This overview shows you a sampling of covered services. And what your plan pays. For a full listing of covered services, please call Customer Service at **800.Cigna24 (800.244.6224)**.

Get the most value from your plan

With your Cigna Dental Care plan, some preventive services are covered at 100%. (See chart below.) Your plan also covers many other dental services that help your mouth stay healthy.

Your Cigna Dental Care plan is a **copayment plan**. Here's how it works. When you get a dental service, Cigna allows your network dentist to charge a certain amount. Then **you pay a fixed portion** of that cost, in addition to any allowable charge for upgraded materials (such as gold, high noble metal or porcelain used in molar restorations), CAD/CAM services, complex rehabilitation or characterizations (for dentures). And your plan pays the rest. There are **no annual maximums** and **no deductibles!**

Review your plan materials for more information about how your plan works. If you have questions before enrollment, call **800.Cigna24 (800.244.6224)** and select the "Enrollment Information" prompt.
