ACADEMIC APPOINTMENTS

Drexel Dornsife University School of Public Health, Philadelphia, Pennsylvania **Department of Community Health and Prevention**

Title(s): Associate Professor (with Tenure)	September 2023-
Assistant Professor	September 2017-August 2023
Assistant Research Professor	September 2016-August 2017
Adjunct Assistant Professor	September 2015-August 2016

American University, District of Columbia, Washington DC **Center on Health, Risk and Society**

Title(s): Faculty Fellow	June 2015-August 2016
Postdoctoral scholar	October 2013-June 2015

EDUCATION

University of North Carolina Gillings School of Global Public Health, Chapel Hill, North Carolina PhD, Health Behavior, August 2013

Dissertation title: Prevalence and trajectories of intimate partner violence among South African women during pregnancy and the postpartum period

Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland MHS, Social and Behavioral Interventions, International Health, May 2005

Grinnell College, Grinnell, Iowa BA with Honors in Psychology, May 2000

Pitzer College, Zimbabwe Lived with urban and rural Zimbabwean families on an anthropological exchange program, Fall 1998

HONORS AND AWARDS

Drexel Global Engagement Award (2023)
Drexel Dornsife School of Public Health Departmental Faculty Mentoring Award (2023)
Drexel Dornsife School of Public Health Junior Faculty Research Award (2022)
Drexel Dornsife School of Public Health Mentor Recognition Award (2020)
Drexel Global Engagement Award (2019)
Drexel Career Development Award (2019)
Drexel International Travel Award (2019)
Koch Travel Award (2012, 2013)
Winstanly Scholarship (2012)
Doris Buffet Scholarship (2012)
Kirschstein NRSA STD Pre-Doctoral Training Award (2009-2012)
HB Departmental Travel Award (Spring 2009, Fall 2009, Fall 2010, Fall 2012, Spring 2013)
Fulbright Hayes Zulu Language Training (2010)
Delta Omega Honor Society (2005)
Grinnell Corps Teaching Fellow (2001)

Allison K. Groves

Grinnell College Trustee Scholarship (1996-2000)

TEACHING EXPERIENCE

Drexel University School of Public Health

CHP 815 Advanced Topics in Qualitative Data Analysis

Description: Substantially revised and taught doctoral-level course on qualitative data analysis and manuscript preparation

Role: Instructor

Enrollment: 2024 (n=6)

CHP 904 Doctoral Seminar

Description: Professional development seminar for doctoral students

Role: Instructor

Enrollment: 2024 (n=9), 2023 (n=9), 2022 (n=10)

CHP 804 Qualitative Research in Community Health (Spring/Winter)

Description: Substantially revised and taught doctoral-level course on qualitative research design, data collection, and analyses.

Role: Instructor

Enrollment: 2023 (n=14), 2021 (n=8), 2020 (n=11), 2019 (n=15), 2018 (n=10), 2017 (n=7)

PBHL 513 Methods for Public Research II (Winter)

Description: Co-developed and co-instructed a significantly revised version of the second course in the required core methods series taken by all Drexel MPH students. Core methods course was discontinued following 2020.

Role: Co-Instructor with one other faculty

Enrollment: 2020 (n=67)

CHP 673 Theory and Practice of Community Health Promotion (Fall)

Description: Taught a required course on community health to departmental MPH students.

Role: Instructor

Enrollment: 2016 (n=22)

University of North Carolina Gillings School of Public Health

2011 Teaching Assistant, Advanced Qualitative Research Methods (Fall)

2011 Teaching Assistant, Qualitative Research Methods (Spring)

2010 Teaching Assistant, Foundations of Health Behavior (Global Health Module) (Spring)

Johns Hopkins Bloomberg School of Public Health

2005 Teaching Assistant, Formative Research Methods (Spring)

Groves (PI)

01/01/2024-12/31/2026

Examining adolescent mothers' engagement in HIV prevention across high burden HIV countries in Sub Saharan Africa

This study will leverage publicly available, nationally representative data from the Population-based HIV Impact Assessment (PHIA) Projects across 8 African countries to understand *whether* adolescent mothers participate in social protection programs, *which* adolescent mothers participate in these programs, and *which*

Allison K. Groves

programs to prioritize to optimize impacts of HIV prevention initiatives for AMs across countries with high HIV-burden among girls.

Role: Principal Investigator

Total award: \$456,376.00

Philadelphia Joy Bank **Groves (MPI)** **09/29/23 – 07/31/26**

A mixed-methods evaluation of the Philly Joy Bank

The purpose of this study is to use mixed methods to examine the impacts of receiving guaranteed income during and after pregnancy on the health and well-being of infants and their birthing parents.

Role: Co Principal Investigator

Total award: \$399,184.00

CURRENT

*denotes mentee

Drexel's Urban Health Collaborative **Groves (PI)** **11/01/2023-11/30/2024**

Social Policy and Program Evaluation for Advancing Health Equity Working Group

The working group purpose is to bring interdisciplinary faculty and students together to collaborate on shared interests, highlight existing DSPH research on the health effects of social policies and programs, and illustrate best practices in the planning, conduct, and use of public health research on social policies and programs.

Role: Principal Investigator

Total Award: \$14,640.00

Drexel Summer Faculty Research Award **Groves (PI)** **06/01/2023-6/30/2024**

Linking social policy to health: A qualitative examination of Philadelphia's Right to Council Program and its implications for housing and health

The study purpose is to examine whether and how Right to Health – an eviction diversion program in Philadelphia – impacts health.

Role: Principal Investigator

Total Award: \$6,993.00

GATES Foundation **Baird (PI)** **04/27/2023/-10/15/2024**

2023 Lancet Commission on Adolescent Health and Well-being

This contract will support work on understanding youth adolescent engagement and impacts on health as well as violence against adolescence.

Role: Sub-Contract Co Principal Investigator

Total award: \$56,100.00

Drexel's Urban Health Collaborative **Smith* (PI)** **02/01/2023-1/31/2024**

Effects of eviction on cardiovascular health

The study purpose is to examine eviction's effects on cardiovascular health

Role: Mentor

Total Award: \$3,000.00

International Food Policy **Groves (PI)** **02/15/2022-09/15/2023**
Research Initiative (IFPRI)

Assessing the Durability of a Cash Transfer on Physical Partner Violence among Adolescent Girls and Young Women in Rural South Africa

The proposed secondary data analyses will address the durability of a conditional cash transfer on young women's experience of intimate partner violence two years after the intervention and will explore how

Allison K. Groves

young women who received the cash transfer describe experiences of intimate partner violence in their sexual partnerships two years later.

Role: Principal Investigator

Total Award: \$25,000.00

NIH R01DA054543-01

Roth (PI)

07/01/2021-07/30/2026

Efficacy of a Trauma Intervention for Affect Regulation, Adherence, and Substance Use to Optimize PrEP for Women Who Inject Drugs

The goal of this intervention trial is to test whether a trauma-informed intervention combined with contingency management will provide durable reduction in HIV acquisition risk among women who inject drugs in Philadelphia.

Role: Co Investigator

Total Award: \$4,039,017.00

NIH T37MD01425

Lovasi/Ezeh (MPI)

07/11/2019 - 11/30/2023

Global Alliance for Training in Health Equity Research (GATHER) Program

The GATHER program provides participants with immersive research and didactic training experiences in a diverse and inclusive environment, tailored to the research productivity and career development of eligible doctoral students and postdoctoral trainees from backgrounds underrepresented in the research workforce.

Role: Mentor

Total Award: \$1,329,246.00

NIH R01

Momplaisir (PI)

09/01/2018-08/31/2023

A Randomized Controlled Trial of Women Involved in Supporting Health (WISH), a Peer-Led Intervention to Improve Postpartum Retention in HIV Care

The multisite RCT will take place across Center for AIDS Research sites in Philadelphia, Washington DC, Atlanta and Birmingham. A total of 260 pregnant women living with HIV will be randomized to either the WISH intervention or to an attention matched health-awareness control group. Primary and secondary outcomes include retention in HIV care and viral suppression at 1 year postpartum

Role: Co Investigator

Total Award: \$2,493,524.00

COMPLETED

Allison K. Groves

Maternal and Child Immunization Improvement: Assessments of Policy and Prenatal Care

The study purpose is to examine immunization during and immediately after prenatal care among women and infants in Philadelphia.

Role: Mentor

Total Award: \$8,460.00

**French Development Agency/
GATES Foundation**

Massey (PI)

04/01/2018 – 5/30/2021

African Network for Health Education and Citizenship

The proposed communication intervention aims to promote sexual and reproductive health among girls ages 13-25 through a television show C'est la Vie.

Role: Co Investigator

Total Award: \$294,010.00

Drexel

Groves (PI)

05/01/2020-3/31/2021

Understanding the disproportionate impacts of COVID-19 on low-income, minority communities

The proposed qualitative study is situated within a social determinants of health framework to 1) unpack how the context of people's lives informs their understanding and responses to the virus and preventive guidelines; 2) study how housing and mass incarceration shape the spread of the disease; and 3) explore the economic, health and social impacts of the pandemic on the already severely disadvantaged.

Role: Principal Investigator

Total Award: \$10,000.00

Drexel Summer Faculty Research Award Groves (PI)

06/01/2020-9/30/2020

Examining the association between adolescent motherhood and HIV prevalence among young women in ten eastern and Southern African countries

The study purpose is to use nationally representative datasets across ten countries with high HIV prevalence to examine the influence of adolescent motherhood on HIV prevalence. The long-term goal is to use the findings to develop HIV prevention interventions that meet the unique and diverse needs of adolescent mothers to maximize their health and well-being.

Role: Principal Investigator

Total Award: \$7,000.00

**NIH R03HD089837-01
08/31/2019**

Groves (PI)

09/01/2016-

Understanding postpartum sexual behavior to reduce HIV incidence among South African women

Secondary data analysis to understand how age and power contribute to South African women's risk of unsafe sexual behavior and STI risk postpartum

Role: Principal Investigator

Total award: \$156,500.00

World Health Organization Department of Reproductive Health & Research

Stankard (PI)

06/2018-02/2019

Systematic review and meta-analysis on impact of community-based HIV testing and counseling among general and key populations in the fight against HIV

Role: Subcontract Principal Investigator

Total Award: \$15,000.00

U.S. Dept of State

Groves (PI)

10/01/2016-11/30/2018

Re-enrolling Young South African Mothers in School as a Social Vaccine against HIV Transmission

The intervention offers combination social protection to facilitate South African adolescent mothers' re-enrollment and retention in school and decreases their HIV risk after delivery.

Allison K. Groves

Role: Principal Investigator
Total award: \$1,422,922.00

Drexel University Pilot Grant **Momplaisir (PI)** **03/30/2016-03/31/2017**
Assessing the Feasibility and Acceptability of a Community-Based Intervention to Improve the Care and Outcomes of HIV+ Pregnant and Postpartum Women
Pilot study funded by Drexel University to adapt an intervention designed to provide support during the perinatal period to HIV+ women in Philadelphia
Role: Co Investigator
Total Award: \$15,000.00

NIH R01DA025021-01A1 **Blankenship (PI)** **09/15/2009-07/31/2016**
Drug Policy, Incarceration, Community Re-entry, and Race Disparities in HIV/AIDS
Longitudinal, mixed methods study to examine the community re-entry process following criminal justice involvement and to assess HIV risk and disparities in HIV risk during this time
Role: Co Investigator
Total Award: \$3,205,817.00

UNC Dissertation Completion Award **Groves (PI)** **08/01/2012-5/31/2013**
Received competitive university-wide grant; grant provided tuition support and a stipend in the final year of dissertation research.
Role: Principal Investigator
Total Award: \$16,000.00

Gillings Dissertation Award **Groves (PI)** **06/15/2012**
1 of 2 SPH doctoral students to receive award for dissertation support; award given to students whose dissertation research best reflects the goals of anticipating public health challenges and accelerating solutions to them.
Role: Principal Investigator
Total Award: \$5,000.00

DHHS/NIH/NIAID T32 AI007001-34 **Miller (PI)** **06/15/2009-6/15/2012**
NRSA Pre-Doctoral Training Fellowship to provide trainees with research opportunities in the broad area of AIDS and STDs. Training included basic and epidemiologic research.
Role: Pre-Doctoral Fellow
Total Award: ~\$22,000.00

Open Society Institute **Maman (PI)** **01/01/2009-6/30-2010**
Conducted case studies of HIV testing for pregnant women in South Africa, Kenya and the Ukraine
Role: Co Investigator
Total Award: \$89,020.00
