

Shiriki Kumanyika, Ph.D., M.P.H
Curriculum Vitae

Date: April 2017

Home Address: 146 Pelham Road
Philadelphia, PA 19119

Office Address: Department of Community Health and Prevention
Dana and David Dornsife School of Public Health at Drexel University
3215 Market Street, Room 416
Philadelphia, PA 19104
Phone: 267-359-6050
E-mail: skumanyi@mail.med.upenn.edu OR kumanyika@drexel.edu

Social Security Number: Provided upon request

Education:

1965	B.A.	Syracuse University (Psychology)
1969	M.S.	Columbia University School of Social Work
1978	Ph.D.	Cornell University (Human Nutrition)
1984	M.P.H.	Johns Hopkins University

Postgraduate Training and Fellowship Appointments:

1983-84	National Research Service Award, Cardiovascular Epidemiology Trainee, The Johns Hopkins University, Baltimore, MD
---------	---

Military Service: None

Faculty Appointments:

1977-84	Assistant Professor of Nutrition (leave of absence 1983-84 while at Johns Hopkins): Cornell University, Division of Nutritional Sciences, Ithaca, NY
1984-89	Assistant Professor of Epidemiology, Johns Hopkins University School of Hygiene and Public Health, Department of Epidemiology, Baltimore, MD
1984-89	Assistant Professor of International Health, Johns Hopkins University School of Hygiene and Public Health, Department of International Health, Baltimore, MD
1989	Associate Professor of Epidemiology, Johns Hopkins University School of Hygiene and Public Health, Department of Epidemiology, Baltimore, MD
1989	Visiting Scientist (part-time; weekly visits between February and July); Division. Of Health Examination Statistics, National Center for Health Statistics, Hyattsville, MD
1989-92	Associate Professor (tenured) of Nutritional Epidemiology, Pennsylvania State University, Dept. of Nutrition, College of Health and Human Development, University Park, PA

Faculty Appointments:

- 1989-92 Associate Professor (tenured) of Epidemiology, Pennsylvania State University, Center for Biostatistics & Epidemiology, College of Medicine, Hershey, PA
- 1993-94 Visiting Professor of Nutrition (part-time, through recurring visits): Cornell University, Division of Nutritional Sciences, Ithaca, NY
- 1993-96 Professor of Epidemiology (tenured), Pennsylvania State University, Center for Biostatistics & Epidemiology, College of Medicine, Hershey, PA
- 1996-00 Professor, Department of Human Nutrition and Dietetics (tenured), College of Health and Human Development Sciences, University of Illinois at Chicago, Chicago, IL (leave of absence: July 1999-July 2000)
- 1996-00 Professor of Epidemiology, School of Public Health, University of Illinois at Chicago, Chicago, IL (leave of absence: July 1999-July 2000)
- 1996-99 Adjunct Professor of Epidemiology, Department of Health Evaluation Sciences (formerly Center for Biostatistics and Epidemiology), College of Medicine, Pennsylvania State University, Hershey, PA
- 1999- Professor of Epidemiology (tenured), Department of Biostatistics and Epidemiology, University of Pennsylvania School of Medicine, Philadelphia, PA
- 2004-2014 Professor of Epidemiology, Department of Pediatrics, Section on Nutrition (Division of Gastroenterology), Children's Hospital of Philadelphia
- 2007-2008 Yerby Visiting Professor, Harvard School of Public Health, Boston, MA (6 month sabbatical)
- 2014 - Emeritus Professor of Epidemiology, Department of Biostatistics and Epidemiology, University of Pennsylvania Perelman School of Medicine, Philadelphia, PA
- 2015 - Research Professor and Chair, African American Collaborative Obesity Research Network, Department of Community Health and Prevention, Dornsife School of Public Health at Drexel University, Philadelphia, PA

Other Appointments and Affiliations

- 1973-74 Resident Director, Ujamaa Residential College, Dean of Students Office, Cornell University, Ithaca, NY
- 1992-96 Associate Director for Epidemiology, Center for Biostatistics and Epidemiology, Pennsylvania State University, College of Medicine, Hershey, PA
- 1996-99 Head, Department of Human Nutrition and Dietetics, College of Health and Human Development Sciences (formerly named College of Associated Health Professions), University of Illinois at Chicago, Chicago, IL

- 1997- 98 Director of Graduate Studies, Department of Human Nutrition and Dietetics, University of Illinois at Chicago, Chicago, IL
- 1996-99 Chief of Service, University of Illinois Medical Center Nutritional Services, Chicago, IL
- 1999-2014 Associate Dean for Health Promotion and Disease Prevention, University of Pennsylvania School of Medicine, Philadelphia, PA
- 1999-2014 Senior Scholar, Center for Clinical Epidemiology and Biostatistics, University of Pennsylvania School of Medicine, Philadelphia, PA
- 2000-2014 Senior Fellow, Institute on Aging, University of Pennsylvania School of Medicine, Philadelphia, PA
- 2002-2007 Founding Director, Graduate Program in Public Health Studies, University of Pennsylvania
- 2002-2014 Core Faculty, Graduate Program in Public Health Studies
- 2002-2014 Faculty, Robert Wood Johnson Health and Society Scholars Program, University of Pennsylvania School of Medicine, Philadelphia, PA
- 2003- Senior Fellow, Leonard Davis Institute for Health Economics, University of Pennsylvania, Philadelphia, PA
- 2004- Faculty Associate, Institute for Urban Research (Penn IUR), University of Pennsylvania
- 2005-2014 Faculty, Robert Wood Johnson Clinical Scholars Program, University of Pennsylvania School of Medicine
- 2005 Visiting Policy Advisor, Office of Nutrition Policy and Promotion, Health Products and Food Branch, Health Canada, Ottawa (part-time; February-March)
- 2006 Senior Fellow in Residence, Robert Wood Johnson Foundation, Princeton, NJ (part-time; May-July)
- 2007 Visiting Scholar, Calgary Health Region, Calgary, Alberta, Canada (May)
- 2007-2014 Senior Advisor, Center for Public Health Initiatives, University of Pennsylvania
- 2008- 2014 Senior Scholar, Center for Public Health Initiatives, University of Pennsylvania
- 2009-2014 Member, Abramson Cancer Center, University of Pennsylvania
- 2010- Faculty Affiliate, Center for Africana Studies, University of Pennsylvania
- 2016- Faculty Affiliation, Urban Research Collaborative, Drexel University

Research Grant Funding: See pages 52-54

Awards, Honors and Membership in Honorary Societies:

- 1984 Delta Omega, National Public Health Honor Society
- 1994 Mary C. Egan Award, Food and Nutrition Section, American Public Health Association
- 1997 Bolton L. Corson Medal for Nutrition Research, The Franklin Institute
- 1998 Excellence in Dietary Guidance Award, Food and Nutrition Section, American Public Health Association
- 2000 Joseph Stokes Award in Preventive Cardiology, American Society of Preventive Cardiology
- 2000 Honorary Master of Arts Degree, University of Pennsylvania
- 2003 Elected to membership in the American Epidemiological Society
- 2003 Louis B. Russell, Jr. Memorial Award, American Heart Association
- 2003 Elected to membership in the National Academy of Medicine (formerly Institute of Medicine)
- 2003 Falch Lecture, Department of Epidemiology, Faculty of Medicine, University of Bergen, Norway
- 2003 Warren J. Perry Lecture, School of Public Health and Health Professions, State University of New York at Buffalo, NY
- 2005 Dr. Herbert W. Nickens Epidemiology Award, Association of Black Cardiologists, Inc.
- 2005 Inaugural Population Research Prize, American Heart Association
- 2005 Ruth French Lecture, College of Applied Health Sciences, University of Illinois at Chicago
- 2006 Robert F. Allen Symbol of H.O.P.E. Award, American Journal of Health Promotion
- 2006 Dr. John F. Hollister Distinguished Lecture, Northwestern University Feinberg School of Medicine, Chicago, IL
- 2007 Red Dress Award, Woman's Day Magazine
- 2007 Featured Expert, Aetna African American History Calendar, *A Healthy Life Approach: African Americans Addressing Obesity*
- 2008 Salute, Health Power for Minorities website, Black History and Women' History month
- 2008 Grant Taylor Lecture, John P. McGovern, M.D. Center for Health, Humanities and the Human Spirit, University of Texas Medical School at Houston
- 2009 Discovery Lecturer, Vanderbilt University School of Medicine, Nashville, TN
- 2009 Michael & Susan Dell Distinguished Lectureship in Child Health, University of Texas School of Public Health at Austin
- 2010 Public Health Leadership Award, Philadelphia College of Physicians Section on Public Health
- 2011 Wade Hampton Frost Award Lectureship, Epidemiology Section, American Public Health Association
- 2012 Lucille N. Austin Lecture, Columbia School of Social Work, New York, New York
- 2013 Senator Frank R. Lautenberg Annual Lectureship in Public Health, University of Medicine & Dentistry of New Jersey School of Public Health
- 2014 Appointed to lifetime membership in the Johns Hopkins Society of Scholars
- 2014 2015 Robert S. Gordon Lecture Award, National Institutes of Health
- 2015 Honorary Doctorate of Science from the State University of New York Downstate Medical Center
- 2015 Inaugural recipient of The Obesity Society Diversity Leadership Award along with the honor of having the award established as the Shiriki Kumanyika Diversity Leadership Award

Awards, Honors and Membership in Honorary Societies:

- 2015 Elected to Honorary Fellowship in the Royal Society for Public Health, United Kingdom
 2015 Recognized by the Centers for Disease Control and Prevention Office of Minority Health and Health Equity as a "Health Equity Champion"

Major Teaching and Clinical Responsibilities:

- 1977-83 Primary Instructor, Nutritional Sciences 445: Community Nutrition and Health, Division of Nutritional Sciences, Cornell University, Ithaca, NY
- 1977-83 Primary Instructor, Nutritional Sciences 402: Structured Field Learning in Community Nutrition, Division of Nutritional Sciences, Cornell University, Ithaca, NY
- 1978-83 Primary Instructor, Nutritional Sciences 645: Seminar in US Nutrition Services and Programs, Division of Nutritional Sciences, Cornell University, Ithaca, NY
- 1980 Advisor, Master's Thesis of Elizabeth Walker, M.S., "How physicians learn nutrition. A case study of sodium and calorie restriction during pregnancy." Cornell University Division of Nutritional Sciences, Ithaca, NY
- 1980 Advisor, Master's Thesis of Laura M. Gardner, M.N.S., "The effectiveness of low-sodium dietary counseling by a nutritionist in the treatment of essential hypertension," Cornell University Division of Nutritional Sciences, Ithaca, NY
- 1981 Advisor, Dissertation of Richard Mattes, Ph.D., "Salt taste responsiveness and preference among normotensive, pre-hypertensive, and hypertensive adults," Cornell University Division of Nutritional Sciences, Ithaca, NY
- 1981 Advisor, Master's Thesis of Linda Schaefer, M.S., "Sodium-related infant feeding practices," Cornell University Division of Nutritional Sciences, Ithaca, NY
- 1984-85 Laboratory Instructor, Principles of Epidemiology (EPI 1), Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1984-85 Discussion Leader, Problems in the Design of Epidemiologic Studies (EPI 3), Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1984-88 Laboratory Instructor, Epidemiologic Methods (EPI 2a), Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1986-88 Project Advisor, Design Considerations for Case Control Studies (EPI 2c), Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1987-88 Coordinator, Special Studies on Dietary Behavior Approaches in a Primary Prevention Framework, Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD

Major Teaching and Clinical Responsibilities:

- 1987-89 Principal Instructor, Epidemiology 45: Nutrition Issues and Methods in Chronic Disease Epidemiology, Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1988-89 Laboratory Instructor, Principles of Epidemiology (EPI 1), Johns Hopkins University School of Hygiene and Public Health, Baltimore, MD
- 1989-90 Co-instructor, Graduate Nutrition Seminar (Nutr 551), Department of Nutrition, College of Health and Human Development, Pennsylvania State University, University Park, PA
- 1989-90 Principal Instructor for one section (10 students) of Undergraduate Nutrition Seminar Nutr 490, Department of Nutrition, College of Health and Human Development, Pennsylvania State University, University Park, PA
- 1989-91 Principal Instructor for Nutr 597b, Nutritional Epidemiology, Department of Nutrition, College of Health and Human Development, Pennsylvania State University, University Park, PA
- 1990-91 Principal Instructor for Community Nutrition (Nutr 456), Department of Nutrition, College of Health and Human Development, Pennsylvania State University, University Park, PA
- 1990-91 Minority Student Advisor, Health Careers Opportunity Program Department of Nutrition, College of Health and Human Development Sciences, Pennsylvania State University, University Park, PA
- 1991-92 Principal Instructor for Undergraduate Nutrition Seminar Nutr 490, Department of Nutrition, College of Health and Human Development, Pennsylvania State University, University Park, PA
- 1992 Advisor, Master's Thesis of Jeanine A. Smit, M.S., "Patterns of weight gain and weight loss practices in a random sample of black women." Intercollegiate Graduate Program in Nutrition, Pennsylvania State University, University Park, PA
- 1992 Advisor, Dissertation of Lorraine J. Weatherspoon, Ph.D., "The epidemiology of glycemic control in a black and white patient population with non-insulin dependent diabetes mellitus in North Central Florida," Intercollegiate Graduate Program in Nutrition, Pennsylvania State University, University Park, PA
- 1993 Advisor, Dissertation of Petra Lahmann, Ph.D., "The association of attitudes about weight and health with dietary quality of older women," Intercollegiate Graduate Program in Nutrition, Pennsylvania State University, University Park, PA
- 1992-94 Mentor, Sahar Zaghoul, MD, MSc, PhD. Project: Cardiovascular Dietary Education System, Pennsylvania State University, Hershey Medical Center
- 1995 Advisor, Dissertation of Tanya D. Agurs-Collins, Ph.D., "Efficacy of a weight loss and exercise intervention for older African Americans with non-insulin dependent diabetes mellitus," Intercollegiate Graduate Program in Nutrition, Pennsylvania State University, University Park, PA

Major Teaching and Clinical Responsibilities:

- 1995-96 Advisor, Bridging the Gaps Program, Department of Family and Community Medicine, Pennsylvania State University College of Medicine, Hershey, PA
- 1996 Advisor, Medical Student Research Project of Vicki Copeland, MD “Knowledge and Attitudes about Sodium and Weight in Children of Trials of Hypertension Prevention, Phase II Participants,” Pennsylvania State University College of Medicine, Hershey, PA
- 1996 Advisor, Medical Student Research Project of Ala Stanford, M.D., “Variables affecting the diagnosis of type II diabetes in African Americans,” Pennsylvania State University College of Medicine, Hershey, PA
- 1996 Advisor, Medical Student Research Project of Nathalie Narcisse, M.D., “The association of anti-hypertensive medication with blood lipid profiles in African Americans,” Pennsylvania State University College of Medicine, Hershey, PA
- 1997 Co-advisor, Medical Student Research Project of Susan Girois, M.D., “Knowledge and attitudes about the relationship between nutrition and disease: An American-Swiss comparison,” Pennsylvania State University College of Medicine, Hershey, PA
- 1997 Faculty, National Heart, Lung, and Blood Institute Epidemiology Short Course held at Tougaloo College, Tougaloo, MS
- 1997 Principal Instructor, Readings in the Epistemology of Nutrition (HND 596), Department of Human Nutrition and Dietetics, University of Illinois at Chicago, Chicago, IL
- 1997-98 Principal Instructor, Graduate Seminar in Human Nutrition and Dietetics (HND 595), Department of Human Nutrition and Dietetics, University of Illinois at Chicago, Chicago, IL
- 1998-99 Project Mentor, Senior Seminar in Human Nutrition and Dietetics (HND 341), Department of Human Nutrition and Dietetics, University of Illinois, at Chicago, Chicago, IL
- 1998 Principal Instructor, Human Nutrition Research Methods (HND 530); Department of Human Nutrition and Dietetics, University of Illinois at Chicago, Chicago, IL
- 1999 Advisor, Master’s thesis of Marla C. Heller, “A meta-analysis of the association of water hardness with cardiovascular disease mortality,” Department of Human Nutrition and Dietetics, College of Health and Human Development Sciences, University of Illinois at Chicago, Chicago, IL
- 1999 Advisor, Master’s thesis of Kristin Tomey, “Readiness of disabled African Americans in a nutrition program to eat a low-fat diet,” Department of Human Nutrition and Dietetics, College of Health and Human Development Sciences, University of Illinois at Chicago, Chicago, IL
- 2000-01 Primary Mentor, Postdoctoral fellowship for Melicia C. Whitt, Ph.D., “Validation of Physical Activity Questionnaires in African American Women” (Supplement to HL R01 HL065134), University of Pennsylvania School of Medicine, Philadelphia, PA

Major Teaching and Clinical Responsibilities:

- 2001-03 Primary Mentor, K01 award of Melicia C. Whitt, Ph.D., "A Church-based Intervention to Increase Physical Activity" (K01 HL704449-01), University of Pennsylvania School of Medicine, Philadelphia, PA
- 2002-05 Advisor, Master's thesis of Nayyar Iqbal, M.D., M.S.C.E., "Prevalence of Low Bone Mineral Density in Patients Selected for Cardiac Transplantation", Center for Clinical Epidemiology and Biostatistics, University of Pennsylvania School of Medicine, Philadelphia PA
- 2002-05 Co-Mentor to Cheryl Anderson, Ph.D., M.P.H for Nutritional Epidemiology Minority Supplement award under Study of Chronic Renal Insufficiency (U01-DK60990), University of Pennsylvania School of Medicine
- 2002-06 Primary Mentor, Sonya Grier, Ph.D., Robert Wood Johnson Health and Society Scholar, University of Pennsylvania; Project: Targeted Marketing and Ethnic Disparities in Childhood Obesity" (post doctoral)
- 2002- Faculty advisor and thesis advisor, Aluko Hope, M.D., M.S.C.E. candidate, University of Pennsylvania School of Medicine, Philadelphia, PA; Project: Changes in Health Related Quality of Life among African American participants in a Weight Control Program
- 2003-07 Primary Mentor for K 12 award of Virginia W. Chang, M.D, Ph.D., Department of Internal Medicine, University of Pennsylvania School of Medicine, Philadelphia, PA; Project: Social Determinants of Obesity.
- 2005 Primary Instructor, Capstone Seminar, Graduate Program in Public Health Studies, University of Pennsylvania School of Medicine, Philadelphia, PA
- 2005-08 Faculty advisor and thesis advisor, Carol McLaughlin, M.D., M.P.H., M.S.C.E. Candidate, University of Pennsylvania School of Medicine, Philadelphia, PA; Project: Prenatal HIV testing in public health centers
- 2006-07 Co-Mentor, Annice Kim, Ph.D., M.P.H., Robert Wood Johnson Health and Society Scholar, University of Pennsylvania, Philadelphia, PA; Project: Racial Disparities in the Public Discourse" (post doctoral)
- 2006-07 Mentor, Andres Pinto, D.M.D., M.P.H, University of Pennsylvania, Philadelphia, PA; Project: Obesity and Oral Health in Migrant Latino Children"
- 2006-07 Co-Mentor, LaShanda Jones, Ph.D., Postdoctoral Fellow, Center for Weight and Eating Disorders, University of Pennsylvania School of Medicine, Philadelphia, PA

Major Teaching and Clinical Responsibilities:

- 2008-10 Faculty Advisor and Thesis Advisor, Elizabeth Parks Prout, M.D. M.S.C.E, University of Pennsylvania School of Medicine; Project: The Association of Stress in the Primary Caregiver and Pediatric Obesity.
- 2007-09 Dissertation Committee, Hedwig Lee, PhD., Department of Sociology. University of North Carolina at Chapel Hill
- 2007-10 Co-Mentor and F32 Research Sponsor, Joanna Holsten, BSN, RN, MPH, PhD, University of Pennsylvania School of Nursing; Project: The Food Environment and Body Mass Index in Middle School Children
- 2012-14 MPH Capstone Project Mentor, Diana Burnett, MDiv, MPH, University of Pennsylvania Master of Public Health Program; Project: Exploring Nutrition Transition in Salvadoria Bahia, Brazil: Employing Photo Elicitation to Examine Lifestyle, Consumption, and Health.
- 2012- Dissertation Committee, Diana Burnett, MDiv, MPH, PhD Candidate in Anthropology, University of Pennsylvania. Project: A transnational community's efforts to recover and implement indigenous strategies to reduce and prevent non-communicable chronic disease

Membership in Professional Societies, External Service, and Consulting (selected)

National

African American Collaborative Obesity Research Network (AACORN)
(Founder and Chair, 2002-)

American Cancer Society
(Member, Prevention Advisory Group on Nutrition 1992-94)
(Member, Strategic Planning Conference to Develop a National Plan for Nutrition and Cancer Prevention August 1994) (Member, Dietary Guidelines Committee, 1995)
(Member, Task Force on Cancer in the Socioeconomically Disadvantaged, 1995)

AGree – Transforming Food and Agricultural Policy – Meridian Institute, Washington, DC
(Member, Advisory Committee, June 2011 -)

American College of Epidemiology
(Member, Committee on Minority Affairs 1992-1998)
(Elected Fellow, 1996)
(Membership Committee 1997-2002)

American Heart Association
(Member, Council on Epidemiology and Prevention, 1986-)
(Member, Criteria & Methods Committee, Council on Epidemiology & Prevention 1991-94)
(elected Fellow, Council on Epidemiology and Prevention 1992 -)
(Member, Executive Committee, Council on Epidemiology and Prevention 1992-2002)

Membership in Professional Societies, External Service, and Consulting (selected)

National

- (Faculty, Council on Epidemiology and Prevention, 10-day Seminar on Epidemiology and Prevention of Cardiovascular Diseases, American Heart Association, Tahoe City, CA, 1994-2009)
- (Member, Task Force on Women's Issues in Cardiovascular Disease Epidemiology and Prevention, Council on Epidemiology and Prevention 1994-96)
- (Member, Membership and Credentials Committee 1994-96)
- (Chair, Membership and Credentials Committee, Council on Epidemiology and Prevention 1995-96)
- (Vice-Chair, Council on Epidemiology and Prevention 1996-98)
- (Member, International Programs Committee 1997-98)
- (Member, Task Force on Council Governance 1998-99)
- (Chair, Council on Epidemiology and Prevention 1998-2000)
- (Member, Committee on Scientific Councils, 1998-2000)
- (Member, Midwest Affiliate, Primary and Secondary Prevention Task Force, 1999)
- (Chair, Nominating Committee, Council on Epidemiology and Prevention, 2000-2002)
- (Member, Strategic Leadership Group, 2000)
- (Member-at-large, National Board of Directors, 2000-2002)
- (Member, Corporate Relations Review Committee, 2000-2002)
- (Member, Scientific Advisory and Coordinating Committee, 2000-2002)
- (Chair, Women and Minorities Task Force, Scientific Advisory and Coordinating Committee, 2000-2001)
- (Member, Council on Nutrition, Physical Activity, & Metabolism, 2000-)
- (Fellow, American Heart Association, 2001-)
- (Fellow, Council on Nutrition, Physical Activity, & Metabolism, 2003-)
- (Vice-Chair, Expert Panel on Population & Prevention Science, 2003-2005)
- (Chair, Expert Panel on Population & Prevention Science, 2005-2006)
- (Member, Strategically Focused Research Network Expert Panel (RNEP), 2013-)
- (Member, Oversight Committee, Disparities Strategically Focused Research Network, 2015 -)
- (Member, 2030 Goal Setting Task Force, 2017 -)

American Institute for Cancer Research/World Cancer Research Fund International (WCRF)

- (Member, Grant Review Panel I, 1987-94)
- (Member, Expert Panel on Diet, Nutrition, and Cancer Prevention, 2002-2009)
- (Member, WCRF Nutrition Policy Advisory Group, 2014 -)

Membership in Professional Societies, External Service, and Consulting (selected)

National

American Public Health Association

- (Member, 1976-)
- (Chair, Affirmative Action Committee, Food and Nutrition Section 1979)
- (Member, Action Board 1980-82)
- (Member, Joint Policy Committee 1981-82)
- (Member, Equal Health Opportunity Committee 1983-88)
- (Acting Chair, Equal Health Opportunity Committee 1986-87)
- (Member, Joint Policy Committee 1988-91)
- (Chair-elect, Food and Nutrition Section 1990-91)
- (Chair, Reference Committee, Joint Policy Committee 1991)
- (Chair, Ad hoc Committee on Late-Breaking Resolutions 1991)
- (Member, Publications Board 1991-97)
- (Secretary, Intersectional Council 1991-93)
- (Chair, Food and Nutrition Section 1991-93)
- (Immediate Past Chair, Food and Nutrition Section 1993-95)
- (Member, Science Board 1998-2002)
- (Elected, Member, Executive Board 2004-2008)
- (Elected, Vice-Chair, Executive Board 2005-2007)
- (Member, Student Assembly Advisory Committee, 2005-2008)
- (Elected, Chair, Executive Board, 2007-08)
- (Elected, Vice President, North America, 2010)
- (Elected, APHA President-elect (2014); President (2015); Immediate Past President (2016) and Executive Board Member) (2013-2016)

American Society for Clinical Nutrition

- (Member, 1990-)
- (Member, Publications Management Committee 1997-2000)

American Society for Nutrition

- (Member, 1990-)
- (Member, Public Policy Committee, 2001-2005)
- (Member, Obesity Working Group (2011-2012)

Association of Black Cardiologists

- (Member, 1985-)
- (Chair, Nutrition Committee, 1997-1999)
- (Member, Preventive Cardiology and Nutrition Committee, 2002-2004)

Black Women's Health Imperative (formerly the National Black Women's Health Project)

- (Member, Research Committee 1991-97)
- (Chair, Research Committee 1994)
- (Member, Board of Directors 1994-99)
- (Member, Program Committee 1997-99)

Membership in Professional Societies, External Service, and Consulting (selected)

National

Boston University School of Medicine, Slone Epidemiology Unit

(Member, Advisory Committee, Black Women's Health Study, Boston, MA, 1994 -)

Centers for Disease Control and Prevention, Atlanta, GA

(Consultant, Project DIRECT, Division of Diabetes Translation, 1993)

(Consultant, Nutrition and Physical Activity Campaign (NuPAC), 1994)

(Member, Consultation Team, Diabetes Chapter, Guide to Community Preventive Services, 1999-2001)

(Member, Consultation Team, Systematic Reviews of Nutrition Interventions, Guide to Community Preventive Services, 2002-2003)

(Member, Expert Panel to Explore a Multidisciplinary Approach to Overweight and Obesity in the United States, 2004)

(Chair, CDC Special Emphasis Panel DP07-002(8): Nutrition, June 2007)

(Member, Advancing the Movement Advisory Council, 2011-2012)

(Member, Task Force on Community Preventive Services, 2013-)

Johns Hopkins School of Public Health and School of Medicine, Baltimore, MD

(Consultant, Women's Health and Aging Study 1991-95)

(Consultant, Dietary Approaches to Stop Hypertension (DASH), 1993-94)

(Consultant, Global Obesity Prevention Center, 2014-)

Kaiser Permanente-Oakland, CA

(Member, National Evaluation Advisory Committee for Kaiser Permanente Community Health Initiative, November 2010 - 2012)

Kaiser Permanente Center for Health Research, Portland, Oregon

(Consultant, PREMIER Study, 1998- 2003)

(Consultant, Weight Loss Maintenance Study, 2003-2008)

Monell Chemical Senses Center, Philadelphia

(Member, International Advisory Council, 2003-2009)

Membership in Professional Societies, External Service, and Consulting (selected)

National

National Academy of Sciences/National Academy of Medicine, Health and Medicine Division
(formerly Institute of Medicine)

- (Member, Review Committee, Report on Dietary Guidelines Implementation, 1989-90)
- (Member, Food and Nutrition Board, Planning Meeting on Nutrient Requirements in Older Americans, 1991)
- (Member, Committee on Legal and Ethical Issues Relating to the Inclusion of Women in Clinical Studies, 1993)
- (Member, Committee to Develop Criteria for Evaluating the Outcomes of Approaches to Prevent and Treat Obesity, 1993-94)
- (Member, Committee on Understanding the Biology of Sex and Gender Differences, 2000-2001)
- (Member, Food and Nutrition Board, 2000-2005)
- (Member, Committee on Prevention of Obesity in Children and Youth, 2003-2004)
- (Member, National Academy of Medicine (formerly Institute of Medicine, 2003-)
- (Liaison/Consultant, Committee on Progress in Preventing Childhood Obesity, 2005-2006)
- (Member, Planning Committee, Population Health and Health Disparities Interest Group, 2008-2011)
- (Member, Standing Committee on Childhood Obesity Prevention, 2008-; Chair, 2009-2013)
- (Chair, Committee on an Evidence Framework for Obesity Prevention Decision Making, 2008-2010)
- (Member, Committee on Accelerating Progress in Obesity Prevention, 2010-2012)
- (National Associate of the National Research Council, 2011-)
- (Member, Roundtable on Obesity Solutions, 2013 -)
- (Member, Steering Committee, Vital Directions Initiative, 2015 -)
- (Chair, Committee on Development of Guiding Principles for the Inclusion of Chronic Disease Endpoints in Future Dietary Reference Intakes, 2016-

National Association of City and County Health Officials (NACCHO), Washington, DC
(Member, Environmental Health in all Policies Advisory Council, 2012-2014)

NIH Center for Scientific Review (formerly Division of Research Grants)

- (Member, Reviewers Reserve 1988-)
- (Member, Behavioral Medicine Study Section (BEM), 1984-88)
- (Member, Epidemiology and Disease Control Study Section (subcommittee 2), (EDC2), 1990-94)
- (Member, Clinical Research Study Group, 1994)
- (Temporary Member, Kidney, Nutrition, Obesity and Diabetes Study Section [KNOD]. October 2010)

Membership in Professional Societies, External Service, and Consulting (selected)

National

NIH, National Heart, Lung, and Blood Institute, NIH

(Ad hoc reviewer, Division of Extramural Affairs, 1983-1996)

(Member, Subcommittee on Special Populations and Management Situations, Fifth Joint National Committee on the Detection and Treatment of High Blood Pressure (JNC-V), 1991-92)

(Co-Chair, 4th National Forum on Cardiovascular Health, Pulmonary Disorders, and Blood Resources: "Minority Health Issues for an Emerging Majority," Washington, DC, June 1992)

(Member, Task Force on Epidemiology & Prevention of Cardiovascular Diseases 1992-93)

(Member, Search Committee for the Director of the Office of Prevention, Education, and Control March-April 1993)

(Member, Expert Panel on the Identification, Evaluation, and Treatment of Obesity in Adults at High Risk for Cardiovascular Disease 1995-98)

(Chair, Subcommittee on Special Populations and Situations, Expert Panel on the Identification, Evaluation, and Treatment of Obesity in Adults at High Risk for Cardiovascular Disease 1995-1998)

(Member, U.S. Delegation to the first U.S.-South African Workshop on Hypertension in Blacks, Capetown, South Africa December 1996)

(Member, National Heart, Lung, and Blood Advisory Council 1996-2000)

(Chair, Jackson Heart Study Monitoring Board 1998-2014)

(Member, *ad hoc* Committee to Evaluate the Division of Epidemiology and Clinical Applications, 2000)

(Member, Hypertension and Vascular Diseases Workgroup, Level 1 Strategic Planning Group, 2006)

(Chair, Special Emphasis Panel/Scientific Review Group 2007/01 ZHL1 PPG-Z, National Heart Lung, and Blood Institute, October 2006)

(Member, NHLBI R18 Special Emphasis Panel/Scientific Review Group 2007/01 ZHL1 CSR-C (F1), December 2006)

(Chair, NHLBI R25 Review Panel for Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) (R25) (ZHL1 CSR-X(SI) and Coordination Core for Programs to Increase Diversity Among Individuals Engaged in Health-Related Research (PRIDE) (ZHL1 CSR-X(S2)

(Chair, Observational Study Monitoring Board, Healthy Communities Study (2011-present)

NIH, National Institute of Diabetes and Digestive, and Kidney Diseases, NIH

(Member, Advisory Committee, Weight Control Information Network (WIN) 1994-1999)

(Member, National Task Force on the Prevention and Treatment of Obesity; [renamed Clinical Obesity Research Panel in 2003] 2001-2009)

NIH, National Institute on Minority Health and Health Disparities

(Ad hoc Review Panels, R13 Applications, 2010 -)

(Participant, Health Disparities Interventions Panel, Science Vision for Health Disparities Research, 2016)

Membership in Professional Societies, External Service, and Consulting (selected)

National

NIH, Office of Behavioral and Social Sciences Research, Office of the Director,
 (Participant, Focus Group on Definition of Behavioral and Social Science Research
 December 1995)
 (Strategic Planning Advisory Group, 2016)

NIH, Office of the Director
 (Member, Concept Review Panel, Women's Health Initiative March 1992)
 (Member, Ad hoc Bionutrition Group May 1993)
 (Reviewer, Pioneer Award Program Pre-Applications, NIH Director's Office, 2009; 2010)
 (Working Group of the Advisory Committee to the NIH Director on the Precision
 Medicine Initiative, 2015)

NIH, Office of Research on Women's Health, Office of the Director
 (Member, Task Force on Opportunities for Research on Women's Health 1991)
 (Member, Task Force on Women in Biomedical Careers 1992)
 (Co-Chair, Task Force on the Recruitment and Retention of Women in Clinical Studies
 1993)
 (Member, Women's Health Initiative Program Advisory Committee 1993-95)
 (Chair, Subcommittee on Recruitment and Retention, Women's Health Initiative Program
 Advisory Committee 1993-95)
 (Member, Special Ad Hoc Working Group for the Women's Health Initiative (1996-2006)

The Obesity Society
 (formerly the North American Association for the Study of Obesity)
 (Member, 1989- ; Fellow, 2010-)
 (Member, Committee on Diversity Promotion, 2007- ; Chair 2008 -)
 (Member, Diversity Section, 2007- ; Chair, 2008-2010)
 (Member, Nominating Committee, 2010-2013)

Robert Wood Johnson Foundation
 (Consultant (ad hoc), Childhood Obesity Team, 2004-)
 (Judge, National Finals, Young Epidemiology Scholars Competition, 2004-2007; 2010;
 2011)
 (Chair, Senior Program Advisors, Healthy Eating Research Program, 2005-)
 (Chair, 10th Anniversary Celebration of the New Connections Program)

Society for Behavioral Medicine
 (Member, 2014-)
 (Member, Nominating Committee, 2014)

Society for Public Health Education (SOPHE)
 (Member, 2007-)

U.S. Department of Health and Human Services

- (Consultant, Secretary's Task Force on Black and Minority Health, 1984-85)
- (Member, Cardiovascular Disease and Stroke Technical Review Committee for Strategic Plan for Minority Health, Office of Minority Health 1990)
- (Member, National Nutrition Monitoring Advisory Council (also a USDA council) (White House Appointee) 1991-1999)
- (Chair, National Nutrition Monitoring Advisory Council (also a USDA council) (White House Appointee) 1993-1999)
- (Participant, Healthy People 2000 Progress Review: Nutrition 1994)
- (Member, Dietary Guidelines Advisory Committee (also a USDA committee) 1994-95)
- (Member, Commission on Dietary Supplement Labels (White House appointee) 1995-1997)
- (Member, Expert Panel on the Integrated CSFII-NHANES National Food and Nutrition Survey, 1998-99 (also a USDA committee)
- (Consultant, Physical Activity Guidelines Advisory Committee, 2007-2008)
- (Vice-Chair, Secretary's Advisory Committee on Healthy People 2020 Objectives, 2008-2011)

U.S. Department of Agriculture, Agricultural Research Service

- (Member, Selection Committee, W.O. Atwater Memorial Awards Lecture, 1996-98)
- (Member, Year 2000 Dietary Guidelines Advisory Committee (also a DHHS committee, 1998-2000)
- (Member, Expert Panel on the Integrated CSFII-NHANES National Food and Nutrition Survey, 1998-99 (also a DHHS committee)
- (Ad hoc grant review, December 2006)

University of Michigan

- (Member, Network for Inequality, Complexity, and Health (NICH), 2010 - 2014)

Weight Watchers International, Jericho, NY

- (Member, Scientific Advisory Board, 1994-2008)

Washington University in St. Louis

- (Consultant, Mentored Training for Dissemination and Implementation Research in Cancer, 4R25CA171994-04)

International

Access to Nutrition Index Foundation

- (Chair, Expert Group 2013- present)

Bill and Melinda Gates Foundation, Global Alliance for Improved Nutrition (GAIN)

- (Chair, Expert Group, Access to Nutrition Index Project, 2011-2013)

- (Member, Independent Advisory Panel, 2011-2013)

Food and Agricultural Organization (United Nations), Rome, Italy

- (Member, High-level Panel to Review the Economic and Social Department, 2005)

International

Health Canada, Office of Nutrition Policy and Promotion
(Consultant (ad hoc), 2005-2009)

International Society on Hypertension in Blacks
(Member, 1984-2010)
(Board of Trustees, 2001-2004)
(Abstract Grader, Annual Scientific Program, 2006)

The Lancet
(Member, The Lancet Obesity Commission, 2016- present)

Qatar Foundation and Imperial College, London
(Chair, Obesity Forum, World Innovation Summit for Health, 2013)

University of Otago, Dunedin, New Zealand
(Advisor, New Zealand National Science Challenge: Healthier Lives, 2015-

World Health Organization (United Nations), Geneva, Switzerland
(Member, Expert Committee on Physical Status, Subcommittee on Adults, 1992-93)
(Participant, WHO Consultation on Social and Behavioral Factors in Obesity. Tokyo, Japan, December 1998)
(Vice Chair, WHO Expert Consultation on Diet, Nutrition and the Prevention of Chronic Diseases, 2002-2003)
(Chair, Expert Consultation on Appropriate Body Mass Index for Asian Populations and its Implications for Policy and Intervention Strategies, 2002-2003)
(Co-Chair, WHO Expert Consultation on Childhood Obesity, Kobe, Japan, 2005)
(Chair, WHO Expert Consultation on Waist Circumference and Waist-Hip Ratio, Geneva, Switzerland, 2008)
(Member, Expert Reference Group for NCD Surveillance, 2009-2011)
(Member, Nutrition Guidance Expert Advisory Group, (NUGAG) 2010- ; Chair Diet and Health Subgroup Meetings 2010- present)
(Member, Expert Advisory Panel on Nutrition, 2012 -)
(Co-Chair, Working Group on Science and Evidence to advise the Commission on Ending Childhood Obesity, 2014 - 2016)
(Consultant, Committee to Update Appendix 3 of the NCD Global Action Plan for 2013-2020

World Obesity Federation (Formerly International Association for the Study of Obesity (IASO)),
(Chair, International Obesity Task Force (IOTF) Working Group on Public Health Approaches to Obesity Prevention, 1997-2001)
(Member IOTF, Steering Committee, 1997-)
(Member, IOTF Prevention Reference Group, 2001-2009; Chair, 2002-2009)
(Chair, IASO Publications Committee, 2003-2007)
(Co-chair, Policy & Prevention Section (formerly International Obesity Task Force, 2009-)
Member, Board of Trustees (2016 -)

World Public Health Nutrition Association
(Member, 2010-)

Local

City of Philadelphia

(Member, Food Policy Advisory Council, 2011- 2014)

The Food Trust, Philadelphia PA

(Member, Board of Directors, 2005-)

Harvard University School of Public Health, Boston, MA

(Member, Advisory Committee, Training Program for Minority Students in Biostatistics and Epidemiology: "Quantitative Sciences for Community-Based Research," 1998-2014)

(Member, Scientific Advisory Board of the Harvard Cancer Prevention Program Project: Cancer Control in Multiethnic, Working Class Populations, 1999-2003)

Health Promotion Council of South Eastern Pennsylvania

(Member, Board of Directors, 2000-2006)

Philadelphia Department of Health

(Member, Advisory Committee, Philadelphia's Plan for Universal Health Care, 2004-2005)

Philadelphia Urban Food and Fitness Initiative (PUFFA)

(Policy Consultant, 2008-2010)

Editorial Positions: (Ad hoc review activities not included)

1992-94	Member, Advisory Board, Journal of Women's Health
1990-96	Member, Editorial Board, Ethnicity and Disease
1994-99	Member, Editorial Board, Ethics & Behavior
1994-2000	Member, Advisory Board, Women's Health Advocate Newsletter
1995-2002	Member, Editorial Board, Ethnicity & Health
1996-1999	Member, Editorial Advisory Board, Women's Health Alliance, New York, NY
1998-2007	Member, Editorial Board, Ethnicity and Disease
1999-2004	Member, Editorial Board, Journal of Nutrition Education and Behavior
1999-2001	Guest Editor, Annual Review of Public Health
2001-2003	Associate Editor, Encyclopedia of Health and Behavior
2002-2013	Member, Editorial Board, Preventing Chronic Disease: Public Health Research, Practice, and Policy
2005-2012	Member, Editorial Board, Preventive Medicine; Guest Editor, Forum on Culture. November 2012
2006-2009	Guest Editor, Supplement to American Journal of Health Promotion
2006; 2008	Member, Editorial Committees, Epidemiologic Reviews
2010	Guest Editor, Supplement to the American Journal of Preventive Medicine
2010	Publishing and editorial board, World Nutrition (on line journal of the World Public Health Nutrition Association)
2011-	Editorial Board, Annual Review of Public Health
2012 -	Editorial Board, Health Education and Behavior
2013-2014	Guest Editor, Special Issue of Obesity Reviews

Lectures by Invitation (*past 2 years*):

- January 2015 "Public health approaches to addressing the obesity epidemic in low and middle income countries", Institute for the Advancement of Multicultural and Minority Medicine, 3rd Annual Martin Luther King, Jr. Global Health Equity Summit, Washington, DC
- February 2015 "Public health in the sustainable development agenda: Professional association perspectives", 14th World Congress on Public Health, Kolkata, India
- February 2015 "Obesity and Diabetes: How do we tackle the 'junk food' problem – Policy Briefing, 2015 World Innovation Summit on Health, Doha, Qatar"
- April 2015 "Thinking Forward about Leadership in Public Health," Annual meeting of the Alabama Public Health Association. Montgomery, AL
- April 2015 "Achieving the Social Movement," National Public Health Week Closing Keynote, Virginia Commonwealth University, Richmond Virginia
- April 2015 "Seeking Equity in Solutions to Obesity: Spinning the Wheels of Race, Ethnicity, and Social Class," Alan Berkman Memorial Lecture. Department of Epidemiology, Columbia University School of Public Health, New York, NY
- April 2015 "Thirty years of the Obesity Epidemic and Counting: Reflections on Lessons Learned at Home and Around the World," University of Washington, Seattle, WA
- May 2015 "A Public Health Perspective on Private Sector Engagement," Ohio 2015 Public Health Combined Conference, Columbus, OH
- May 2015 "Trends in Obesity Prevalence and Next Steps for Public Health Policy, Practice and Research," Wisconsin Public Health Association 2015 Annual Conference` Wisconsin Dells, WI
- June 2015 "Pathways to Health for Immigrants to the United States," City University of New York Forum on Immigration and Health. New York, NY
- August 2015 "Working Together We Can Do Better," Annual Meeting of the Florida Public Health Association, Orlando FL
- September 2015 "Becoming the Healthiest Nation", Annual Meeting of the Tennessee Public Health Association, Nashville, TN
- September 2015 "Obesity, Global Health, and the Future We Want," Symposium on Global Health, Grinnell College, Grinnell, Iowa
- September 2015 "Making America the Healthiest Nation by 2030 - What Will it Take?" Keynote Address, Annual Meeting of the North Carolina Public Health Association, Winston-Salem, NC

Lectures by Invitation (*past 2 years*):

- October 2015 “Working Across Sectors to Become the Healthiest Nation”, Annual Meeting of the New Jersey Public Health Association, New Brunswick, NJ
- January 2016 “Co-Creating People-Oriented Solutions through Partnerships between Planning and Public Health, “ Annual Meeting of the New Jersey Chapter of the American Planning Association, New Brunswick, NJ
- March 2016 “Childhood Obesity Disparities. Prevalence, Trends, Solutions”. Annual Meeting of the Society for Behavioral Medicine, Washington,DC
- May 2016 Kumanyika S. Using a Community-Centered View of Influences on Eating, Activity, and Body Weight, Health Equity Research and Practice Webinar, American Public Health Association and Tulane Center of Excellence in Maternal and Child Health. Available at: <https://www.apha.org/events-and-meetings/apha-calendar/webinar-events/2016/health-equity-and-obesity>
- June 2016 “Making Good on the Promise”, 10th Anniversary Celebration of *New Connections*, Robert Wood Johnson Foundation, Princeton, NJ
- September 2016 “Ending Racism: Agendas From and For Science”, Panelist, 2nd Annual Interdisciplinary Population Health Research Conference, State College, PA
- September 2016 “Potential for Environmental and Policy Change Interventions to Address Inequalities in Obesity Prevalence,” World Public Health Nutrition Congress, Capetown and Department of Food and Nutrition Consumer Sciences, Durban University of Technology, South Africa
- September 2016 “Addressing Health Equity through Legal Structures,” 2016 Public Health Law Conference, Washington, DC
- October 2016 “Getting to Equity in Obesity Prevention Where are we now? Where do we need to go?”, Panelist, Annual Meeting of the National Academy of Medicine, Washington, DC.
- November 2016 “Getting Serious about Equity in Obesity Solutions”, Session on Reframing Health Equity. New Opportunities for Research and Action, Annual Meeting of the American Public Health Association, Denver, CO
- January 2017 “Obesity, Cancer, and Health Equity. The Promise of Public Health Solutions”, Cancer Prevention and Control Colloquia Lecture Series, National Cancer Institute, National Institutes of Health, Bethesda, MD
- January 2017 “Global perspective on Obesity-Related Health Disparities in the United States,”, Boston University School of Public Health Forum, Boston, MA

Major External Research Funding as Principal Investigator			
Name of Grant	Period of Award(s)	Sponsor	Total Costs
Modeling D&I to scale up obesity and diabetes prevention in black communities– Pilot and Feasibility Study from Washington University Center For Diabetes Translation Research (Center contact PI – D. Haire-Joshu) (2P30DK092950-06)	03/01/2017 – 2/28/2018	National Institute for Diabetes and Digestive and Kidney Diseases, NIH	\$20,000
Interdiscipllnary and Cross-sectoral Approaches to Advancing Black Community Health (1R13MD010571-01A1)	08/04/2016 – 07/31/2017	National Institute for Minority Health and Health Disparities	\$49,967
Solutions to Diabetes in Black Americans Core – subcontract under Washington University Center For Diabetes Translation Research (Center contact PI – D. Haire-Joshu) (2P30DK092950-06)	08/02/2016 – 7/31/2021	National Institute for Diabetes and Digestive and Kidney Diseases, NIH	\$652,500
Exploring the impact potential of an interorganizational network partnership to build a Culture of Health in the black community (ID# 73584)	06/01/2016 – 11/30/2017	Robert Wood Johnson Foundation	\$650,000
Providing direct assistance and demonstrations to maximize stakeholders' use of the Environments Supporting Healthy Eating Index tool (ID# 73434)	03/01/2016 – 02/28/2018	Robert Wood Johnson Foundation	\$50,000
African American Collaborative Obesity Research Network (ID# 53856, ID# 58746, ID# 61202; ID# 70014, ID# 70889; ID# 71958)	10/01/05 – 08/31/15	Robert Wood Johnson Foundation	\$5,647,251
Modeling Effective Obesity Treatment to Reduce Disparities through Primary Care (UPENN_2005NF)	06/01/06-05/31/10	Commonwealth of Pennsylvania Universal Research Enhancement Program	\$2,186,900
Understanding Success Factors for African Americans in Weight Loss Programs (R21 DK 089422)	07/15/10 – 06/30/12	National Institute for Diabetes and Digestive and Kidney Diseases, NIH	\$400,000
Food Prices and Obesity in Black Women (Grant # 4310168)	03/01/11 - 08/31/12	Aetna Foundation	\$250,000
An EXPORT Center of Excellence for Inner City Health (1 P60 MD000209-01)	09/30/02-07/31/09	National Center for Minority Health and Health Disparities, NIH	\$6,986,131
Weight Management Skills in African American Outpatients (R01-HL069400-01A1)	08/10/02-06/30/06	National Heart, Lung, and Blood, Institute, NIH	\$3,102,881
Evaluation of NBWHP Walking for Wellness Demonstration Project (ID #040357)	01/15/03-01/14/06	Robert Wood Johnson Foundation	\$300,000
Weight Control for Black Women's Cardiovascular Health (R01-HL65134)	04/01/00-08/31/02	National Heart, Lung, and Blood, Institute, NIH	\$612,820

Effective Approaches to Weight Management in African American Men and Women (# 9970068N)	07/01/99-12/31/01	American Heart Association, National Center	\$494,525
Defining Diet-Related Breast Cancer Risks in Black Women (R03 CA 70608)	09/30/95-09/29/98	National Cancer Institute, NIH	\$100,000
Cardiovascular Disease Diet Education (R01 HL46778)	08/1/91-05/31/96	National Heart, Lung, and Blood, Institute, NIH	\$2,527,428
Correlates and Predictors of Diet Patterns after Age 60 (K01 AG00391)	09/1/87-08/31/91	National Institute on Aging, NIH	\$180,000
Total			\$23,537,936

Participation in Externally Funded Research Projects as Co-Principal Investigator or Co-Investigator (Selected)

Name of Grant	Dates of Participation	Sponsor	Principal Investigator
Applications of Systems Approaches to Health Disparity & Population Health (HHSN27600800013C)	09/29/10 – 09/28/12	Office of Behavioral and Social Science Research, NIH	G. Kaplan, University of Michigan
John Hopkins Center on Systems-Oriented Pediatric Obesity Research and Training (U54-HD070725)	09/22/11 – 06/30/16	Eunice Kennedy Shriver National Institute for Child Health and Human	Y. Wang; B Cabellero; B. Lee, Johns Hopkins University
Causes and Interventions for Childhood Obesity: Innovative Systems Analysis (R01-HD064685)	11/01/11-06/30/14	Eunice Kennedy Shriver National Institute for Child Health and Human Development, NIH	Y. Wang, Johns Hopkins University
West Philadelphia Consortium to Address Disparities- Phase II (R24-MD002594)	09/30/05–02/28/13	National Center for Minority Health and Health Disparities, NIH	C. Hughes-Halbert, University of Pennsylvania
Weight Gain in African American Breast Cancer Survivors (R21-CA-098107)	09/24/04-08/31/06	National Cancer Institute, NIH	C. Hughes-Halbert, University of Pennsylvania
Longitudinal Analysis for Diverse Population (R01-CA096885)	07/01/04-03/30/07	National Cancer Institute, NIH	J. Shults, University of Pennsylvania
Collaboration to Reduce Disparities in Hypertension (CHORD) (ME-02-382)	03/01/03-02/28/07	Commonwealth of PA Universal Research Enhancement Program	S. Kimmel, University of Pennsylvania
School-Based Obesity Prevention Program (R06-CCR321534-01)	09/30/02-09/29/05	Centers for Disease Control and Prevention	G. Foster, University of Pennsylvania

Participation in Externally Funded Research Projects as Co-Principal Investigator or Co-Investigator (Selected)			
Name of Grant	Dates of Participation	Sponsor	Principal Investigator
Decreasing Weight Gain in African American Preadolescent Girls (U01-HL626620) – the Girls health Enrichment Multisite Studies (GEMS)	08/01/99-11/30/06	National Heart, Lung, and Blood, Institute, NIH	R. Klesges, University of Memphis
Look AHEAD: Action for Health in Diabetes (U01-DK057135)	09/30/99-07/31/13	National Institute for Diabetes and Digestive and Kidney Diseases, NIH	T. Wadden, University of Pennsylvania
Weight Control to Prevent Cancer in African Americans (R01 CA 74484) (“SisterTalk”)	06/01/97–03/31/02	National Cancer Institute, NIH	T. Lasater, Memorial Hospital of Rhode Island
