a thirty-eight-page paper as a narrative literature review.

Drexel University / DeMatteo Lab **Philadelphia, PA**
Research Assistant, Advisor: David DeMatteo 2022-Present

- Led a systematic literature review looking into psychopathy's effect on business, healthcare, and political settings.
- Conducted an undergraduate thesis on the personality and behavior of white-collar and street crime offenders based on the existing literature
- Collaborated on a commentary article on evaluating the effects and implementation of contingency management treatments for drug use disorders
