Grinnell College Joseph Wall Service Award Finalist, September 2018
Outstanding Student Paper Award, American-Psychology and Law Society Conference, March 2017
Outstanding Student Paper Award, American-Psychology and Law Society Conference, March 2019
Outstanding Pro Bono Service Honors, May 2018
JD-PhD Scholarship, Drexel University, 2013-present
Rising Advocate Scholar, Drexel University School of Law, 2013-present
Drexel University School of Law Dean's List, Fall 2014 – Spring 2018 (since inception of Dean's List)
Drexel University School of Law Best Student Performance, Expert Testimony, Spring 2018
Drexel University School of Law Best Student Performance, Mental Health Law, Fall 2015
Drexel University School of Law Best Student Performance, European Union Law, Spring 2015

CLINICAL EXPERIENCE

Intercommunity Action Greenridge Counseling Center, Philadelphia PA
Clinical Intern, July 2019 – present

- Provide outpatient individual and group therapy to primarily low-income, high-needs populations within community mental health clinic
- Conducted neuropsychological assessments (including assessments for autism and ADHD)
- Triage clients and conduct comprehensive mental health intakes
- Supervise externs in psychotherapy techniques and specific intervention models

New Beginnings Veterans Clinic, Drexel University Department of Psychology, Philadelphia PA
Practicum Student, September 2018 – May 2019
Supervisors: Christine Nezu, Ph.D., ABPP, and Art Nezu, Ph.D., DHL, ABPP

- Delivered community-based, life skills intervention to U.S. veterans in the greater Philadelphia area
- Completed extensive training in Emotion-Centered Problem Solving Therapy
- Conducted patient intake evaluations and developed tailored intervention plan based on unique patient needs
- Provided intervention to veterans focused on psychoeducation, problem-solving skills, and effective emotional regulation
- Engaged in weekly supervision to consult on on-going cases and develop effective intervention skills

Reentry Project, Drexel Psychological Services Center, Philadelphia, PA

Project Coordinator and Student Supervisor, June 2014 – present

Supervisor: Kirk Heilbrun, Ph.D., ABPP

- Researched and developed comprehensive group therapy program designed specifically to meet the needs of offenders reentering the population after incarceration
- Organize and lead weekly meetings with Reentry Project team to develop and execute intervention
- Manage administrative aspects of the project, including new referrals, intake scheduling, data management, clinic procedures, and development project manuals and guidelines.
- Train new clinicians through one-one-one trainings and group didactics
- Supervise clinicians-in-training engaged in group and individual therapy
- Developed peer-specialist program through which program graduates are trained to help facilitate group therapy sessions to build rapport and increase buy-in of new participants
- Collect and analyze client data and facilitate conference submissions
- Serve as liaison among stakeholders from the probation team, the Reentry Court, and the Drexel Psychological Services Center

Reentry Project, Drexel Psychological Services Center, Philadelphia, PA

Practicum Student, June 2014 – present

Supervisor: Kirk Heilbrun, Ph.D., ABPP

- Provided cognitive-behavioral group and individual therapy to individuals reentering the community after federal incarceration focused on reducing recidivism risk, problem solving, changing maladaptive thinking patterns, and building a skill set to lead a successful life in the community
- Conducted forensic and intellectual assessments of justice-involved individuals and generate integrated psychological testing reports
- Provided feedback to participants through motivational enhancement sessions

Friends Hospital, Philadelphia, PA

Practicum Student, June 2018 – present

Supervisor: Angelina Pelletier, Psy.D.

- Administered individual and group psychotherapy to adults with severe mental illness in inpatient setting
- Participated in treatment team meetings, developed case conceptualizations, and wrote clinical progress notes
- Collaborate with a multidisciplinary team of psychologists, art therapists, psychiatrists, physicians, nursing staff, and behavioral health technicians to provide treatment
- Engaged in didactic seminars focused on treating individuals with psychosis and substance use disorders, working with inpatient populations, and developing competencies in group therapy administration
- Participated in weekly group and individual supervision sessions
- Received live observation from clinical supervisor

Drexel Psychological Services Center, Mood/Anxiety Team, Drexel University Department of Psychology, Philadelphia, PA

Student Supervisor, July 2018 – May 2019

Supervisor: Jen Schwarz, Ph.D.

- Provide weekly individual and group supervision to clinicians-in-training
- Train supervisees in psychotherapy techniques and specific intervention models, including Cognitive Behavioral Therapy, Acceptance and Commitment Therapy, and Dialectical Behavioral Therapy
- Receive weekly supervision meetings from licensed clinical psychologist focused on developing competencies as a supervisor
- Assist supervisees in screening clients for anxiety, depression, personality disorders, trauma-related disorders, and obsessive-compulsive disorder
- Guide supervisee to create case conceptualizations and plan individualized treatments for clients
- Review and edit intake reports and weekly contact notes written by supervisees

Stephanie Heck, Ph.D., Psychoanalytic Clinical Practice, Philadelphia, PA

Supervisee, September 2018 – May 2019

Supervisor: Stephanie Heck, Ph.D.

- Receive weekly supervision based in psychoanalytic orientation
- Discuss psychoanalytic theories and concepts and how to apply them to current and former patients

Mentorship Program of Philadelphia Society for Psychoanalytic Psychology, Philadelphia, PA

Mentee, September 2018 – May 2019

Supervisor: Matthew Whitehead, Psy.D.

- Engage in monthly mentorship focused on psychoanalytic theory and practice
- Discuss theory, research, and assigned readings on psychoanalytic topics
- Apply psychoanalytic theory to clinical material and practice theoretical psychoanalytic case conceptualization

Forensic Assessment Private Practice of David DeMatteo, Philadelphia, PA

Assessment Assistant, July 2015 – September 2018

Supervisor: Dave DeMatteo, J.D., Ph.D.

- Accompany and assist Dr. DeMatteo with privately contracted forensic assessments, including file review, clinical interview, psychometric testing, and report writing.

Forensic Assessment Clinic, Drexel University, Philadelphia, PA

Practicum Student, July 2017 – September 2018

Supervisor: Kirk Heilbrun, Ph.D., ABPP

- Performed forensic assessments of justice-involved individuals, including evaluations for threat assessment, juvenile de-certifications, competence to stand trial, federal and state sentencing, mental state at the time of the offense, independent medical evaluations, and capital sentencing
- Conducted extensive testing and wrote comprehensive reports incorporating assessment of intellectual functioning, psychopathology, academic achievement, personality, criminogenic risks and needs, memory, and malingering

Center City Clinic for Behavioral Medicine, Drexel University College of Medicine, Philadelphia, PA

Advanced Practicum Student – Severe Mental Illness Track, July 2017 – June 2018

Supervisor: Virginia O'Hayer, Ph.D.

- Provided full-model Dialectical Behavioral Therapy to individuals with severe mental illness (SMI) involving regular coaching calls and weekly diary monitoring
- Delivered individual Dialectical Behavioral Therapy skills training to patients with SMI
- Led Acceptance and Commitment Therapy group for patients
- Participated in group and individual supervision to consult on cases and develop treatment plans
- Conducted patient intake evaluations and developed treatment plans
- Delivered interventions based in Prolonged Exposure, Dialectical Behavioral Therapy, Acceptance and Commitment Therapy, and Cognitive Behavioral Therapy
- Provided manualized Acceptance and Commitment Therapy treatment to individuals with HIV and Cystic Fibrosis

Center City Clinic for Behavioral Medicine, Drexel University College of Medicine,
Philadelphia, PA

Practicum Student, July 2016 – June 2017

Supervisor: Virginia O'Hayer, Ph.D.

- Provided psychotherapy to diverse and traditionally underserved populations, including chronically homeless patients and patients with co-morbid health conditions such as HIV, Multiple Sclerosis, and Hepatitis C
- Observed and co-led Dialectical Behavior Therapy skills group
- Led Seeking Safety therapy group for individuals in recovery from trauma and substance abuse
- Collaborated with multidisciplinary team of psychiatrists and social workers
- Conducted patient intake evaluations, developed treatment plans, and delivered interventions based in Dialectical Behavioral Therapy, Acceptance and Commitment Therapy, and Cognitive Behavioral Therapy
- Provided manualized Acceptance and Commitment Therapy treatment to clients with HIV and Cystic Fibrosis
- Participated in group and individual supervision to consult on cases and develop treatment plans

Drexel Psychological Services Center, Mood/Anxiety Team, Drexel University Department of Psychology, Philadelphia, PA

Practicum Student, July 2015 – June 2016

Supervisor: Jen Schwarz, Ph.D.

- Provided therapy to clients with mood and anxiety disorders, including Cognitive Behavioral Therapy, Acceptance and Commitment Therapy, and Dialectical Behavioral Therapy
- Screened clients for anxiety, depression, personality disorders, trauma-related disorders, and obsessive-compulsive disorder
- Created case conceptualizations and planned individualized treatments for clients
- Participated in weekly group and individual supervision
- Wrote intake reports and weekly contact notes

Grinnell College Student Advisor Association, Grinnell, IA

Student Staff Member, August 2008 – May 2011

- Counseled, mentored, and supported college students
- Completed yearly training on develop skills for handling suicide, gender identity, cultural conflicts, drug and alcohol abuse, depression, and stress
- Trained incoming student advisors on college policies and mental health issues
- Spoke publicly on behalf of the administration to ensure student understanding of college policies

Clinical Assistant, July 2012 – July 2013

Dr. Kathryn Berla, Licensed Psychologist, Louisville, KY

- Observed therapy sessions and custody evaluations
- Provided administrative support

Symposium conducted at the meeting of the American Psychology-Law Society Conference, San Diego, CA.

RESEARCH EXPERIENCE

Drexel University Thomas R. Kline School of Law, Philadelphia, PA

Legal Research Assistant, September 2018 – present

Supervisor: David S. Cohen, J.D.

- Conduct research for a law review article examining the failure of supreme court justices to put forth robust arguments for gay rights
- Perform literature reviews and research analysis for a book on the barriers women face when seeking an abortion
- Collaborate with Professor Cohen to develop and implement research plan for future projects focused on women's and LGBT rights

Drexel University Thomas R. Kline School of Law, Philadelphia, PA

Legal Research Assistant, September 2018 – present

Supervisor: Rachel Lopez, J.D., LL.M.

- Analyze study results for a law review article examining the impact of mass probation on individual, families, and communities in Pennsylvania
- Develop and disseminate report geared toward policy-makers with the intention of influencing decision-making in sentencing and probation law
- Present findings to Pennsylvania Commission on Sentencing

DeMatteo Research Lab, Drexel University Department of Psychology, Philadelphia, PA

Graduate Assistant, August 2014 – present

Supervisor: David DeMatteo, J.D., Ph.D., ABPP

- Perform literature reviews and help design study based on expert bias in forensic evaluations
- Conduct research and disseminate an overview of current advancements in the psychological and legal fields that is published quarterly in the American Psychology-Law Society newsletter
- Engage in systematic literature reviews and present findings on various topics, including solitary confinement, expert testimony, death penalty evaluations, probation and parole policies, and other criminal justice issues
- Conduct research and write a law review article on the risks associated with violence risk assessment in death penalty cases

Heilbrun Research Lab, Drexel University Department of Psychology, Philadelphia, PA

Graduate Assistant, August 2014 – Present

Supervisor: Kirk Heilbrun, Ph.D., ABPP

- *Doctoral Dissertation*: Investigated the degree to which professional psychologists engage in reactionary decision-making regarding the appropriate role of psychologists in national security interrogations
- *Master's Thesis*: Investigated the perceptions of the general public and professional psychologists regarding the appropriate role of psychologists in national security interrogations and other non-traditional settings
- Perform literature reviews, analyze articles and present findings on various topics including prisoner reentry, expert testimony, death penalty evaluations, probation and parole policies and other criminal justice issues
- Collaborate with lab members to develop and implement research ideas in forensic psychology

Drexel University Thomas R. Kline School of Law, Drexel Community Lawyering Clinic, Philadelphia, PA

Clinic Student, August 2017 – May 2018

- Conducted extensive literature reviews on the state of probation in the United States and its impact on individuals, families, and communities
- Designed and disseminated a survey of current and former probationers throughout the state of Pennsylvania

Reentry Project, Drexel University Department of Psychology, Philadelphia, PA

Graduate Assistant, August 2014 – December 2015

Supervisor: Kirk Heilbrun, Ph.D., ABPP

- Conducted literature reviews on clinical interventions for individuals involved in the criminal justice system
- Researched and developed curriculum for a comprehensive group therapy program designed specifically to meet the needs of offenders reentering the community after incarceration

Research Assistant, February 2012 – July 2013

Department of Behavioral Health, University of Louisville

Supervisor: Scott Lajoie, Ph.D.

- Assisted on research project regarding the retention rate of health care workers in pandemics
- Performed literature reviews on burnout and compassion fatigue of healthcare workers
- Compiled and analyzed data
- Edited and advised on surveys created to measure attitudes of healthcare workers at Kentucky hospitals

Research Assistant, January 2012 – June 2012

University of New York in Prague, Prague, Czech Republic

Supervisor: Craig McNulty, Ph.D.

- Performed literature reviews on forensic topics including competency to stand trial and mental state at the time of the offense
- Analyzed research and discussed findings with supervisor
- Received mentorship focused on evaluating individuals within forensic populations

Research Assistant, November 2012 – July 2013

Spalding University, Forensic Psychology Department, Louisville, KY

Supervisor: Ida Dickie, Ph.D.

- Analyzed feedback from Restorative Justice Program and analyzed data using SSPS
- Conducted interviews with rehabilitative justice victims and criminals
- Assisted in organization of April 2013 Restorative Justice Conference

TEACHING EXPERIENCE

Forensic Psychology Class, University of the Arts, Philadelphia, PA

Guest Lecturer, April 2018

- Taught a class focused on death penalty law
- Engaged students in a discussion of ethical and legal considerations surrounding the death penalty
- Provided feedback on written assignments

Torts Class, Drexel University Thomas R. Kline School of Law, Philadelphia, PA

Torts Dean Scholar, August – December, 2014; August – December, 2015

- Served as teaching assistant for class of over approximately 60 law students
- Developed and ran weekly review sessions for 1L torts class
- Held weekly office hours to address student questions
- Mentored students seeking additional guidance

Abnormal Psychology Class, Drexel University Department of Psychology, Philadelphia, PA

Teaching Assistant, , September 2014 – December 2014

Supervisor: Marlin Killen, Ph.D.

- Developed and taught weekly lab sessions
- Devised independent syllabus, lesson plans, and written assignments for lab section
- Provided weekly written and oral feedback to students on submitted assignments

Drugs and Human Behavior Class, Drexel University Department of Psychology, Philadelphia, PA

Teaching Assistant, September 2014 – December 2014

Supervisor: David DeMatteo, J.D., Ph.D., ABPP

- Developed and taught two classes during the term
- Provided written and oral feedback to students on submitted assignments

Introduction to Psychology Class, Drexel University, Department of Psychology, Philadelphia, PA

Teaching Assistant, September 2014 – December 2014

Supervisor: John Kounios, Ph.D.

- Proctored and graded student exams

English Language Class, ZŠ Tábořská School, Prague, Czech Republic

English Language Teacher, May 2010 – August 2010

- Developed English lessons for Czech middle school students
- Collaborated with Czech classroom teacher to create relevant and effective curriculum
- Led weekly class discussions and created comfortable learning environment for students

VOLUNTEER EXPERIENCE

Shakespeare Behind Bars, Luther Luckett Prison, LaGrange, Kentucky

Volunteer, August 2012 – July 2013

- Shadowed program director Matt Wallace and offer advice and support to inmates during rehearsals
- Conducted research and wrote review articles for local newspaper

Grinnell Prison Program, Newton Correction Facility, Newton, IA

Teacher, February 2011 – May 2011

- Developed literature course for sixteen inmates, including a detailed syllabus, discussion questions and weekly response assignments
- Facilitated weekly classes, led discussions and created a safe and comfortable learning environment

LEGAL EXPERIENCE

Drexel Community Lawyering Clinic, Philadelphia, PA

Student Attorney, August 2017 – May 2018

- Represented clients by conducting legal research on criminal law, employment, property, and trusts and estates
- Engaged in community outreach to provide legal services to surrounding neighborhoods
- Led criminal justice team project focused on the issues of mass probation and how they impact Pennsylvania citizens
- Attended trainings on a variety of issues related to community lawyering and representative of justice-involve individuals
- Represented an incarcerated individual who received an unconstitutional life-sentence as a juvenile

Federal Community Defender Office, Capital Habeas Unit, Philadelphia, PA

Co-op Student Intern, May 2017 – August 2017

- Conducted legal research, wrote legal memoranda and briefs, and digested case files for post-conviction death penalty cases
- Attended trainings on a variety of issues related to death penalty appeals and habeas corpus review
- Participated in legal team meetings and observed federal hearings and oral arguments

- Evaluated and analyzed expert reports in preparation for cross examination
- Reviewed legal records and created indices of relevant mental health information

American Civil Liberties Union, Philadelphia, PA

Legal Intern, May 2014 – August 2014; June 2014 – August 2014

- Performed legal research, drafted internal memos, and cite-checked legal documentation
- Communicated regularly with clients and followed up on ACLU intake calls
- Conducted research and wrote articles for ACLU blog to foster media attention

American Constitution Society, Drexel University Thomas R. Kline School of Law, Philadelphia, PA

Vice President, August 2013 – August 2015

- Created, developed, and hosted events on civil rights issues: The Legality of the Death Penalty, Civil Asset Forfeiture, Botched Executions
- Mentored younger students and provided guidance on creating events and networking in public interest sector
- Attended the 2015 American Constitution Society Conference in Washington, D.C.

Secretary, August 2013 – August 2015

Criminal Law Society, Drexel University Thomas R. Kline School of Law, Philadelphia, PA

- Created, developed and hosted events on criminal law topics including death penalty, forensic evaluations, and solitary confinement
- Mentored younger students and provided guidance on creating events and networking with criminal lawyers in Philadelphia

Aegis Advantage, Louisville, KY

Regulatory Compliance Analyst, July 2012 – July 2013

- Supported supervising consultants in designing, implementing, and managing regulatory compliance programs for Mars International to adhere with the Federal Corruption Protection Act
- Communicated with international clients to ensure proper implementation of compliance programs and due diligence
- Coordinated launch of compliance programs and facilitated on-site trainings in Beijing, Shanghai, and Guangzhou

Havel, Holasek & Partners, Attorneys at Law, Prague, Czech Republic

Proofreader, June 2011 – June 2012

- Edited memoranda, due diligence reports, and various other documents
- Evaluated attorneys' English language skills to identify weaknesses within the firm
- Identified need for and developed new summer internship position: coordinated with partners and human resources; oversaw interview and hiring process of the new intern
- Elevated to supervisor for the English language sector of the marketing department
- Received written recognition and bonuses for high quality work

REVIEWER POSITIONS

Associate Editor, Translational Issues in Psychological Science, 2018 – present

Reviewer, American Psychology-Law Society (APA Division 41) annual conference, 2015 – 2018

PROFESSIONAL ORGANIZATIONS

American Psychology-Law Society (APA Division 41), *Student Member*

American Psychological Association, *Student Member*
