

Gainful Employment Disclosures – 2019

Program Name: Instructional Technology Specialist

This program is designed to be completed in 2 years.

This program will cost \$36,261 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting but may have changed.

Typical Graduate Debt Level: Fewer than 10 students completed this program within normal time. This number has been withheld to preserve the confidentiality of the students.

Program meets licensure requirements in the following States: Minimum coursework requirements for the instructional technology specialist Certificate include 27.0 credits of specific pedagogy. The PA Certification requires a "B" or better in all certification coursework. If a student seeks the Instructional Technology Specialist PA Certification without a previous held teaching certificate, he or she will also be required to complete [EDUC 522](#) and [EDUC 525](#) . Students from other states should check with their specific Department of Education for additional information,

Note: Applicants for instructional technology specialist Certification should ideally possess valid Pennsylvania Instructional I or II Teaching Certification. Students working on their initial teaching certificate may be required to complete additional coursework. (Visit the [School of Education](#) for additional information.)
