UNIVERSITY-SPONSORED EVENTS AND GATHERINGS

Faculty and Professional Staff:

Outdoor events no longer require submission and review by the Return Oversight Committee.
- Masks are optional for fully vaccinated individuals.
- Masks are recommended for unvaccinated individuals to protect themselves.
- Events should be structured such that attendees can achieve at least 3 feet of distance if they so desire.
- Attending events and gatherings is not dependent upon vaccination status.
- The University may not ask to verify vaccination status of any individual.
- Food and beverage are permitted. Drexel’s preferred caterer is Chestnut Street Caterers.
- Accurate attendee lists must be maintained prior to and during events by the event host.
- Visitors should continue to follow guidance for Visiting Drexel.
- Continue to work with Event Services to ensure appropriate reservations and event setups.
- Respective international, state, and local travel advisories and guidelines should continue to be taken into consideration.

Indoor events* still require review and approval from the Return Oversight Committee.
- Please ensure your event has been approved by your supervisor, department head and/or Dean.
- Please submit all details for review.
- ROC will follow up with you regarding your proposed event. Please allow at least 5 business days.
- If any details need additional clarification, the review process may be longer. If approved, follow all guidance and adhere to existing policies.
* Indoor event guidance is being updated and will be provided in the near future.

Off-campus events and venues no longer require review from the Return Oversight Committee.
- Please work with Procurement and all necessary partners for off-campus events.
- Accurate attendee lists must be maintained prior to and during events by the event host.

Students and Student Organizations:

1. Review guidance* and take it into consideration when planning your event.
2. Submit your event to DragonLink for review.
3. Student Life will follow up with you regarding your proposed event.
4. If approved, follow all guidance and adhere to all existing policies.
*Indoor event guidance is being updated and will be provided in the near future

Guidelines are made in conjunction with the COVID-19 health and safety requirements issued by federal, state and local public health authorities, as well as by Drexel University public health experts. These guidelines may be modified and further specified over time, as changes during the COVID-19 pandemic require. Please visit the Drexel Response to Coronavirus site for the most for the most up to date information.
