

Arturo Zinny, LPC, MA, PhD(c)
Licensed Professional Counselor (#PC006738)

FELLOWSHIPS

2023-2026 Stoneleigh Foundation Fellowship
Project Description <https://stoneleighfoundation.org/fellow/arturo-zinny-lpc-ma/>
Total grant amount: \$524,265

EDUCATION

2018-Present	Drexel University Dornsife School of Public Health Doctor of Philosophy (PhD), Community Health and Prevention	Philadelphia, PA
1998-2004	Universidad Nacional de Rosario (UNR) Psychologist (equivalent to US bachelor's and master's degree in psychology)	Rosario, Argentina
1994-1996	Law (equivalent to 3 years of undergraduate study in law)	

WORK EXPERIENCE

Sept 2023-	Drexel University Assistant Clinical Research Professor Executive Director, Center for Nonviolence and Social Justice (CNSJ) Community Health and Prevention Department Dornsife School of Public Health https://drexel.edu/cnsj/	Philadelphia, PA
------------	--	------------------

- Collaborates with the CNSJ Board of Directors to develop and implement the center's strategic planning, mission, and vision.
- Oversees the implementation of the CNSJ's programs and supervises its research activities.
- Conducts implementation science research focused on improving health outcomes for youth and families impacted by trauma and poverty.
- Supervises, with the assistance of the CNSJ Deputy Director, the directors of Healing Hurt People, the Healing Learning Center, and Fiscal Operations, the Data and Compliance Manager, the Community Outreach Team (COT) Manager, and the CNSJ's Administrative Coordinator.
- Oversees the Medical Director of Healing Hurt People's activities related to the CNSJ.
- Serves as a liaison between the CNSJ and Dornsife School of Public Health to advance sound public health research and practice.
- Publishes research in peer-reviewed scientific journals and presents research at academic conferences and symposiums.

- Leads and oversees partnership efforts with fellow hospital-based violence intervention programs, public-sector entities, community-based organizations, and members of the National Child Traumatic Stress Network (NCTSN).
- Oversees contracts and fiscal relationships with CNSJ funders, community partners, and third-party entities.
- Guides the implementation of evidence-based and promising practices and identifies opportunities for expansion and replication of Healing Hurt People, the Healing Centered Learning, and the Community Outreach Team programs.
- Represents the CNSJ at local, national, and international conferences and symposiums.

April-Sept 2023

Drexel University

Philadelphia, PA

Interim Executive Director, Center for Nonviolence and Social Justice (CNSJ)

Dornsife School of Public Health <https://drexel.edu/cnsj/>

- Collaborates with the CNSJ Board of Directors to develop and implement the center's strategic planning, mission, and vision.
- Oversees the implementation of the CNSJ's programs and supervises its research activities.
- Supervises the Director of Healing Hurt People, the Director of the Healing Learning Center, the Director of Fiscal Operations, the Data and Compliance Manager, the Community Outreach Team (COT) Manager, and the CNSJ's Administrative Coordinator.
- Leads and oversees partnership efforts with fellow hospital-based violence intervention programs, public-sector entities, community-based organizations, and members of the National Child Traumatic Stress Network (NCTSN).
- Oversees contracts and fiscal relationships with CNSJ funders, community partners, and third-party entities.
- Guides the implementation of evidence-based and promising practices and identifies opportunities for expansion and replication of Healing Hurt People, the Healing Centered Learning, and the Community Outreach Team programs.

2018-2023

Drexel University

Philadelphia, PA

Program Director, Healing Hurt People (HHP), Center for Nonviolence and Social Justice

Dornsife School of Public Health www.drexel.edu/cnvsj/healing-hurt-people

- Led the programmatic endeavors of HHP and related programs, by providing supervision of mid-management staff, the Clinical Supervisor, and the Community Outreach Team (COT) Coordinator/Peer Supervisor and the data and compliance manager.
- Led the implementation of trauma-specific evidence-based practices, i.e., Trauma-Focused Cognitive Behavioral Therapy (TF-CBT) and Cognitive Processing Therapy (CPT), and promising practices, i.e., peer support, in various settings (hospital, home and community, school, office, and Telehealth).
- Executed reports for funders, including the Substance Abuse and Mental Health Services Administration (SAMHSA), Pennsylvania Commission for Crime and Delinquency (PCCD), the Philadelphia Department of Behavioral Health and Intellectual disAbility Services (DBHIDS), and Community Behavioral Health (CBH).
- Oversaw HHP's compliance around documentation and Medicaid billing for services provided to violently injured people.
- Identified innovations, i.e., evidence-based practices, expansion of HHP settings, and cross-systems partnership building to improve outcomes for violently injured people.
- Worked with the Executive Director to pursue grant opportunities, and subsequent grant writing for the expansion of the HHP Program.
- Represented the program and the CNSJ at local, state, national, and international conferences.
- Partners with local universities to support placement of students at HHP and supervises public health, social work, medical, and counseling psychology students.
- Provided technical support to Healing Alliance for Violence Intervention's (HAVI) programs.

2013-2018

Community Behavioral Health (CBH)

Philadelphia, PA

Project Director, Philadelphia Alliance for Child Trauma Services (PACTS)

www.philadelphiapacts.org

- Built a citywide network of 20 child trauma community behavioral health agencies.
- Provided support to member agencies around the implementation of child trauma services through monthly site visits, clinical guidance, and ongoing technical assistance.
- Developed and coordinated PACTS' Youth Advisory Board, which met monthly from 2013-2018 and was led by youth ages 14 to 18, with Mr. Zinny's mentorship.
- Monitored fidelity to trauma-specific EBP's, such as TF-CBT, the Child and Family Traumatic Stress Intervention, and Primary Child-Adult Relationship Enhancement (PriCARE).
- Completed reports for the Substance Abuse and Mental Health Services Administration (SAMHSA) and for the National Child Traumatic Stress Initiative (NCTSI)
- Provided training and expert consultation across child serving systems focused on child trauma and its impact on children, families, and communities.
- Bridged the gap between PACTS' Evaluation Team (University of Pennsylvania) and member agencies, playing an instrumental role in the success of PACTS' evaluation.

- Led efforts to increase awareness of child trauma through community outreach and marketing strategies.

Congreso de Latinos Unidos

2012 – 2013

Director of Behavioral Health Services

Philadelphia, PA

- Oversaw the Behavioral Health Department, which consisted of 30 staff that provided mental health and drug & alcohol services to Latino children, adolescents, and adults.
- Responsible for the department’s administrative and clinical integrity through supervision and guidance of direct care staff and program’s coordinators.
- Provided individual, family and group therapy to trauma-impacted Latino youth and adults.
- Established collaborative relationships with funding organizations, government service providers, and fellow organizations.
- Developed and facilitated trainings and presentations at universities and local conferences.
- Provided supervision to master’s level intern students.
