Project Review

Judge's Comments

Project Number _____

We would like to share with you some observations regarding your project. We have collected our comments and listed them for your project below to give you some idea of our evaluation of your project.

We appreciate the hard work and effort that went into this project and commend your efforts. We wish to encourage you to continue your interest in science and engineering and your work in research. Thank you for participating in the Delaware Valley Science Fairs and we wish you the very best in all your future work in science.

Strengths of Project

- ___ Originality in Topic
- ___ Original Methodology
- ___ Excellent Data
- ___ Data analysis well done
- ___ Conclusions follow data results
- ___ Good use of scientific method
- ___ Graph analysis very clear
- ___ Adequate sample size
- ___ Good use of laboratory/math skills
- ___ Good use of statistics
- ___ Clear application of project
- ___ Good background research
- ___ Current bibliography
- ___ Excellent interview skills
- ___ Good Understanding of Principles
- ___ Nice Display
- ___ Good Teamwork
- ___ Understanding of Technical Terms
- ___ Good Engineering Design

Areas for Improvement

- ___ Improve Display Quality
- ___ Rethink Your Procedure
- ___ Reduce Number of Variables
- ___ Improve Graph Analysis
- ___ Follow Scientific Method
- ___ Use Controls
- ___ Increase Sample Size
- ___ Clarify Project's Problem
- ___ Clarify Hypothesis
- ___ Use Statistical Analysis
- ___ Identify Practical Use
- ___ Expand Research
- ___ Update Bibliography
- ___ Work on Communication Skills
- ___ Restate Engineering Goals
- ___ Improve Teamwork
- ___ Improve Understanding of Terms
- ___ Too Much Outside Assistance
- ___ Improve Methodology
