Meals & Dining Dollars

Meals are accepted at the all-you-care-to-eat Handschumacher Dining Center (Creese Student Center) as a Meal Swipe.

Once you swipe – you’re in and you can eat all that you care to!

Meals are also accepted at Urban Eatery (34th & Lancaster) and The Café @ PCJL (34th & Race) as Meal Exchanges. Every station (Downtown Grounds, Downtown Grounds Smoothies, Greene St., Vespa, Ignite, U.C. Veg and Street Fare) offers special meal combinations such as an entrée, side, dessert and beverage as a meal exchange. You have the option to use dining dollars to add extra items or if you don’t want to use a meal.

Let your cashier know what you’d like to use (meal exchange or dining dollars) when you check-out!

Dining Dollars can be used at all Drexel Campus Dining locations and you can reload via the DrexelOne Portal.
