

CURRICULUM VITAE

NAME: John Armand Rich, MD, MPH
Work Address: 1505 Race Street, Philadelphia, PA 19151
Home Address: 6375 Church Road, Philadelphia, PA 19151

EDUCATION AND TRAINING:

Undergraduate:

1976 – 80 **Dartmouth College**, Hanover, NH
Degree: B.A., English Literature

Graduate:

1980 – 84 **Duke Medical School**, Durham, NC
Degree: M.D.

1987 – 90 **Harvard School of Public Health**, Boston, MA
Degree: M.P.H.

Post-Graduate:

1984 – 87 **Massachusetts General Hospital**, Boston, MA
Internship and Residency - Internal Medicine, Primary Care
Track, Dr. John Potts, Chairman.

1987 – 98 **Harvard Medical School**, Boston, MA
Fellowship-Faculty Development in General Internal
Medicine, Dr. Thomas Delbanco, Director.

EMPLOYMENT:

7/05 – Present Professor, Health Management and Policy
Drexel University School of Public Health
7/05 – Present Professor, Department of Emergency Medicine
Drexel University College of Medicine (Secondary
appointment.)
10/07 – Present Director, Center for Nonviolence and Social Justice
Drexel University School of Public Health
7/13 – 2/14 Interim Dean, Drexel University School of Public Health
7/05 – 2/14 Chair, Department of Health Management and Policy
Drexel University School of Public Health
7/98 – 6/05 Medical Director, Boston Public Health Commission

6/97 – 6/05	Associate Professor of Public Health Boston University School of Public Health
1/97 – 6/05	Associate Professor of Medicine, Boston University School of Medicine
7/1/03 – 6/30/04	Visiting Scholar, Department of Medicine University of Pennsylvania, Philadelphia, PA
2/93 – 6/05	Director, Young Men’s Health Clinic, Boston Medical Center
8/89 – 1/97	Assistant Professor of Medicine, Boston University School of Medicine

ACCOMPLISHMENTS

Academic Public Health

7/13 – 1/14 Interim Dean, Drexel School of Public Health

- Directed the transition from the previous Dean (Dr. Marla Gold) to incoming Dean (Dr. Ana Diez Roux).
- Successfully led relocation of School of Public Health from Center City Campus to newly renovated building on University Campus.
- Successfully oversaw development of preliminary draft of accreditation self study for submission to Council on Education in Public Health (CEPH).
- Led the cultivation of philanthropic gifts to School of Public Health
- Participated in University level leadership meetings with University President and Provost.

**7/05 – Present Professor and Chair, Health Management and Policy, Drexel
University School of Public Health
Founder and Director, Center for Nonviolence and Social Justice**

- Named 2006 MacArthur Foundation Fellow
- Grew department from three full time equivalent faculty in 2005 to twelve full time equivalent faculty, 5 full-time staff
- Managed budget of almost \$2 million
- Developed and oversaw teaching and research program for MPH students
- Implemented new doctoral degree program in Health Policy and Social Justice
- As Director of Center for Nonviolence and Social Justice, directs program, policy, research and training initiatives around trauma and violence.
- Received 5-year, \$750,000 grant from Scattergood Behavioral Health Foundation to create the Center.

Government Service – Public Health

6/98 –6/05 Medical Director, Boston Public Health Commission

- Physician member of the three-person executive team consisting of Executive Director, Medical Director and Deputy Director.
- Managed a budget of over \$120 million and a staff of 1200 employees.
- Responsible for overseeing the clinical programs, analyzing key public health data, and implementing quality improvement programs at the Commission.

Public Health Leadership Accomplishments

- Oversaw Boston's efforts to reduce racial at the disparities in health, including:
 - coordinating the task force chaired by the Mayor,
 - development of a disparities data report,
 - development and implementation of Mayors Task Force recommendations,
 - implementation of the Hospital Working Group Recommendations
 - conceptualize and issue Request for Proposals funded with \$1 million dollars raised from public and private entities
- Directed major health campaigns including Mayors Crusade Against Cancer and Cardiovascular Health Campaign including:
 - conceptualizing, designing and distributing cancer information brochure to every household in Boston.
 - creation of a cardiovascular health program at BPHC
 - funding of community-based screening and educational initiatives
- Directed the implementation of Boston's workplace smoking ban including promulgating regulation, public hearing process, public education and enforcement.
- Developed Men's Health Initiative at the BPHC. The initiative consists of:
 - training program for young men of color to allow them to enter health professions
 - case management and outreach programs for incarcerated men and victims of violence
 - coalition building campaign.
- Successfully applied for and received
 - CDC REACH 2010 grant to decrease racial disparities among African-American elders in Boston.
 - CDC Steps to a Healthy Boston grant to address obesity, smoking, and asthma in Boston.
 - SAMHSA funding to address the substance abuse needs of incarcerated African-American men.
- Authored key health reports:
 - Crusade Against Cancer Report, Boston Public Health Commission, 1998.
 - Elder Health Report, Boston Public Health Commission, 1999.
 - Cardiovascular Health Report, Boston Public Health Commission, 2000.
 - Young Men's Health Report, Boston Public Health Commission, 2001.

- Report of the Mayor’s Task Force to Eliminate Racial and Ethnic Disparities in Health, Boston Public Health Commission, 2005.
- Report of the Hospital Working Group on Racial and Ethnic Disparities in Health, Boston Public Health Commission, 2005.
- Racial and Ethnic Health Disparities in Boston: A Data Report, Boston Public Health Commission, 2005.
- Convened key city agencies to address violence and trauma response in Boston. Developed trauma-informed educational materials for victims and their families.
- Lead implementation of environmental justice regulation to decrease waste disposal facilities Roxbury and Dorchester (communities of color disproportionately affected by such facilities.)
- Invited member of South Africa Task Force Delegation of the Massachusetts Department of Public Health to Eastern Cape Province, South Africa, 2000.

12/90 – 3/96 Member, Public Health Council of Massachusetts Department of Public Health

- Appointed by Governor Michael Dukakis to this Regulatory and Health Policy-making body for Massachusetts
