RESIDENT AND COMMUTER INFORMATION

STILES HALL

Housing at Stiles Hall on Drexel's Center City Campus accommodates undergraduate, graduate, and post-baccalaureate students of Drexel University and Drexel University College of Medicine and houses students attending classes on all three of Drexel's Philadelphia campuses. Based on availability, Stiles Hall offers 1-, 2-, and 3-bedroom apartments. Within each apartment, residents are assigned a private bedroom. Stiles Hall does not provide family accommodations. Located at 15th and Vine streets, Stiles Hall is one block away from Drexel University College of Medicine as well as minutes away from local shopping, restaurants, and performing arts venues in Center City, Philadelphia. Shuttles run regularly on weekdays between Center City and Drexel's University City and Queen Lane campuses for student convenience.

All housing applications are reviewed on a rolling basis; however, space is limited and it is recommended that students apply for housing as soon as they matriculate into their program. If interested, applicants must submit a \$200 housing deposit when confirming their enrollment. Rent includes all utilities (phone, Internet, laundry, and cable) and 24-hour staffing at the front desk.

Each Stiles Hall resident enjoys the privacy of their own single bedroom and shares a common room, kitchen, and bathroom with one or two roommates. Students may select their preferred roommates on their application; otherwise, Housing and Residence Life will match students with a roommate based on their gender, apartment preferences, and areas of study.

Stiles Hall offers the convenience of furnished apartments, including a bed, desk, wardrobe, living room sofa, and a kitchen table with chairs.

Housing applications are submitted via the student's Housing and Dining Portal. The deposit may be paid online via the student's eBill.
