

Academic Center for Engineers Is Hiring

ACE is hiring for the following summer (2019/20) term courses:

- CHE 212: Material and Energy Balances II
 - CHE 230: CHE Thermodynamics I
 - ECE 201: Foundations of Electric Circuits I
 - ECES 301: Signals and Systems I
 - ECES 303: Signals and Systems II
 - ENGR 210: Introduction to Thermodynamics
 - MEM 201: Foundations of Computer Aided Design
 - MEM 220: Fluid Mechanics
 - MEM 238: Dynamics
 - MEM 255: Introduction to controls
 - PHYS 201: Fundamentals of Physics III
-

Candidates must:

- be College of Engineering undergraduate students in at least their second year
 - be in classes or have a co-op position of less than full-time
 - earned - *at Drexel* - at least a B for the course(s) they wish to tutor
-

The application is [here](#).

The deadline is Sunday, May 17th at 11PM.

Top candidates will be contacted shortly after the deadline

ACE tutoring pays \$10 per hour

For summer, tutoring will take place virtually and by appointment only
