- 2016 Designer and Interviewer for *Toward a Trauma-Informed City: Philadelphia*. Included webinar and interviews with 29 prominent Philadelphia leaders. Dornsife School of Public Health, Drexel University, Philadelphia, PA
- 2015 Featured as commentator in **Wounded Places, Episode 4** part of series, *The Raising of America*, a documentary series scheduled for PBS that explores how a strong start for all our kids can lead to a healthier, safer, better educated and more prosperous and equitable America. Produced by California Newsreel. Episode 4: *Wounded Places: Confronting Childhood PTSD in America's Shell-Shocked Cities*. Traveling to Philadelphia and Oakland, this episode chronicles the stories of children shaken by violence and adversity and asks not "What's wrong with you?" but "What happened to you?" and "How can traumatized children and neighborhoods heal?"
- Featured as commentator on "**Portraits of Professional CAREgivers: Their Passion. Their Pain.**" This film deals with those professionals who care for emotionally wounded or clients who have been affected by trauma - social workers, early childhood educators, teachers, therapists, firefighters, police, physicians and related trauma personnel - but receive little help in managing their own emotional pain and exhaustion. This film illustrates their efforts to cope with their own exposure to toxic stress and how they seek to cope and find meaning in their work.
