

### LEAVING YOUR LEGACY

Planned gifts are the ultimate expression of confidence in and support of Delaware Valley Science Fairs, Inc. and a demonstration of commitment to students in grades 6-12 who come from various social and economic backgrounds and seek opportunities to share and build upon their aptitudes and interests in science, technology, engineering, and mathematics.

A planned gift to DVSF enables you to support the mission and make a difference in the lives of the people who will guide American problem-solving and who hold the key to tomorrow's technologies.

Planned gifts can be funded through bequests, designation of DVSF as the beneficiary of retirement or life insurance plans, or irrevocable securities. Delaware Valley Science Fairs, Inc. is a registered non-profit organization, and your planned gifts are exempt from income, gift, and estate taxes.
