

Neighborhood Health Ambassador Positions

Community Impact Cancer Initiative

*“We’re Here Because We STILL
Care...Conquering Cancer Together”*

ARE YOU...?

- Someone who has been impacted by cancer and want to do something about it?
- Someone who would like to be trained to work on cancer prevention and cancer awareness initiatives in your neighborhood?
- Someone who is an outgoing person and is in tune with the neighborhood and would feel comfortable talking to your neighbors about cancer and connecting them to services
- Someone who lives in one of the 10 Promise Zone neighborhoods: **Mantua, Powelton Village, West Powelton, Saunders Park, Belmont, Millcreek, East Parkside, Walnut Hill, Spruce Hill, University City.**
- Someone who has a HS Diploma or GED

If so, the Community Wellness HUB at Drexel University would like to speak to YOU. We are looking for part-time Neighborhood Health Ambassadors to take our cancer education programming to the street... block by block.

*Please send your resume to the Community Navigator Coordinator at
