

# Are you ready to...

**Earn good wages?**

**Start a new career?**

**Challenge yourself?**

If you have been disconnected from employment or want to pivot into a new career, Drexel's Manufacturing Career Accelerator Program (MCAP) can give you the competitive advantage to begin a rewarding career in manufacturing. Meet and interview with local manufacturers who have immediate openings including Merck, Dietz & Watson, First Quality, CRC-Flexatron Cardone Industries, Weber Display and Packing, William Labb and many more!

## PROGRAM HIGHLIGHTS:

- Monetary program stipend
- 5-week rigorous, industry-specific, skill-building boot camp, designed by manufacturing professionals
- Live, in-person training sessions, Mon - Fri. 8am-noon on Drexel campus, University City
- Complimentary Chromebook for independent learning
- Meet and Greets, Interviews with employer partners
- Earn industry-valued credentials: OSHA-10 and Lean Six Sigma Yellow Belt
- Access to support services such as digital literacy and 1:1 career coaching
- All of this is available at **NO COST** to you

**Recruiting NOW for  
fall session:  
Sept 12 - Oct 14**

To participate in MCAP you must be a Philadelphia resident, 18 +, have earned a High School Diploma or GED, and be fully vaccinated
