EDUCATION

University of North Carolina Gillings School of Global Public Health, Chapel Hill, North Carolina

PhD, Health Behavior, August 2013

Dissertation title: Prevalence and trajectories of intimate partner violence among South African women during pregnancy and the postpartum period

Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland

MHS, Social and Behavioral Interventions, International Health, May 2005

Grinnell College, Grinnell, Iowa

BA with Honors in Psychology, May 2000

Pitzer College, Zimbabwe

Lived with urban and rural Zimbabwean families on an anthropological exchange program, Fall 1998

HONORS AND AWARDS

Koch Travel Award (2012, 2013)

Winstanly Scholarship (2012)

Doris Buffet Scholarship (2012)

Kirschstein NRSA STD Pre-Doctoral Training Award (2009-2012)

HB Departmental Travel Award (Spring 2009, Fall 2009, Fall 2010, Fall 2012, Spring 2013)

Fulbright Hayes Zulu Language Training (2010)

Delta Omega Honor Society (2005)

Grinnell Corps Teaching Fellow (2001)

Grinnell College Trustee Scholarship (1996-2000)

PROFESSIONAL EXPERIENCE

Drexel University School of Public Health, Philadelphia, Pennsylvania

Title(s): Assistant Research Professor in the Department of Community Health and Promotion,
September 2016-current

Adjunct Assistant Professor in the Department of Community Health and Promotion,
September 2015-August 2016

American University, District of Columbia, Washington DC

Title(s): Faculty Fellow with the Center on Health, Risk and Society June 2015-current

Postdoctoral scholar with the Center on Health, Risk and Society, October 2013-June 2015

University of North Carolina Gillings School of Public Health, Chapel Hill, North Carolina

Title: Research Associate for SAHAPS study, 2007-2012

Planned Parenthood of Maryland, Towson, Maryland

Title: Health Center Director, 2005-2006

Colorado AIDS Project, Denver, Colorado

Title: Case Manager, 2002 – 2003

Grinnell Corps, St. Rodrigue High School, Lesotho

Title: Grinnell Corps English Teacher, 2001-2002

AIDS Action Committee, Boston, Massachusetts

Title: Homelessness Prevention Specialist, 2000

CONSULTANCIES

Pacific Institute for Research and Evaluation (PIRE)

Title: Consultant, June 2015- current

- Led qualitative analysis for a study with adolescents in Kenya to inform guidelines for ethical conduct of adolescent HIV prevention research in sub-Saharan Africa

Georgetown University

Title: Consultant, May 2013 – August 2013

- Conducted in-depth interviews with church leaders in Southeast, Washington DC to learn about how they discussed health and healthcare within their congregations

Child Fund International

Title: Consultant, September 2011 – November 2011

- Assisted with the development of a tool to be used by community health workers to screen for the use of violence and different forms of discipline in household settings

World Health Organization Department of Reproductive Health & Research

Title: Consultant, May 2010 – July 2010

- Helped write a brief on the integration of violence prevention into HIV counseling and testing

Open Society Institute

Title: Consultant, January 2009 – June 2010; January-July 2008

- Synthesized literature on HIV testing of pregnant women and analyze country-specific policies on HIV testing of pregnant women and developed a three-country case study to explore implementation of HIV testing policy into practice

Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland

Title: Consultant, February 2009-May 2009

- Created HIV testing and counseling curriculum for a randomized control trial with HIV+ male injecting drug users in Vietnam

TEACHING EXPERIENCE

Drexel University School of Public Health

2015 Course Instructor, Theory and Practice of Community Health Promotion (Fall)

University of North Carolina Gillings School of Public Health

2011 Teaching Assistant, Advanced Qualitative Research Methods (Fall)

2011 Teaching Assistant, Qualitative Research Methods (Spring)

2010 Teaching Assistant, Foundations of Health Behavior (Global Health Module) (Spring)

Johns Hopkins Bloomberg School of Public Health

2005 Teaching Assistant, Formative Research Methods (Spring)

GUEST LECTURES

American University, School for International Service

Health in Developing Countries and Tools for Program Planning

“Designing and implementing an intervention to reduce HIV and IPV in South Africa” (11/5/2013)

University of North Carolina Gillings School of Public Health

Qualitative Research Methods

“Training and supervising qualitative research staff” (3/29/2012, 4/5/2011)

“Matrices and other visual tools to represent your data” (3/15/2011, 3/16/2010)

Advanced Qualitative Research Methods

“Writing and representation: case study analyses” (11/17/2011)

“Analyzing focus group data” (10/27/2011)

Duke University Department of Sociology

Gender, poverty and health

“Designing interventions to reduce HIV and IPV in sub-Saharan Africa” (4/1/2011)

GRANTS

Active

U.S. Dept of State

Groves (PI)

10/01/16-9/30/18

Re-enrolling Young South African Mothers in School as a Social Vaccine against HIV Transmission

The proposed intervention offers combination social protection to facilitate South African adolescent mothers' re-enrollment and retention in school and decreases their HIV risk after delivery.

Role: Principal Investigator

Total award: \$1,579,999.50

1 R03 HD089837-01

Groves (PI)

09/01/16-08/31/18

Understanding postpartum sexual behavior to reduce HIV incidence among South African women

Secondary data analysis to understand how age and power contribute to South African women's risk of unsafe sexual behavior and STI risk postpartum

Role: Principal Investigator

Total award: \$156,500.00
