

## F-1/J-1 TRANSFER-OUT INSTRUCTIONS

If you decide to transfer from DREXEL UNIVERSITY to another US institution, you must complete the **TRANSFER-OUT FORM BEFORE** you can legally begin studies at the new school.

### F-1 STUDENT

If you've graduated or have post-completion OPT, you must apply to transfer **no later than 60 days** following your program completion date listed on your I-20 OR 60 days following the OPT expiration date listed on the EAD card.

### J-1 STUDENT

If you've graduated or have academic training, you must apply to transfer **no later than 30 days** following your program completion date listed on your DS-2019 OR **30 days** following the academic training's date listed on the DS-2019 form.

**NOTE:** For **BOTH F1/J1** statuses you need also to submit to ISSS the following documents:

- The acceptance letter from the new institution**
- A transfer-in/clearance form from the new institution (if available)**
- Drexel ISSS Transfer-out form with the SEVIS release date (see reverse)**

If you are **NOT** graduating (**either on F1/J1 status**) you should apply for a transfer **BEFORE** the end of your last quarter/semester at DREXEL and bring to the ISSS office the following documents:

- The acceptance letter from the new institution**
- A transfer-in/clearance form from the new institution (if available)**
- Drexel ISSS Transfer-out form with the SEVIS release date (see reverse)**
- Withdrawal form (SRC: <http://www.drexel.edu/src/academics/forms/>) signed by your Academic advisor**

**Note:** If you are on OPT or Academic Training, your work authorization will be canceled on the release date and you may no longer legally work beyond that date. In order to keep working longer, you should request a release date closer to the expiration of your work authorization -but not after the first day of classes at your new school! The program start date at the transfer-in school must be within **5 months (180 days)** or whichever is earlier: the SEVIS release date or the program completion date at DREXEL. **Contact the new school for their transfer-in deadline.**

### RELEASE DATE

As of the SEVIS release date on the form your immigration status/record will "belong" to the new school and so DREXEL will no longer have any ability or authority to handle your record and/or access your information. You should be 100% sure you want to transfer to that school as **the transfer CANNOT be "undone" after the release date**. Also, the new school **CANNOT** issue you a new I-20/DS-2019 until the transfer release date. After DREXEL releases your record, it is **your responsibility** to speak to the new school about your new I-20/DS-2019 and any policies or regulations regarding your immigration status.

**GOOD LUCK AT YOUR NEW SCHOOL!**
