# Drexel University Procedures for Isolation and Quarantine

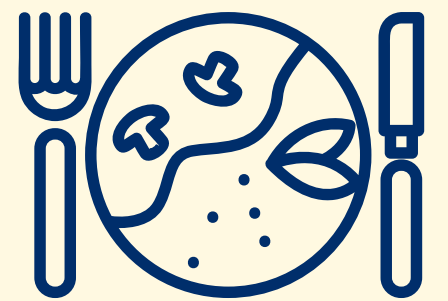

## Stay in your room.

You should stay in your room for the entire duration of your isolation or quarantine and stay away from other people. Visit the DragonLink via the QR code for virtual campus programs and activities.

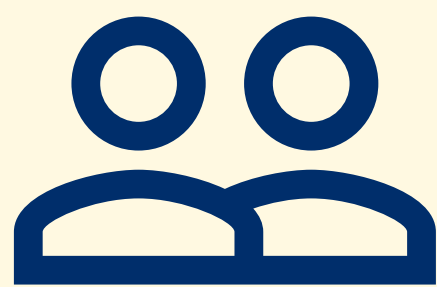

## Meals.

Drexel Campus Dining will provide you with 3 meals per day, with options for you to select at each meal. Meals will be brought to you, outside of the main door to your suite/apartment. If you order delivery such as GrubHub, we will accept deliveries on your behalf from 8am-10pm 7 days/week, but you must coordinate with the front desk of your building. Refer to your email for further instructions.

## No guests.

Drexel residential students are not permitted to have guests until further notice. Students in isolation or quarantine should have no one from the building in their room.

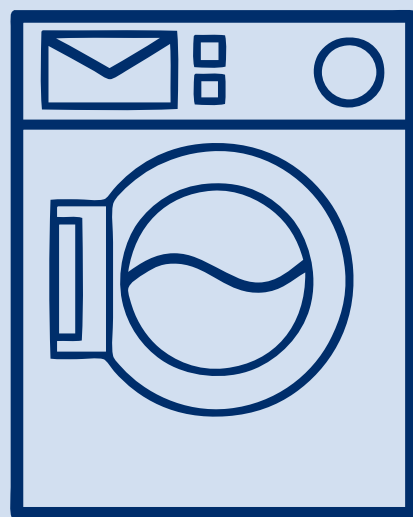

## Mail & Packages.

Please refrain from ordering packages while in isolation or quarantine. If you need to order essential items, staff will coordinate delivery outside of your suite/apartment door.

## Laundry.

Laundry services will be provided via Tide Laundry Service. Laundry will be picked up on Tuesdays and Thursdays. You should coordinate laundry needs via the "My Laundry" app. Refer to your email for more information.

**If there is an emergency,  
call DUPD at 215-895-2222.**

## Trash Removal.

Please place bagged trash outside of your suite/apt. door by 10am Mon-Fri for collection. No liquids are permitted.

**If you need housing support,  
email [housing@drexel.edu](mailto:housing@drexel.edu).**
