

Centre for Occupational and Environmental Health

Indraprastha Vyavsayik Evam Paryavarneeeya Swasthya Samiti (IVPSS)

(Registered vide Regd. No. S-33201 under Societies registration Act XXI of 1860)

ALERT : DO NOT USE LEAD BASE PAINTS. THESE ARE VERY HARMFUL TO CHILDREN.

Dear Dr. Frank,

As you aware that Centre of Occupational and Environmental Health (COEH) located at Maulana Azad Medical College, New Delhi, India principally focuses on hazard identification, hazard analysis and assessment and control of hazards causing environmental disease. The health professionals and laymen generally do not understand, and appreciate the consequences of harmful exposures to hazards in work place as well as in general environment. Centre was established in 1998 to address the growing concerns and hazards related to environment and health. I appreciate the profound contribution you had made in strengthening the academic base of Occupational Medicine in India by being a part of the teaching faculty of COEH. Your presentations and lectures have immensely benefitted the students and attendees in terms of practicing occupational health.

As an esteemed faculty working with MAMC, New Delhi, India since 2001 and considering your vast expertise in occupational health I am pleased to offer you the position of a Visiting Professorship in the COEH, MAMC, New Delhi, India on an honorary basis. Your role will include delivering talks during short – term courses, conferences, meetings which are conducted from time to time as well as providing advice on strengthening of teaching and research activities of the centre.

I hope you will accept the invitation and participate in our teaching and research activities.

I highly appreciate if you could send a word of confirmation in this regard.

With best regards.

M. M. Singh
