

Jessie Kemmick Pintor

3215 Market St, Nesbitt Hall, Room 352 • Philadelphia, PA 19104
267-359-6163 • jbp83@drexel.edu

EDUCATION

- Ph.D. Health Services Research, Policy & Administration**, University of Minnesota 2015
Minor: Sociology
- M.P.H. Maternal & Child Health**, University of Minnesota, School of Public Health 2009
- B.A. Sociology (Summa Cum Laude)**, Concordia University-St. Paul 2002
Minor: Spanish
Study abroad: Instituto Tecnológico de Estudios Superiores de Monterrey, MEXICO, 2000

ACADEMIC APPOINTMENTS

- Assistant Professor**, Drexel University, Dornsife School of Public Health Sep. 2017-
Department of Health Management & Policy
- QSCERT Postdoctoral Fellow**, University of California, Davis 2015-Sep. 2017
Center for Healthcare Policy & Research, Department of Public Health Sciences

RESEARCH FELLOWSHIPS/GRANTS

- Agency for Healthcare Research and Quality (AHRQ) NRSA Postdoctoral Traineeship 2015-2017
- AHRQ R36 HSR Dissertation Grant 2013-2014
- University of Minnesota Graduate School Doctoral Dissertation Fellowship (*Declined*) 2013-2014
- AHRQ NRSA Predoctoral Traineeship 2009-2010
- HRSA Maternal & Child Health Bureau Traineeship 2007-2009

RESEARCH APPOINTMENTS

- State Health Access Data Assistance Center**, *Graduate Research Assistant*, University of Minnesota 2010-2015
Community-based participatory research-survey data analysis and dissemination, analyses and policy briefs on implications of health reform for states; state health survey sampling, data collection, and analysis; state technical assistance (TA) memoranda, state TA on survey methods and data analysis, ROI analysis for state health access program
- School of Nursing**, *Graduate Research Assistant*, University of Minnesota 2007-2009
Community-based participatory research intervention development, recruitment, facilitation, survey development and piloting, data collection and analysis

TEACHING

- HMP 519 Maternal & Child Health Policy**, *Instructor*, Department of Health Management & Policy, Dornsife School of Public Health, Drexel University Winter 2020, 2021

Kemmick Pintor

HMP 505 Qualitative Data & Mixed Methods Analysis, Instructor, Department of Health Management & Policy, Dornsife School of Public Health, Drexel University	Summer 2019, 2020, 2021 Spring 2020, 2021
HMP 810 Health Services Research, Instructor, Department of Health Management & Policy, Dornsife School of Public Health, Drexel University	Fall 2018
HMP 516 Health Care Organizations & Management, Instructor, Department of Health Management & Policy, Dornsife School of Public Health, Drexel University	Spring 2018, 2019, 2020
SPH 212 Migration & Health, Co-Instructor, Department of Public Health Sciences, School of Medicine, University of California, Davis	2016
PUBH 6845 Using Demographic Data for Policy Analysis, Teaching Assistant, Health Policy and Management, School of Public Health, University of Minnesota	2012, 2013, 2015
PUBH 7257 Summer Public Health Institute – Qualitative Data Analysis, Teaching Assistant, Division of Epidemiology & Community Health, School of Public Health, University of Minnesota	2013

PROFESSIONAL EXPERIENCE

Minneapolis Department of Health & Family Support, Policy Intern	2008-2009
Exploration and application of methods for working with communities to develop and implement policies; convening workgroup with school district/community partners to implement comprehensive sexuality education; development of youth pregnancy prevention work plan for MDHFS	
Centro Inc. (now Centro Tyrone Guzman), Various positions: Program Director, Supervisor, Coordinator, Minneapolis, MN	2002-2007
Maternal & Child Health programming (doula, prenatal education, parenting education); implementation of culturally-specific sexuality education and healthy youth development program (through a Minnesota Department of Health Eliminating Health Disparities Initiative grant); contract negotiations with State Health Care Programs; programmatic grant proposals; program evaluation; supervision of staff, CHWs, interns; family advocate; Seniors' programming; Car Seat Safety workshops; Medicaid application assistance	

HONORS AND AWARDS

Inducted into Delta Omega Honorary Society in Public Health	2015
Delta Omega Honorary Society in Public Health APHA Student Poster Competition Award	2014
University of Minnesota School of Public Health Research Day Awards (PhD, Public Health Impact, People's Choice)	2014
American Association of Public Opinion Research Roper Travel Award	2012
University of Minnesota School of Public Health Dean's Scholar	2007-2009

Understanding the Multiple-levels of Influence on Access to Care for Latino Youth

This project will take advantage of a unique opportunity to examine the multiple levels of influence that contribute to Latino youth health care disparities through a follow-up study of 1000 Latino youth and their families in the California Health Interview Survey (CHIS).

ADDITIONAL TRAINING AND QUALIFICATIONS

Languages: English, Spanish

Advanced proficiency in *Stata*: analysis of complex survey data, multi-level modeling, propensity score matching, multiple imputation; working proficiency in *SAS*; proficiency in *Atlas.ti* qualitative software

Quality Matters, Drexel University (Summer 2018): Training on best practices of quality online course design that are associated with increasing student retention and faculty satisfaction and are increasingly important to accreditation bodies.

Community Based Participatory Research (CBPR) and the Elimination of Health Disparities, University of Minnesota (Fall 2011): semester-long training for faculty, graduate students, and community practitioners on the applications of CBPR; partnership formation/maintenance; power, trust, race, class, and social justice issues; conflict resolution; ethical issues; and cultural knowledge systems

Doulas of North America (DONA) Birth Doula Training, Minneapolis, MN (2004): Workshop covers evidence-based information about the benefits of doula support, the history of birth, the significance of doula support to families, practical hands-on techniques, as well as the steps to becoming a birth doula
