## ABOUT THE KEYNOTE SPEAKER

Amal Bass, JD, is the Director of Policy and Advocacy and interim Co-Executive Director at the Women's Law Project, a nonprofit legal advocacy organization that seeks to advance the rights of women, girls, and LGBTQ+ people in Pennsylvania and beyond.

Amal provides legal representation and engages in public policy advocacy in a variety of areas, including pregnancy/caretaking discrimination and accommodation, Title IX athletic equity and sexual harassment, reproductive rights, and employment rights.

She was chair of the Pennsylvania Campaign for Women's Health, among Billy Penn's "Who's Next: Law," a former co-chair of the Philadelphia Bar Association's Women's Rights Committee and honored as one of the women leading the 175th legislative district in Pennsylvania.

Amal received her BA from Yale College and her JD from Harvard Law School.

## PLEDGE

*“Whereas recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice and peace in the world,*

*Whereas disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind, and the advent of a world in which human beings shall enjoy freedom of speech and belief and freedom from fear and want has been proclaimed as the highest aspiration of the common people,*

*Whereas it is essential, if man is not to be compelled to have recourse, as a last resort, to rebellion against tyranny and oppression, that human rights should be protected by the rule of law,*

*Whereas the peoples of the United Nations have in the Charter reaffirmed their faith in fundamental human rights, in the dignity and worth of the human person and in the equal rights of men and women and have determined to promote social progress and better standards of life in larger freedom,*

*Whereas Member States have pledged themselves to achieve, in co-operation with the United Nations, the promotion of universal respect for and observance of human rights and fundamental freedoms,*

*Whereas a common understanding of these rights and freedoms is of the greatest importance for the full realization of this pledge.”*

And from the Charter of the World Health Organization:

*“The enjoyment of the highest attainable standard of health is one of the fundamental rights of every human being without distinction of race, religion, political belief, economic or social condition.”*

## ABOUT THE PROGRAM

This ceremony is a longstanding tradition since our school’s founding in 1996 and our opportunity to welcome new students and faculty to Dornsife School of Public Health. Today’s program includes a pinning ceremony that was first instituted at the School 26 years ago by our founding Dean, Dr. Jonathan Mann. Dr. Jonathan Mann was a humanitarian, advocate and visionary who highlighted the intersection of health and human rights.
