As a Stationary Engineer of Drexel University, you are our most valuable asset! We all have different needs that influence the choices we make every day. Drexel University embraces these differences, providing you with the freedom to select quality benefit options that work best for your personal situation. We encourage you to take the time to carefully review this guide and learn about all of the benefits available to you during Open Enrollment. The benefits that you select will be effective from January 1, 2023 through December 31, 2023.

WHAT’S NEW FOR 2023:

• The Prescription drug benefit will be changing over to a new program that is managed by Independence Blue Cross and is integrated with OptumRx. Members and their dependents will receive one ID card for both Medical and Prescription drug coverage. Please visit page 13 for more information.

• New adoption benefit for 2023 offered through Progyny! All benefits-eligible Stationary Engineers will have access to a $5,000 adoption benefit to help offset adoption related costs.

• Enhancement to Telemedicine services offered through MDLive! For the 2023 plan year Teledermatology and Telebehavioral Health services will now be available through MDLive.

• SEPTA Key Advantage Pilot Program has been extended through June 30, 2023! For complete details on eligibility and how to obtain and use your card, please review the SEPTA Key Advantage FAQs and How-to User Guide.
Attend an in-person benefit fair and one or more virtual information sessions. Visit www.drexel.edu/hr/benefits/open-enrollment for more information.

Login to the benefits enrollment site by clicking the link to My Drexel Benefits located on the Employee Tab of DrexelOne via one.drexel.edu. Review your current benefit elections and make any desired changes.

Don’t Forget! The medical waiver, Flexible Spending Accounts (FSA) and Health Savings Account (HSA) must be re-elected every year. Your 2022 elections will not rollover into 2023. Once the enrollment window closes, changes cannot be made until the next annual enrollment unless you experience a qualified life event.

Full-time Stationary Engineers who do not wish to be covered by a Drexel medical plan are required to waive coverage each year. If you waived coverage in 2022, you will automatically be enrolled in the Point of Service (POS) plan (or PPO Basic for out of area) medical plan for 2023 and will remain there until you log into the enrollment system and affirmatively select the waiver option for 2023. If you take no action during open enrollment, you will be covered by the POS plan single coverage and premiums will be deducted from your paycheck, effective January 1, 2023.

All other benefit elections, including medical, dental, vision, supplemental life and AD&D insurance, and disability coverage will continue into 2023 unless you make a change during open enrollment. New elections and changes will take effect January 1, 2023.

If adding a new dependent, have the required documents available to add them to the plan (examples of acceptable documentation are: birth certificate, or an adoption agreement, a marriage certificate, or Drexel’s domestic partner affidavit with supporting documentation located in our benefits enrollment system).

Make sure your beneficiaries are up to date, you will need an SSN for newly added beneficiaries.

If required, be sure to complete the evidence of insurability (EOI) process for the supplemental life insurance benefit.

- Instructions can be located on your confirmation statement at the end of the enrollment process. Increases to your life insurance coverage may require evidence of insurability approval and will not be applied until your EOI approval has been received.

Review your Summary Confirmation Statement after you complete your enrollment to be sure your changes are applied as expected. Correct any issues ASAP.

Visit your Dragon Perks portal to view voluntary benefits offered year round by clicking the link "learn more" on My Drexel Benefits.
WHO IS ELIGIBLE?

The benefits outlined in this guide are available to eligible Stationary Engineers in accordance with your collective bargaining agreement.

If you have questions about eligibility, please contact the Drexel University Benefits Center at 844.690.3992 or help@mybenefitexpress.com.

Additionally, you can contact HR Service Center by emailing hr@drexel.edu or at 215.895.2850.

WHAT IS A QUALIFYING LIFE EVENT?

A Life Event is a change in your family or employment status that may allow you to make certain benefit changes. If you experience a Life Event (marriage, divorce, newborn/adoption of child, loss or gain of coverage) and wish to add or drop a dependent(s) for coverage purposes, you must do so on or within 31 days after the qualifying event date. Changes must be consistent with the qualifying life event. You may only change coverage and/or add or drop dependents at Open Enrollment unless you have a qualifying life event during the plan year.

- Marriage or divorce
- Death of a spouse, domestic partner, or dependent child
- Birth or adoption of a child
- Spouse, domestic partner, or dependent child’s loss or gain of benefits coverage elsewhere
- Change of employment status (i.e. moving from full time to part time)

Please visit the Drexel Life Event webpage https://drexel.edu/hr/benefits/health-coverage/life-event for additional information and frequency asked questions.
How do stationary engineers enroll for benefits?

Drexel University Stationary Engineers enroll for benefits via the My Drexel Benefits portal by selecting the MyDrexel Benefits link on the Employees tab in DrexelOne at https://one.drexel.edu.

Most elections are annual elections and cannot be changed during the year unless you experience a qualifying life event.

My Drexel Benefits is a portal accessed through Drexel One and walks Stationary Engineers through the benefit enrollment process during the new hire period, Open Enrollment, or when a qualifying life event (marriage, newborn, divorce, loss of coverage) occurs.

My Drexel Benefits contains the majority of your benefit enrollment information (excluding Retirement plans), dependent information, beneficiaries, flexible spending accounts, and commuter enrollment.

Express Enrollment

Drexel Stationary Engineers can complete their benefits enrollment even faster with Express Enroll through My Drexel Benefits.

Express Enroll offers a quicker open enrollment experience by allowing you to see all of your benefits on one page and make adjustments, if needed, quicker than the traditional route.

You can see a high level summary of the benefits you are currently enrolled in, targeting certain ones that require re-enrollment each year - like waiving medical coverage, HSA and FSA. Additionally, you can view benefits that you did not previously enroll in but are available to you.

If you do not wish to use Express Enroll, you may choose to the traditional enrollment if that works best for you!

Whom to contact with questions

- For assistance with Open Enrollment, contact the Drexel University Benefits Center at 1.844.690.3992 or email help@mybenefitexpress.com
- For questions about a specific plan, contact the Benefit Provider directly. Please see the contacts list later in the guide on page 36 for more information.

**The plan year deductible must be satisfied before the plan will pay for services.**

**Includes Teledermatology and Telebehavioral health.

For more details about the Medical and Prescription Drug plans available, please see the following section of this guide.
UNDERSTANDING YOUR MEDICAL AND PRESCRIPTION DRUG PLAN OPTIONS

PERSONAL CHOICE PPO PLANS

BASIC OPTION

With the Personal Choice PPO plan, you can choose to see any doctor or visit any hospital in the Personal Choice network. You will also enjoy in-network coverage anywhere in the United States when you use providers who participate in the BlueCard® PPO network.

You’ll pay less when you choose doctors and hospitals in the Personal Choice network, and more if you choose to see doctors and hospitals out-of-network. You don’t need to get referrals, so you can see any specialist you want without needing permission from a primary care physician (PCP), or family doctor. Due to the flexibility that these plans offer, as well as the limited out of pocket expenses that you will incur at the time of service, the premiums are higher in comparison to the Point of Service Plan and CDHP.

CONSUMER DIRECTED HEALTH PLAN

Our Consumer Directed Health Plan (CDHP) is a high-quality, low-cost medical plan, with a higher deductible than the Point-of-Service and Personal Choice plans. Members enrolled in this plan must have their deductible met first, before co-insurance/copays apply for medical and prescription drug services. However, this plan does not require referrals and provides access to the same network as the PPO options. Further, Drexel University will contribute up to $1,000 to each HSA account with individual or family coverage based on the effective date of your enrollment.
KEYSTONE/AMERIHEALTH
POINT OF SERVICE

The Point-of-Service plan (POS) allows you to pay less if you use doctors, hospitals, and other health care providers that belong to the plan’s network. You maximize your coverage by having care provided or referred by your primary care physician (PCP). Members may go to an out-of-network provider, however, higher out-of-pocket costs apply.

The most important aspect to know is Point of Service plans are zip code driven and only available to certain counties in or around the Greater Philadelphia area.

The following states/counties would be eligible for the Keystone POS plan:

- **DE**: New Castle
- **MD**: Cecil
- **NJ**: Burlington, Camden, Gloucester, Hunter, Mercer, Salem, Warren
- **PA**: Berks, Bucks, Chester, Delaware, Lancaster, Lehigh, Montgomery, Northampton

The following states/counties would be eligible for the AmeriHealth POS plan:

- **DE**: Kent, Sussex
- **MD**: Caroline, Harford, Kent, Wicomico, Worcester
- **NJ**: Atlantic, Bergen, Cape May, Cumberland, Essex, Hudson, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union

For those that travel extensively, live outside of the area, or cover dependents in other areas of the country, the Keystone and AmeriHealth service area has limited out of network availability. Note that the POS premiums are offered at a significant discount compared to the PPO Basic plan.

When you enroll in POS you will be required to provide a Provider ID number which will be identified as your primary care physician

For more information on the Point of Service Plans please visit: drexel.edu/hr/benefits/health-coverage

PHOTOS COURTESY OF DREXEL UNIVERSITY
Drexel University has partnered with Independence Blue Cross (IBC) for many years to offer excellent Health benefits to our employees.

In an effort to enhance the benefits package even further, Drexel University has partnered with the facilities and providers of Penn Medicine and Tower Health. If you or a dependent family member is enrolled in one of the Drexel University Health Plans and you receive services at a facility or provider within the Penn Medicine or Tower Health network, your medical out-of-pocket cost will be lower compared to out-of-pocket costs for other providers in the Independence network.

**TIER 1:** Facilities and providers of Penn Medicine and Tower Health

**TIER 2:** IBC network excluding the facilities and providers of Penn Medicine and Tower Health

**TIER 3:** All other providers that are not in the IBC network. If you utilize Tier 3 providers, you will have the highest out-of-pocket cost.

* Tier 2 - this is also referred to as the In-Network Tier
* Tier 3 - this is also referred to as the Out-of-Network Tier

**HOW TO FIND A NETWORK PROVIDER**

IBC has built a custom provider for Drexel Stationary Engineers to locate their Tier 1 and Tier 2 Providers.

To access the provider finder: [ibx.com](http://ibx.com)

1. Find a Doctor (top right hand corner)
2. Click Learn More under Doctors, hospitals, medical equipment, and specialty services...
3. Click All Plans under Your Plan:
   
   A. Drexel Preferred POS (for those enrolled in the Point of Service plan)
   B. Drexel Preferred PPO (for those enrolled in the Basic, High and CDHP )
Introducing your enhanced, integrated Prescription drug plan through Independence.

Effective January 1, 2023 all of Drexel’s medical plans will be integrated with your Optum prescription drug coverage. You’ll continue to get safe, affordable access to covered medications with the convenience of having one ID card and one website to access, with all of your medical and pharmacy plan information. All your historical prior-authorizations, claims and mail order refill information will carry over from Optum.

Members will receive an updated I.D Card for Medical and Prescription Drug in the mail prior to January 1st.

- Only one I.D. card will be needed
- You must present your new card when ordering or picking up your medication on or after January 1st, as your current RX card will be deactivated.

You can even view, share or download a digital ID card at ibx.com or on the IBX mobile app.

MAIL ORDER CONVENIENCE

All mail-order fills currently in place will transfer over to IBC with no action required by Stationary Engineers. Mail order/home delivery with free shipping is available for medication you take regularly. In most plans, you’ll pay less for a 90-day supply when you use mail order/home delivery. If you currently have mail order refills available, you don’t need a new prescription. You can also get a 90-day supply of your maintenance medications at retail pharmacies for the same cost-sharing as mail order. Register on ibx.com where you can find the mail order form, along with all your RX plan information, by clicking the Pharmacy link, under My Benefits.

SPECIALTY DRUG SUPPORT

Our specialty pharmacy program provides convenient delivery options and support for members with complex conditions, including cancer, hemophilia, hepatitis C, HIV/AIDS, rheumatoid arthritis, multiple sclerosis, and other inflammatory conditions. You’ll get counseling from experienced pharmacists and nurses by phone or video chat and access to videos and other resources. Members who are currently using a specialty drug with refills remaining will not need to obtain a new prescription.

EASY TO USE DIGITAL TOOLS

The IBX website and mobile app, make it simple for members to quickly and securely find everything related to your medical and prescription drug benefits in one place. Beginning January 1st, members can log in at ibx.com to view medical and pharmacy claims, compare drug prices and get lower cost alternatives, submit mail order or refill requests and find in-network doctors and pharmacies near them. The IBX mobile app offers the same capabilities. Simply download the IBX app on your mobile device.

SEE WHAT’S COVERED

Your drug formulary is a list of drugs covered by your prescription drug plan. Beginning January 1, to see if your prescribed drug is on your formulary and how much you will pay out-of-pocket for it, log onto ibx.com or call the Pharmacy benefits number on the back of your ID member card.

If applicable, Formulary Disruption letters from Optum will be mailed to your home in December.
An HSA is a tax-advantaged medical savings account owned by the Stationary Engineers and designed to be used in conjunction with a federally qualified high deductible health insurance plan, like our Consumer Directed Health Plan. Money contributed to the account is not subject to federal tax at the time of deposit (pre-tax dollars). Additionally, you can make changes to your HSA contribution on a month-to-month basis. Unlike amounts in flexible spending accounts that are forfeited if not used by the end of the year, unused HSA funds remain available for use in later years, are portable and can grow tax-free through investment earnings, just like an IRA. Please note, that when an employee terminates from the University the HSA account is subject to bank fees.

For 2023, the HSA contribution maximums, are $3,850 for individual coverage and $7,750 for family coverage. The annual catch-up contribution for age 55 and older is $1,000.

The University contributes up to $1,000 to each HSA account with individual or family coverage based on the effective date of your enrollment. If enrollment occurs outside of Open Enrollment, the University contributions made to the HSA will be prorated based on the table below.

<table>
<thead>
<tr>
<th>Individual Coverage</th>
<th>1/1 - 3/31</th>
<th>4/1 - 6/30</th>
<th>7/1 - 9/30</th>
<th>10/1 -12/31</th>
</tr>
</thead>
<tbody>
<tr>
<td>$1000</td>
<td>$750</td>
<td>$500</td>
<td>$250</td>
<td></td>
</tr>
</tbody>
</table>

* Employer funding will be credited in your HSA account after your first medical premium deduction.
Flexible Spending Accounts (FSA) allow you to set aside money, on a pre-tax basis, for eligible out-of-pocket medical, dental, vision and dependent care expenses. You can use the FSA to pay for deductibles, copays, coinsurance and other eligible expenses not covered by the medical, dental or vision plans.

HEALTH CARE FSA
Your Health Care FSA funds can be used to pay for out-of-pocket healthcare expenses incurred by you and your dependents. For the 2023 plan year, the maximum you can contribute to the Healthcare FSA is $3,050. The University contributes $1,000 per year toward your Healthcare FSA unless you are enrolled in the CDHP.

LIMITED PURPOSE FSA
Stationary Engineers who elect the CDHP with HSA cannot participate in the Health Care FSA, however you can choose to participate in the Limited Purpose FSA which can only be used for eligible vision and dental expenses. Unlike a healthcare FSA, however, an LPFSA can be held at the same time as an HSA. Please note, once the deductible is met on your CDHP plan then the Limited Purpose FSA will convert to a Healthcare FSA.

DEPENDENT CARE FSA
The Dependent Care FSA is used for expenses related to the care of eligible dependents to allow you to work or actively seek employment. Eligible expenses include Au Pair, preschool or after school programs, and adult/eldercare for adult dependents.

The maximum that you can contribute to the 2023 Dependent Care FSA is $5,000 if you are a single employee or married filing jointly. If you are a married employee filing separately the 2023 maximum you can contribute is $2,500. For more information about eligible FSA expenses, employees can use the FSAsstore.com.

USE IT OR LOSE IT
If you do not use the money you contributed toward your Healthcare FSA and LPFSA by the end of the plan year, you will only be able to carry over a maximum $610 into the 2023 plan year. Please note you cannot carry over remaining Dependent Care FSA dollars to the next plan year.
SEPTA KEY ADVANTAGE
The SEPTA Key Advantage Pilot Program has been extended through June 30, 2023! Under this program, Stationary Engineers can obtain a SEPTA Key Card at no cost and ride for free on all SEPTA transit. The card is valid for travel on all SEPTA services, including Regional Rail, buses, subways, trolleys and the Norristown High Speed Line. Once you enroll in this benefit and register your SEPTA Key Card, a free pass is automatically loaded to your card on a monthly basis.

If you do not travel on SEPTA, you can still reduce your commuting costs by participating in the pre-tax commuter benefit described below.

PRE-TAX COMMUTER ACCOUNT
The Commuter Program offers Stationary Engineers the ability to set aside pre-tax dollars in a Parking or Transit account. Stationary Engineers can use these funds for qualified expenses related to commuting to and from work. Some qualified expenses are: mass transit, train, subway, ferry rides, UberPOOL, Lyft Line, and Via Ride Options. Changes to your monthly contribution must be made by the 1st of the month prior to the month in which the contribution applies. The last payroll deduction of the month pertains to the pass for that current month. You’ll receive a debit card that can be used to pay for transit and parking garages, including the Drexel Garage. If you have a Drexel Parking Permit, with payroll deductions, you will not want to enroll in the Parking Account here as well.

To inquire about signing up for a permit to park at a Drexel managed lot or the garage, please visit Drexel’s Parking Facilities webpage drexel.edu/business-services/parking/overview for additional information. Note that while the Commuter Program is managed on a month to month basis and does not carry a use-it-or lose-it provision, money in this account will be lost if unused funds are in the account and you leave the University and cannot be refunded. Be sure that you are managing the funds in this account and adjusting your contributions as needed to ensure that there is no balance where possible.

To enroll or make changes for commuter benefits you can log into "My Drexel Benefits" and click on the "change" button under "Commuter Benefits".

TALK TO A DOCTOR 24/7 WITH MDLIVE

Whether it’s the weekend or you’re traveling out of town, with MDLive, medical plan participants have access to medical care via phone or video consultation—*anytime, anywhere.*

WHAT IS MDLIVE?

MDLive is a national network of U.S. board-certified doctors available 24/7/365 to diagnose, treat and prescribe medication, if necessary, for many common medical issues.

Contact MDLive for non-emergency medical conditions such as:

- Allergies
- Asthma
- Acne
- Pink eye
- Ear infections
- Sinus issues
- Respiratory infections
- Urinary tract infections
- Cold and flu symptoms

Using MDLive is a convenient option when it’s not possible to visit your doctor’s office. Services are completely confidential. It is quality care when you need it most.

Telebehavioral health and Teledermatology will now be available through MDLive!

TELEBEHAVIORAL HEALTH

Talk to a behavioral health care professional for conditions such as anxiety, depression, and panic disorders.

TELEDERMATOLOGY

Talk to a board-certified dermatologist and receive a diagnosis, treatment, and prescription (as needed) for more than 3,000 skin, hair, and nail conditions.

HOW MUCH DOES IT COST?

MDLive is available at no cost to members enrolled in the Point of Service and Personal Choice PPO plans. CDHP with HSA plan members pay only a $56 copay per consultation.

To contact MDLive, call **1.877.764.6605**, visit [www.mdlive.com/ibx](http://www.mdlive.com/ibx), or download the MDLive App.
DREXEL UNIVERSITY is pleased to announce they will be maintaining the same three dental plan designs; The Base Plan, Preferred Plan and the DHMO for the upcoming plan year.

Similar to last year, DHMO members will receive a Cigna ID card. Stationary Engineers enrolled in either the Base or Preferred PPO plans will continue to utilize a personalized electronic ID card. You can register your account at mycigna.com.

BASE PLAN:
Those enrolled in the Dental Base Plan will have a calendar year maximum of $1,000 per year. The plan pays 100% of preventive and diagnostic services and 50% of basic and major services after the deductible is met and using in-network providers.

PREFERRED PLAN:
Those enrolled in the Dental Preferred Plan will have a calendar year maximum of $2,000 per year. The plan pays 100% of preventive and diagnostic services and 90% of basic and 60% of major services after the deductible is met and using in-network providers. The Preferred Plan includes Orthodontia coverage of up to 50% for all eligible children and adults up to a Lifetime Maximum of $1,000.

DHMO PLAN:
A DHMO is different than a PPO in that you would select a General Dentist for routine, preventive, diagnostic, and emergency care, and a referral to specialists as needed. This will be the most cost effective plan and is a great choice for members who typically incur less than $500 in claims per year. If your Dentist is in the Cigna DHMO, this may be an opportunity to save. Please visit the My Drexel Benefits Portal to view the Cigna DHMO plan summary for more information about this plan.

CIGNA WELLNESS PLUS PROGRAM:
This is an industry leading program that encourages members to get their annual oral wellness exam! Each year that you receive your Dental Wellness exam, your Plan Maximum will increase by $100 the following year. Your Calendar Year Maximum can increase by $300 if you receive your Wellness exam for three years in a row. Research continues to show the strong link between oral health and overall health and this benefits a further incentive to see your Dentist every year. This program is only available for Stationary Engineers enrolled in the Base or Preferred Dental Plans.

### FIND A DENTAL PROVIDER:

If you have a MyCigna.com account login to find a provider in either the PPO or DHMO network.

If you currently do not have an account, you can search for dental providers at [www.cigna.com](http://www.cigna.com). Click on “Find a doctor, dentist, facility” in the top right corner of the website.

### DHMO PLAN

- Procedures listed on the Patient Charge Schedule are subject to the plan limitations and exclusions described in your plan book/certificate of coverage.
- All patient charges must correspond to the Patient Charge Schedule in effect on the date the procedure is initiated.
- See the Patient Charge Schedule located in the enrollment system for a full list of services.
VISION BENEFITS

Drexel University provides vision coverage at no cost to Stationary Engineers.

ABOUT THE DAVIS VISION PLAN
You may receive services from in-network or out-of-network providers, although you will receive the greatest value and maximize your benefit dollars if you select providers who participate in the network. If you choose an out-of-network provider, you must pay the provider directly for all charges and then submit a claim for reimbursement.

VISION ID CARDS
Vision insurance cards are mailed to participants from Independence Blue Cross and are similar in appearance to the medical cards. They can be identified by the word "Vision" at the bottom of the card.

LOCATE PARTICIPATING PROVIDERS OR TO REQUEST A CLAIM FORM
Visit the Davis Vision website at www.davisvision.com or call 1.800.999.5431.
SHORT & LONG TERM DISABILITY BENEFITS

SHORT-TERM DISABILITY

Drexel University provides Stationary Engineers the option to purchase Short-Term Disability (STD) insurance through Lincoln Financial Group. STD coverage protects a portion of your income in the event you are incapable of working due to a qualified illness or injury. This plan is available on a voluntary basis.

Short term disability may be a great option if you don’t have enough accrued and unused paid time off to replace your income while on leave. For more information about compensation during leave, contact LOA@drexel.edu.

<table>

</tr>
</tbody>
</table>

Please note: Premiums are deducted from your paycheck on a post-tax basis so that the disability benefit paid to you is tax-free. Rates are based on the amount of coverage selected and your age. The enrollment system will calculate your rate based on your election.

LONG-TERM DISABILITY

All Stationary Engineers are eligible for the Lincoln Financial Group Long-Term Disability (LTD) plan. All Stationary Engineers are automatically covered under this plan – Drexel University pays 100% of the LTD premium.

<table>
<thead>

</tbody>
</table>

Please note: When you receive long term disability benefits, they are paid to you tax-free.

* The duration begins on the date of disability. See plan documents for details.
**LIFE AND AD&D INSURANCE**

**BASIC LIFE AND AD&D**

Drexel provides 100% employee-paid basic life and Accidental Death and Dismemberment (AD&D) coverage through Lincoln Financial Group. All Stationary Engineers automatically have term life insurance in the amount of two times their annual salary capped at $500,000. Stationary Engineers have the option to limit their benefit to $50,000 to avoid imputed income. For your specific amount, please contact the Drexel University Benefits Center.

Retiree Stationary Engineers are entitled to a life insurance benefit of $4,500.

**SUPPLEMENTAL LIFE AND AD&D INSURANCE COVERAGE**

All Stationary Engineers have the option to purchase supplemental life insurance coverage. When you enroll yourself and/or your dependents in this benefit, you pay the full cost through payroll deductions.

You can purchase the following amounts of coverage:

- **SUPPLEMENTAL EMPLOYEE TERM LIFE INSURANCE**
  - BENEFIT INCREMENTS: $1,000
  - MAXIMUM AMOUNT: 1x-4x annual earnings up to $2,500,000

- **SUPPLEMENTAL SPOUSAL TERM LIFE INSURANCE**
  - BENEFIT INCREMENTS: $10,000
  - MAXIMUM AMOUNT: $150,000

- **SUPPLEMENTAL CHILD(REN) TERM LIFE INSURANCE**
  - BENEFIT INCREMENTS: $5,000
  - MAXIMUM AMOUNT (birth to age 26): $10,000

Please note that all rates can be found in the enrollment system and will be calculated based on your age and election.
OPTIONAL LIFE INSURANCE

WHAT IS EVIDENCE OF INSURABILITY (EOI) AND WHEN IS IT NEEDED?
Evidence of insurability is used to verify good health when buying life insurance for these reasons:
• You are buying an insurance amount higher than the guaranteed issue amount for your plan.
• You already enrolled and want to increase coverage.
• You declined coverage when first eligible
• You are applying for coverage more than 31 days after your plan’s eligibility period

This year there will be no paper EOI form, the only way employees can complete EOI is online through the benefit enrollment platform by following the instructions below:
• Click “Complete Evidence of Insurability”.
• Answer questions and follow prompts.
• Electronically sign and submit your application.
• Save your confirmation report.

WHEN DO I NEED TO COMPLETE EOI?
• When increasing more than one level above the current benefit level of coverage.
• Any increases elected during Open Enrollment will be subject to EOI if an employee has previously been denied coverage. The Non-Medical Maximum will apply to any changes made during the Open Enrollment Period. "Non-Medical Maximum" is the amount of insurance on a covered person which is not subject to EOI. EOI will be at the covered employee’s expense.

OPEN ENROLLMENT:
EMPLOYEE OPTIONAL LIFE INSURANCE BENEFITS: Any increases of more than one level above the current benefit level will be subject to Evidence of Insurability (EOI).

Any increases elected during Open Enrollment will be subject to Evidence of Insurability if an Employee has previously been denied coverage.

The Non-Medical Maximum will apply to any changes made during the Open Enrollment Period.

OPTIONAL LIFE EVIDENCE OF INSURABILITY RULES
EMPLOYEE: If an employee is currently enrolled in Optional Life for 1x annual salary and they choose to elect 2x annual salary - this would not require EOI. If this employee chose to elect 3x annual salary this year, that election would require EOI since it’s more than 1 benefit level increase. If an employee’s one additional level increase would put them over the non-medical maximum, then EOI would be required. If an employee is not currently enrolled in optional life insurance any election will require EOI.

SPOUSE: All spouse elections will require EOI.
WELCOME TO DRAGON PERKS!
Drexel still offers the same great voluntary benefits available to Stationary Engineers and are 100 percent employee paid through convenient payroll deductions. For those enrolled in the Genworth Long-Term Care product, the billing will now be on a direct bill basis as opposed to a payroll deduction.

Due to Employee Retirement Income Security Act (ERISA), a federal law that establishes minimum standards for retirement, health and welfare benefit plans, mandated that some Dragon Perks can only be elected once per year during Open Enrollment, at New Hire, or with a Qualifying Life Event, while other benefits can be added, canceled or changed throughout the year.

ENROLL IN BENEFITS LISTED BELOW FROM OCT. 24 – NOV. 15 THROUGH MY DREXEL BENEFITS!

To access My Drexel Benefits, visit DrexelOne Employee Tab → My Benefits → My Drexel Benefits

The following benefits have been integrated into the My Drexel Benefits enrollment portal process. You can only elect these benefits during Open Enrollment:

- Critical Illness
- Accident
- Hospital Indemnity
- Legal Plan

CRITICAL ILLNESS INSURANCE
Critical Illness Insurance can help give you the power to take control of your health. This insurance provides financial support if you, your spouse/domestic partner, or child dependent are diagnosed with a covered critical illness so you can focus on getting better. The benefit can help you pay out-of-pocket medical costs or keep up with other living expenses such as mortgage payments or childcare.

ACCIDENT INSURANCE
If you experience an accidental injury covered in the policy, you can get a payout to use any way you wish to cover out-of-pocket medical expenses or everyday living expenses. Coverage is available for you, your spouse, and your dependent children.

HOSPITAL INDEMNITY
Hospital Indemnity insurance helps you and your loved ones have additional financial protection. With hospital indemnity insurance, a benefit is paid directly to the covered person, unless otherwise assigned, after a covered hospitalization resulting from a covered injury or illness. Hospital Indemnity can be used to pay for expenses such as: Copays, deductibles, coinsurance, unexpected costs, childcare, follow-up services and help for the home.

LEGAL PLANS
The Legal plan, provides you and your family affordable legal protection and support services, including consultation and document review, estate planning, family matters, debt collection, and more. Find help when you need it with 24/7 emergency access and live member support.
ENROLL IN THESE BENEFITS YEAR-ROUND THROUGH DRAGON PERKS!

To access Dragon Perks, visit DrexelOne:

→ Employee Tab
  → My Benefits
    → My Drexel Benefits
      → Your Toolbox
        → Dragon Perks - Learn More

All other voluntary benefits listed below are available on your Dragon Perks portal. You may elect the benefits below at any time outside of Open Enrollment, without a qualifying life event. To learn more, visit your Dragon Perks portal and click on the benefit’s name.

- Farmers Groupselect, Liberty Mutual and travelers auto & home insurance
- Norton Lifelock identity theft protection

- Discount shopping & entertainment
- Mass Mutual Whole Life*

*this product is now a direct bill and no longer through a payroll deduction
WELLNESS INCENTIVE PROGRAM

The Wellness Incentive Program is a Drexel Human Resources initiative in Partnership with Health Advocate, to provide opportunities to support your wellbeing and enhance your body, mind, and spirit. We encourage you to take advantage of the many fun and exciting programs offered through the Wellness Incentive Program. The annual incentive program starts January 1st and ends November 30th annually.

WHO IS ELIGIBLE TO PARTICIPATE?
All Stationary Engineers enrolled in a Drexel medical plan, or Stationary Engineers who waive medical coverage, are eligible to earn up to $400. Spouses and domestic partners who receive medical insurance through Drexel, or spouses and domestic partners of Stationary Engineers who waive medical coverage, are eligible to earn up to $250, paid via the employee’s monthly check.

HOW DO I GET STARTED?
To start earning your wellness points, you will need to log in to www.healthadvocate.com/drexel and create a Profile.

To start earning wellness credits in your paycheck, you must complete your required Personal Health Profile. Please note that you cannot receive funds for completing wellness incentive activities unless you complete the required Personal Health Profile. Upon completing your Personal Health Profile, you are eligible to receive 50 points – so don’t miss out!

All Stationary Engineers can access this program about two weeks after their hire date.

Spouses and domestic partners of employees must complete the Personal Health Profile and follow the same process in order to earn credits in the employee’s paycheck. Spouses and domestic partners will create their own profile under a separate login to get started then will complete the Personal Health Profile to be eligible for receiving wellness credits in the employee’s paycheck.

A HEALTHIER U EMPLOYEE WELLNESS PROGRAM

WHAT OTHER WELLBEING OPPORTUNITIES CAN I ACCESS THROUGH DREXEL?
Drexel University is home to the award-winning employee wellness program “A Healthier U”. A Healthier U focuses on three core areas of wellbeing: physical, financial, and emotional health.

Since its inception in 2010, Drexel has received the following national and local accolades in response to its innovative employee wellness offerings: WELCOA (Wellness Council of America) Well Workplace Platinum Award, the Healthiest Employers of Greater Philadelphia Award, the American Heart Association Workplace Innovation Award, the American Diabetes Association Wellness Lives Here Award, the American Heart Association Fit-Friendly Worksite Award, the Social Wellness Awards Total Package Award, and the Greater Philadelphia Business Coalition on Health’s Benefits Innovation Award.
A HEALTHIER U
EMPLOYEE WELLNESS PROGRAM

Drexel University is home to the award-winning employee wellness program “A Healthier U”. A Healthier U focuses on three core areas of wellbeing: physical, financial, and emotional health.

Since its inception in 2010, Drexel has received the following national and local accolades in response to its innovative employee wellness offerings: WELCOA (Wellness Council of America) Well Workplace Gold Award, the Healthiest Employers of Greater Philadelphia Award, the American Heart Association Workplace Innovation Award, the American Diabetes Association Wellness Lives Here Award, the American Heart Association Fit-Friendly Worksite Award, the Social Wellness Awards Total Package Award, and the Greater Philadelphia Business Coalition on Health’s Benefits Innovation Award.

PHYSICAL HEALTH
From onsite workshops to matching grants for departments that wish to purchase a sit-stand desk to help their employees incorporate more movement into their day, Drexel University offers a wide range of health-related-offerings to encourage our employees to get moving. Join our weekly walking club to find comradery and fitness on your lunch break. Or take advantage of our popular annual “Employee Olympics” event.

EMOTIONAL WELLNESS
From onsite meditation workshops to our employee assistance program, Drexel University offers many programs to help you enhance your emotional wellbeing, emotional intelligence, and your overall mental health. Join the DMG (Drexel Meditation Group) to grow in mindfulness and awareness as a community.

FINANCIAL WELLNESS
Franklin Mint Federal Credit Union (FMFCU) is Drexel University’s “Official Financial Wellness Partner.” FMFCU offers onsite and online workshops, banking discounts and incentives, a branch onsite at Chestnut Square (3200 Chestnut Street), and free financial counseling for all employees.

WORKSHOPS
Our wellness program offers 30-60 wellness onsite/online workshops per year. With topics ranging from Nonviolent Communication to Empowered Posture to Sustainable Spending to Cultivating Self-Compassion, we truly offer something for everyone. Visit the HR Events Calendar for more information. Many of these programs are offered for wellness points as part of our Wellness Incentive Program (see previous page).
CENTRAL PENSION FUND:
Effective April 2023, Drexel contributions will increase from $8.74 to $8.83 per hour to the Central Pension Fund.

403(B) DEFINED CONTRIBUTION RETIREMENT PLAN
Drexel University offers a 403(b) defined contribution retirement plan. The plan supports pre-tax and post-tax savings, employee and University contributions, and immediate vesting at 100%. TIAA is the record keeper for the retirement plan.

For more information, please visit https://drexel.edu/hr/benefits/retirement/403b.

HOW TO ENROLL
New enrollments and contribution changes are made in your TIAA account which can be accessed through the Employee tab in DrexelOne:
• Log in to DrexelOne and select the Employee tab.
• Scroll down to the My Benefits heading on the left-hand side of the screen and select the link for "Retirement Plan management" which will directly connect you to your account on TIAA.org without having to supply additional login credentials.
• Select "Manage Contribution" under the Actions menu and update the percentage for your contributions.

The DrexelOne retirement link will connect you directly to TIAA.org where changes can be made faster and easier.
TUITION REMISSION

Drexel University offers two options for Stationary Engineers to maximize educational opportunities for themselves and/or their eligible children.

TUITION REMISSION

Tuition remission is provided to Stationary Engineers for most University credit and non-credit programs enrolled as part-time students. The Tuition Remission benefit also provides tuition assistance to qualified spouses, domestic partners and dependent children of eligible Stationary Engineers for undergraduate credit and non-credit courses taken at Drexel University.

The waiting period to access these benefits is now shorter. Stationary Engineers are eligible for tuition remission upon completion of 90 days of full-time employment. Following one-year of full-time employment, family members can begin to access remission at 20 percent per year up to five years, when they will be eligible for 100 percent.

Please visit the Tuition Remission page for more information at https://drexel.edu/hr/benefits/tuition/remission.

TUITION EXCHANGE

Tuition Exchange is a reciprocal scholarship exchange program for eligible dependent children of Stationary Engineers. Through this program, Drexel will award up to 20 scholarships to dependents of Stationary Engineers who wish to attend other institutions. Please visit the Tuition Exchange page for more information at drexel.edu/hr/benefits/tuition/exchange.
EMPLOYEE ASSISTANCE PROGRAM

**Employee Assistance Program (EAP) - SupportLinc**

Drexel partners with SupportLinc as its Employee Assistance Program (EAP) provider, who offer best-in-class resources to help you navigate through stressful times. The EAP is designed to help you address the challenges that life, work and relationships can bring. SupportLinc is offered to Stationary Engineers at no cost as part of our employee benefits package. Family and household members are also encouraged to access this benefit at no additional cost, 24/27, in-person or virtually.

In-person and virtual counseling for short-term issues are available for up to six sessions per person, per issue, per year. For a detailed list of services visit Drexel SupportLinc website: [drexel.edu/hr/benefits/other-benefits/employee-assistance-program/](drexel.edu/hr/benefits/other-benefits/employee-assistance-program/).

**How to Access Services:**
Connect with a live SupportLinc representative by calling their 24/7 helpline at 1.888.881.5462. Log in to the SupportLinc website (username “drexel”) under the Web Access section of the homepage.

To download the SupportLinc eConnect® mobile app for EAP and MAP users, scan the QR code to the right or visit the Apple/iTunes or Google Play app store. (The mobile username is “drexel.”) For any questions regarding SupportLinc services, contact the HR Service Center by emailing hr@drexel.edu or at 215.895.2850.

**Family Planning**

**Progyny: Fertility and Adoption Benefits**

New in 2023, Drexel University is excited to offer an adoption benefit through Progyny, in addition to the Progyny fertility benefit.

**Progyny Fertility Benefit**
The Progyny benefit includes comprehensive treatment coverage leveraging the latest technologies and treatments, access to high quality care through a premier network of fertility specialists, and personalized emotional support and guidance for every path to parenthood from dedicated Patient Care Advocates (PCAs).

There is no enrollment required, however, you must be enrolled in a Drexel medical plan to utilize Progyny. Progyny is an enhancement to all of Drexel’s medical plans, so participants have direct access anytime. For more information, visit: [progyny.com](http://progyny.com) or call 844.930.3313.

**New Adoption Benefit**
Effective January 1, 2023, benefit eligible employees will now have access to a $5,000 adoption benefit to help with the costs associated with adoption. The employee does not need to be enrolled in medical benefits to be eligible for the adoption benefit. You must be employed with Drexel at the time when eligible expenses are incurred and upon submission for reimbursement. Information sessions about these new benefits with details on the reimbursement process, reimbursement criteria and eligible/ ineligible reimbursements will be held in January 2023.
Drexel University is happy to offer a competitive personal time package consisting of vacation, sick and holiday time for its Stationary Engineers. Refer to your collective bargaining agreement for more information.

#### PERSONAL HOLIDAY

(All SE regardless of years of service)

48 hours per year
HOME ASSISTANCE PROGRAM

The Home Purchase Assistance Program encourages and supports home ownership within defined borders of the Drexel University City Campus community. The program offers a forgivable loan to Stationary Engineers toward the purchase or renovation of homes within a defined area.

The defined boundary spans the area from 31st Street to 48th Street (east-west) and from Girard Avenue to Chestnut Street (north-south). The Philadelphia neighborhoods of Mantua, Powelton Village and West Powelton are located within this boundary area. Please visit the webpage https://drexel.edu/hr/benefits/other-benefits/home-purchase/ to view a map of where this boundary area is located.

LOAN OPTIONS

Eligible Drexel Stationary Engineers may take advantage of one of the two loans provided by the University:

- **Home Purchase Loan** – $15,000.00 forgivable loan to be used toward the purchase of a home within the program’s defined boundary area. More information is available at https://drexel.edu/hr/benefits/other-benefits/home-purchase/.

- **Home Renovation Loan** – $5,000.00 forgivable loan to be used towards approved renovations (interior and exterior) at a home within the program’s defined boundary area. In addition to the $5,000 forgivable loan for home renovation, Drexel will match employees’ dollar-for-dollar spending up to an additional $2,500. More information is available on the webpage https://drexel.edu/hr/benefits/other-benefits/home-purchase/renovation-loan.

Forgivable Loan $15,000
Home Renovation $5,000
Drexel Match $2,500
Phila Home Buy Grant $4,000
Total Potential $26,500

ELIGIBILITY

Prior to initiating any contracts or commitments, the Stationary Engineer must schedule an appointment with the Home Purchase Program Administrator, Gabby Maddaloni, by emailing her at gm664@drexel.edu.

HUMAN RESOURCES ASSISTANCE

Throughout the home buying process, HR will partner with each Stationary Engineer to provide: Step-by-step guidance throughout home buying process. Please view the Home Purchase Assistance Webpage for more information.

PHILADELPHIA HOME.BUY.NOW

The Philadelphia Home.Buy.Now program allows eligible Stationary Engineers who participate in the Home Purchase Assistance Program to receive an additional matching grant of $4,000 towards the purchase of a home within the Drexel’s defined boundary from 31st Street to 48th Street (east-west) and from Girard Avenue to Chestnut Street (north-south).

The Philadelphia Home.Buy.Now program is funded by the City of Philadelphia’s Division of Housing & Community Development, and administered by the Community and Economic Development (CED) Department of the Urban Affairs Coalition (UAC).

To participate, an employee must meet income requirements set by the City of Philadelphia.

For more information about this program, please refer to the Home.Buy.Now packet: visit the Home.Buy.Now website https://cedphilly.org/philadelphia-home-buy-now, or contact Dainette Mintz, Government Relations Officer, at dmintz@uac.org or 215.851.0110.

LEGAL NOTICES

Protections from Disclosure of Medical Information
We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and Drexel may use aggregate information it collects to design a program based on identified health risks in the workplace, Drexel will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) your Primary Care Physician, Health Advocate health coaches, etc. in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separately from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources.

Health Care Reform
Please note: our medical plans are considered compliant with the Patient Protection and Affordable Care Act. There are no annual limits, dependent children can be covered to age 26, and in-network preventive care is covered at 100%. Due to Health Care Reforms, Women’s Preventive Health Services are now covered in-network at 100%.

As new Health Care Reform requirements become effective, our plans will be modified accordingly. We are fully committed to complying with all regulations and intend to notify you as soon as possible of any change(s).

Patient Protection Model Disclosure
The Independence Blue Cross Keystone POS plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If you do not designate a primary care provider, one will not be designated for you.

Independence Blue Cross will send you a letter, reminding you that you still need to designate a primary care provider.

For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Independence Blue Cross at 215-241-2273 (PA & NJ) or 800-313-8754 (DE).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Independence Blue Cross or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Independence Blue Cross at 215-241-2273 (PA & NJ) or 800-313-8754 (DE).

Notice of Dependent Status Verification / Eligibility Audit
The University reserves the right to request documentation to
LEGAL NOTICES

substantiate that your dependents are eligible to participate in the benefit plans. At any time, a Dependent Eligibility Audit could be conducted, where all or a random sample of employees will be asked to provide verification of their dependent’s status. If you choose to cover a dependent on our benefit plans, please be prepared to provide the necessary documents to prove dependent status and eligibility, if needed.

OPEN ENROLLMENT MATERIALS AS AN SMM

This open enrollment communication addresses information on changes coming for the new year, and as such this communication constitutes a “Summary of Material Modifications” or SMM to the Summary Plan Description (SPD) for the Plan, thereby modifying the information previously presented in the SPD with respect to the Plan. Please keep a copy of this SMM with the SPD previously provided to you.

Notice Regarding Special Enrollment

Loss of other Coverage (excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage (including COBRA coverage) is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the Company stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 31 days or any longer period that applies under the plan after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage). If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment. When the loss of other coverage is COBRA coverage, then the entire COBRA period must be exhausted in order for the individual to have another special enrollment right under the Plan. Generally, exhaustion means that COBRA coverage ends for a reason other than the failure to pay COBRA premiums or for cause (that is, submission of a fraudulent claim). This means that the entire 18-, 29-, or 36-month COBRA period usually must be completed in order to trigger a special enrollment for loss of other coverage. Coverage will be effective the first of the month following your request for enrollment.

Loss of coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program (CHIP). If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment.

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption. If you request a change within the applicable timeframe, coverage will be effective the date of birth, adoption or placement for adoption.

Eligibility for Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program (CHIP) with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance. If you request a change within the applicable timeframe, coverage will be effective the first of the month following your request for enrollment.

To request special enrollment or obtain more information, contact the Drexel University Benefits Center.

Women’s Health and Cancer Rights Act Notice

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prostheses; and
- treatment of physical complications of the mastectomy, including lymphedema.
LEGAL NOTICES

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan.

If you would like more information on WHCRA benefits, please speak with Human Resources.

Notice of Coverage for Newborns and Mothers
Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)
If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2022. Contact your State for more information on eligibility –

A Healthier U is Drexel University’s voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). At Drexel, this is referred to as the Personal Health Profile, or PHP. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

Employees who choose to participate in Drexel’s wellness program will receive an annual incentive of up to $400. In order to receive this incentive, an employee must accumulate 400 points. Points are earned by completing specific activities in the Health Advocate portal (e.g. HRA, biometrics, online workshops, challenges).

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Human Resources.

The information from your HRA will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching through Health Advocate. You also are encouraged to share your results or concerns with your own doctor.
INSURANCE MARKETPLACE NOTICE

PART A: General Information
When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace began in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.12% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as any employee contribution to employer-offered coverage, is often excluded from income for Federal and State income tax purposes.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact the insurance carrier’s customer service number located on your ID card. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. To get information about the Marketplace coverage, you can call the government’s 24/7 Help-Line at 1-800-318-2596 or go to https://www.healthcare.gov/marketplace/individual/.

PART B: Information about Health Coverage Offered by Your Employer
This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.
