

# BIORAFT

## School of Medicine - Students

1. Access the training at [www.drexel.bioraft.com](http://www.drexel.bioraft.com) or using the link on the training website.

Welcome to BioRAFT! Support

**Log in with DrexelConnect**

[\(Click here for other access methods\)](#)

### Welcome to BioRAFT - The Research Management Platform

Please [enter your DrexelOne User ID and password to login](#).

Access to this system is strictly limited to users associated to Drexel University. All access is monitored and logged.

2. Click either “Log in with DrexelConnect” or “Please enter your DrexelOne User ID and password to login”. Use your Drexel Credentials to log into the system.

## DrexelConnect MULTI-SYSTEM ACCESS

**Enter your DrexelOne Userid and Password**

Userid:

[Need to get a DrexelOne account?](#)

Password:

[Need help with your password?](#)

**Terms of Service**

This is a private system. Unauthorized access to or use of this system is strictly prohibited. By continuing, you

**"Central Authentication System" is now DrexelConnect**

DrexelConnect is the new name for easy multi-system access. (The old name was Central Authentication System). See our [FAQ](#) for more information on the name change or other questions or answers.

Connect at the left with your DrexelOne user-id and password. Once connected, you can access any DrexelConnect service - including DrexelOne, Drexel Learn, and BannerWeb - without entering your password again. When you logout of a service, your browser remains "connected" so you can access that service or access other ones without entering your password.

**Logout, Disconnect, Close and Quit Browsers To Protect Your Account**

As you finish with DrexelOne, Drexel Learn, BannerWeb, or other DrexelConnect services, you should sign out of those services. When you're fully done or leaving this computer, you should log out of all services. If you have other tabs or windows open in other tabs or windows then click the Disconnect button to prevent new sessions from being created without your password. For added protection, close all browser windows (and quit the browser if possible), particularly if other people have access to this computer.

3. Click on "Training" on the left navigation menu. This will open up a drop down menu. Click on "Course Directory" to view the list of the course.

### Welcome to BioRAFT

Please note: According to our records you are not a member of a research laboratory at this institution. This does not prevent you from using this online system, but it may limit the amount of functionality that you see. If you believe our records are in error, please contact EHS, your Principal Investigator or a lab manager and ask them to add you as a lab member in BioRAFT. If you need help, click the Contact Us link at the bottom of the page.

- Fire and Life Safety
- Clinical Hazard Communication
- Clinical Infection Prevention and Control
- Clinical Mercury Safety
- Clinical Personal Protection Equipment
- Respiratory Protection
- Clinical Sharp and Needle Safety

5. Click on “My Training” to view your certificates. The system will send an email with the certificate of completion. You can also download the certificate at any time by logging into the system.

The screenshot shows the user interface for viewing training records. At the top left is the Drexel University logo. At the top right, it says "Welcome, Edna Rojas" with links for "Home", "Support", and "Logout". On the left side, there is a navigation menu with options: "Research Tools", "Training" (expanded), "My Training" (selected), "Course Directory", and "My Account". The main content area is titled "Training Records for Edna Rojas" and includes a filter box set to "Most Recent Only" and a "Submit" button. Below the filter is a table with the following data:

Course	Date Taken	Expires	
Clinical Laser Safety	06/30/2016	06/30/2017	<a href="#">Certificate</a>

Please contact EHS at [safeheal@drexel.edu](mailto:safeheal@drexel.edu) if you have any questions or issues with the training system.
