

OptumRx consumer portal

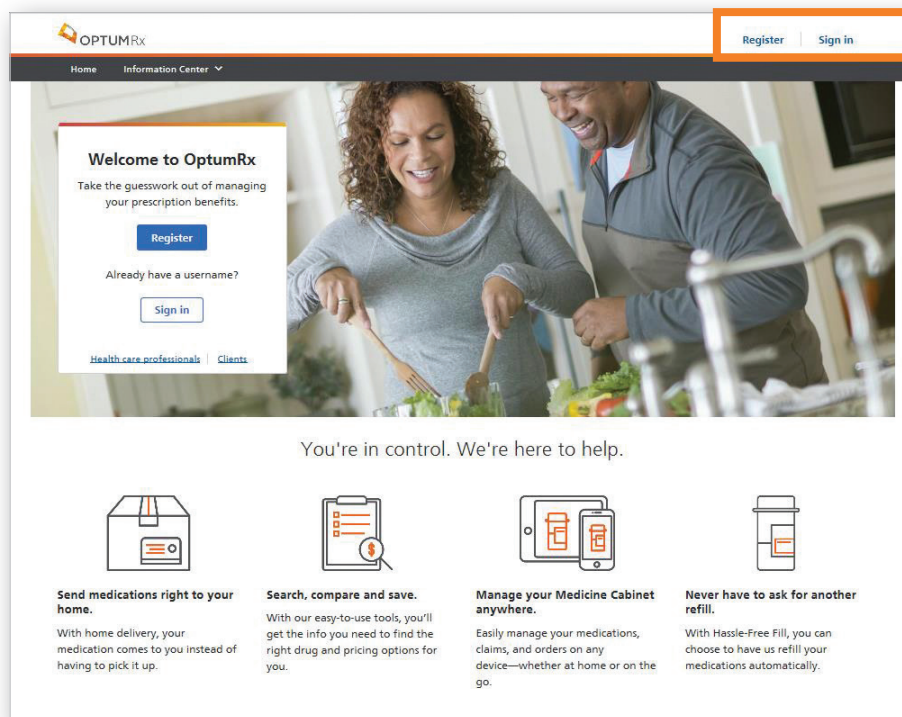

Simplifying the online pharmacy experience

The OptumRx[®] consumer portal empowers members to become informed advocates of their own health by allowing them to easily manage and gain deeper insight into their prescription benefits.

Simple: The responsive design makes it easy for consumers to access their complete profile to manage their prescription benefits on any device.

Smart: With accurate drug pricing, proactive messaging on cost savings, and detailed order status information, all of the user's real time benefits information is readily available.

Seamless: Consumers can enroll in text message reminders for taking their medications as well as when they need to refill or renew prescriptions and when orders have shipped.

Register or sign in to **optumrx.com** to take advantage of these features.

My Medicine Cabinet

Upon log in, consumers will see their My Medicine Cabinet dashboard. This makes it easy for them to view their real time benefits and access the many tools and features to help them manage their medications and health from a single page.

Once registered on the website, users can access:

1. Household access

Ability to manage prescriptions on behalf of family members

2. Order status

Consumers are able to track where their home delivery order is within the process and view order hold information if applicable

3. Proactive savings messaging

Advocates for the consumer by providing proactive ways to save such as transferring retail prescriptions to home delivery

4. Member tools

Provides easy access to the most commonly used member tools throughout the site

5. Medicine cards

Provides visibility to the most relevant information for medications a member takes

The screenshot displays the OptumRx 'My Medicine Cabinet' dashboard. At the top, a navigation bar includes links for Home, Order status (highlighted with a '2'), Member tools, Specialty pharmacy, Information center, Benefits and claims, and My account. The user 'Graham' is logged in, with a message that they manage 3 household members and a link to 'Choose who you want to view' (highlighted with a '1').

The main content area is titled 'At a glance' and includes a 'Check order status for 1 medication' button with a 'Track orders' link. A 'Savings Advisor' message (highlighted with a '3') suggests saving a trip to the pharmacy by sending medications right to home in 90-day prescriptions with the home delivery service. A 'Prescription Benefit Management 101' video link is also present.

Below this, there are sorting options for medications by 'Priority actions (default)' and view toggles for 'Grid view' and 'List view'. A section titled 'OptumRx Home Delivery: 9 medications' (highlighted with a '5') shows three medication cards: FLUVOXAMINE TAB 50MG, CARDURA TAB 1MG, and CRESTOR TAB 10MG. Each card displays 'View details', 'Rx' number, 'Pricing not available', 'Refills remaining', 'Order Status', and a 'Track order' button. A sidebar on the right (highlighted with a '4') contains 'Member tools' and links for 'Drug search', 'Home delivery', 'Low-cost options', and 'Pharmacy locator'.

At the bottom, a section titled 'Retail pharmacies: 3 medications' shows three more medication cards: TAMSULOSIN CAP 0.4MG, ACARBOSE TAB 100MG, and ACETAZOLAMID TAB 250MG. These cards show 'View details', 'Rx' number, 'Cost per refill' (e.g., \$0.00 per 90-day supply), 'Est. days until next refill', and a 'Transfer to Home Delivery' button.
