

Hello Drexel Dragons,

Congratulations on this huge accomplishment! I know it took a lot of hard work, dedication, and resiliency to cross the finish line, especially during these uncertain times. Many of you may be already working in your field, taking a much-needed break, or continuing to graduate studies. No matter what next step you take, stay connected to lifelong learning through [The Skills Hub](#) at Goodwin College.

Employers are demanding that new graduates have technical knowledge and essential skills such as critical thinking, communication, and emotional intelligence. The Skills Hub offers these courses along with opportunities to earn professional credentials to advance your career.

To kickstart your learning, please accept a virtual graduation gift of three self-paced courses:

- Introduction to Critical Thinking
- Personal Creativity
- Creativity in Teams and Organizations

To sign up, e-mail me at goodwin.ce@drexel.edu for a special alumni registration link for each individual course.

Drexel alumni also receive a **20% discount on professional development courses** (some exclusions apply), which you can inquire about at any time at Goodwin.ce@drexel.edu. I look forward to connecting with you and keep growing towards your professional best.

Sincerely,

Kena Sears-Brown

Director
