

THE WISTAR INSTITUTE

# Wistar Trainee Research Symposium

Friday, September 23 • 8 AM – 6 PM

## Students and Faculty:

The Wistar Institute Trainee Research Symposium is an all-day event showcasing the excellence and diversity of academic research in the Philadelphia area. All trainees who are interested in presenting their research to a wider audience are encouraged to submit abstracts. The Wistar Trainee Association will invite the most exciting abstract submissions for short talks. Awards will be given to the best poster presentations by postdoctoral fellows, graduate and undergraduate students.

- Keynote Address from Dr. Italo Tempera, Associate Director for Cancer Research Career Enhancement in the Ellen and Ronald Caplan Cancer Center
- Poster presentations by trainees from Wistar and other academic institutions in the Greater Philadelphia area
- Special presentation from leading Philadelphia scientist Dr. Shelley L. Berger, Director, Epigenetics Institute, Perelman School of Medicine, University of Pennsylvania; and Co-leader, Tumor Biology Program, Abramson Cancer Center.

*Reception to follow in Tobin Family Auditorium.*
