

EISENMAN MATERIALS CAMP®

MATERIALS PARK, OH

We will not be holding our regular Eisenman Materials Camp this year. However, we are conducting three (3) one-week, 24-hour virtual Materials Camp®-Students this summer!

JULY 12-16 • JULY 19-23 • JULY 26-30

WHO:

- Students entering their Junior (Grade 11) or Senior (Grade 12) year in high school in Fall 2021.
- Highly motivated inquisitive learners with math and science aptitude.

WHAT:

- Learn about Materials Science and Engineering
- Conduct experiments from your own home (supplies will be provided)
- Meet professionals in the field and learn about their careers
- Work in small groups to solve problems

HOW TO APPLY:

- Apply online at asmfoundation.org, or by clicking [here](#).
- Personal essay (100 words or more) why you should be selected to participate in Materials Camp. Please include your planned college major or career plans (if known).

COST: FREE!
