

## 2018–2019 Verification Checklist

---

If your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “verification,” you can use this checklist to assist you in determining the documentation you will need to submit to Drexel.

**Please do not submit this checklist along with your other documents to Drexel for verification review; this checklist is solely to assist you in collecting and submitting the appropriate documentation.**

### About the Verification Process

In the verification process, Drexel will compare information from your 2018–2019 FAFSA with IRS data for 2016. Federal regulations require that Drexel collect this information before disbursing federal aid. Failure to respond with all required documentation will result in the cancellation of your federal financial aid for the 2018–2019 academic year.

If there are differences between your FAFSA information and the verification documents you have submitted, Drexel will make the corrections and send the required changes electronically to the federal student aid processor to have your information reprocessed. You will be notified via email regarding any changes or corrections made by Drexel to your 2018–2019 FAFSA.

### Information About Tax Return Transcripts

You, your spouse, and/or parent(s) will be required to submit an official IRS Tax Return Transcript to Drexel as part of this process.

Please note that an official IRS Tax Return Transcript is the **ONLY** tax form Drexel can accept for verification. Please do not submit a copy of your actual tax return or an official IRS Tax Account Summary.

You can request an official IRS Tax Return Transcript of your 2016 tax return from the IRS by calling 1.800.908.9946 or by visiting [irs.gov/individuals/get-transcript](http://irs.gov/individuals/get-transcript).

### Information About the Verification Worksheet

All students selected for verification are required to complete and submit a 2018–2019 Verification Worksheet. Please make sure to read all instructions carefully and fill in all sections completely.

Depending on your circumstances, you may also need to submit the Supplemental Verification Worksheet. Both forms can be found online at [drexel.edu/drexelcentral/finaid/forms](http://drexel.edu/drexelcentral/finaid/forms).
