

## MS in Nonprofit Management: Public, Professional and Social Sectors

# Build a Career With Purpose

By combining industry essentials like donor relations and campaign management with the fundamental skills you need to run an operation, the online MS in Nonprofit Management: Public, Professional and Social Sectors prepares you to reach your fullest potential within the nonprofit space.

### *New Reduced Tuition*

\$719 per credit | \$32,355 total\*

### Program Features

- Gain real-world experience by working closely with nonprofit and volunteer organizations
- Build your network through connections with Drexel's nonprofit organizations
- Be prepared to work in a wide variety of fields, including civic agencies, educational institutions, health services, human rights, international rights, social services and many more
- Receive our reduced tuition rate and transfer up to 15 graduate-level credits or credits for prior work experience

*\*Tuition rate applies to 2025–26 academic year.*

### Program Goals

- **Communication:** Become a stronger leader and collaborator with colleagues, outside constituents, board members and community leaders
- **Campaign Management:** Build strategic planning, management and financial skills to effectively manage annual funds and capital campaigns
- **Donor Cultivation:** Learn to encourage individuals to become donors, elevate small donors into capital-level and maintain those relationships
- **Ethics:** Develop a strong moral and ethical framework to manage mission-driven, largely volunteer-based organizations
