# Billing and Financing Information for You

---

# Finalizing Your Financial Aid

---

If you were awarded financial aid, there are some additional steps you should consider in financing your education.

## FINANCIAL AID INFORMATION

---

Below are the steps you need to complete in order to ensure that your financial aid package is ready for the first eBill.

Note: If you did not apply for financial aid and are still awaiting more information about your eligibility, you can review your status via DrexelOne at [one.drexel.edu](http://one.drexel.edu).

**1** First, you will want to understand Drexel's financial aid terms and conditions. To view these policies, visit [drexel.edu/drexelcentral/financing/terms](http://drexel.edu/drexelcentral/financing/terms).

**2** If awarded federal loans, you need to complete the following two steps at [studentloans.gov](http://studentloans.gov):

- Entrance Counseling
- Master Promissory Note

Student loans will not be available to help cover your bill until these steps are completed. To view information about loans, visit

[drexel.edu/drexelcentral/financing/loans](http://drexel.edu/drexelcentral/financing/loans).

**3** If offered federal loans or a work-study award, you must log in to your DrexelOne account (our student portal) at [one.drexel.edu](http://one.drexel.edu) and *accept* or *decline* each award. More information about this process can be found at [drexel.edu/drexelcentral/financing/apply-for-aid](http://drexel.edu/drexelcentral/financing/apply-for-aid).

Student loans will not be available to help cover your bill and you will not be able to begin working until awards have been accepted.

**4** You should review and complete all outstanding financial aid requirements online via your DrexelOne account (our student portal) at [one.drexel.edu](http://one.drexel.edu).

**5** Notify Drexel as soon as possible of any private scholarships you are receiving; these awards are considered financial resources and need to be reflected in your financial aid package. If the scholarship organization sends you a check directly, you should endorse and submit it in person or by mail to:

**Cashier's Office**  
Suite 106, Main Building  
Drexel University  
3141 Chestnut Street, Philadelphia, PA 19104

**6** Consider using alternative financing options for any remaining balance or costs:

- Graduate PLUS Loan (Graduate and Professional students only)
- Tuition Payment Plan
- Private Education Loan

More information about these options is available at [drexel.edu/drexelcentral/financing](http://drexel.edu/drexelcentral/financing).
