

DREXEL'S GOODWIN COLLEGE OF PROFESSIONAL STUDIES MANUFACTURING CAREER ACCELERATOR PROGRAM

ARE YOU READY TO...

Earn competitive
wages?

Start a new
career?

Challenge
yourself?

If you have been disconnected from employment or want to pivot to a new career, Drexel University's Manufacturing Career Accelerator Program (MCAP) can give you the competitive advantage to begin a rewarding career in the field. Meet and interview with local manufacturers that have immediate openings.

PROGRAM HIGHLIGHTS

- Receive a weekly stipend
- Receive a SEPTA Pass
- Attend in-person training sessions Monday–Friday, 8 a.m.–12 p.m. on Drexel's University City Campus
- Receive a complimentary laptop for independent learning
- Access support services, such as digital literacy, financial literacy, one-on-one career coaching and more
- Attend meet-and-greets and interviews with employer partners
- Participate in a NO-COST, six-week, industry-specific and skill-building boot camp designed by industry experts
- Earn industry-valued credentials: OSHA 10 and Lean Six Sigma Yellow Belt
- Improve essential digital and professional skills

RECRUITING NOW FOR OUR SPRING SESSION: APRIL 28–JUNE 6

To participate in MCAP, you must be a Philadelphia resident, be 18+ years of age and have a high school diploma or GED.

Diverse candidates are strongly encouraged to apply. MCAP is funded by the Connelly Foundation, the William Penn Foundation and the TD Charitable Foundation.

To see if MCAP is right for you, please visit our website at drexel.edu/goodwin/MCAP.
