As an employee of Drexel University, you are our most valuable asset! We all have different needs that influence the choices we make every day.

Drexel University embraces these differences, providing you with the freedom to select quality benefit options that work best for your personal situation. We encourage you to take the time to carefully review this guide and learn about all of the benefits available to you.

The benefits that you select will be effective through December 31, 2024.
NEW HIRE BENEFITS CHECKLIST

- Review this New Hire Benefits Guide and explore the benefits section of the Drexel Human Resources website at https://drexel.edu/hr/benefits/overview to learn about your benefit options.
- Visit the My Drexel Benefits enrollment site to select your health benefits, including medical, dental vision, disability, life insurance, and more (see page 5 for instructions on how to enroll). You can also expect to receive an email from the Drexel University Benefits Center letting you know that your enrollment window is open.
- Be sure to enroll or waive medical coverage. If no action is taken during your enrollment window, full-time employees will be automatically placed in the Point-of-Service plan (or PPO Basic, if out of area) at the employee only coverage level and premiums will be deducted from your paycheck. Part-time employee’s coverage will be considered waived for the election year.
- Complete your benefit enrollment within 31 days of your date of hire. After your new hire enrollment window closes, most benefits may only be changed during the University’s annual open enrollment period or if you experience a qualifying life event. Visit https://drexel.edu/hr/benefits/health-coverage/life-event for more information.
- Have your spouse, domestic partner or child’s social security number if adding them to your coverage.
- Submit the required dependent verification documents if you are covering a spouse, domestic partner or child (see page 5). The documentation (e.g. birth certificate, adoption agreement, marriage certificate, Drexel’s domestic partner affidavit with supporting documentation) must be provided within your 31-day enrollment window for your dependents to be covered on your benefits.
- Designate a beneficiary for your life insurance on the final page of the enrollment process.
- Review your benefits confirmation statement which appears on the screen after you complete your enrollment and a copy sent to your Drexel email account. Review the statement to confirm that your benefits are showing as expected.
- If you selected life insurance that requires evidence of insurability (EOI), complete the online EOI form within 31 days from your date of hire.
- Visit the retirement enrollment platform and select how much to contribute to your retirement savings account (see page 27). If you do not actively enroll or waive participation within 31 days from your hire date, you will be automatically enrolled with TIAA at a 2 percent per pay contribution rate.
- Make changes anytime during your enrollment window.
- Review your paystub and confirm that your benefit deductions are accurate.
- If you enroll in a Drexel medical plan you can expect to receive a general notice about COBRA continuation coverage. Health plans are required by law to provide you with this informational notice after you enroll. Review this document but rest assured that your coverage has not been disrupted.
- As a reminder, short-term disability is offered on a voluntary basis. The university provides long-term disability coverage at no cost to you.
- Reminder: Please review the Medical Credit Waiver information on page 5.

WHAT IS A QUALIFYING LIFE EVENT?

A Life Event is a change in your family or employment status that may allow you to make certain benefit changes. If you experience a Life Event and wish to add or drop a dependent(s) for coverage purposes, you must do so on or within 31 days after the qualifying event date.

Changes must be consistent with the qualifying life event. Outside of your New Hire Enrollment window, you may only change coverage and/or add or drop dependents at Open Enrollment for the next plan year, unless you experience a qualifying life event. An example of a Life Event could be:

- Marriage or divorce
- Death of a spouse, domestic partner, or dependent child
- Birth or adoption of a child
- Spouse, domestic partner, or dependent child’s loss or gain of benefits coverage elsewhere
- Change of employment status (i.e. moving from full-time to part-time)
- Relocation: Certain address changes may allow for a change to your medical plan

Please visit the Drexel Life Event webpage at drexel.edu/hr/benefits/health-coverage/life-event for additional information and frequently asked questions.
HOW DO FACULTY AND PROFESSIONAL STAFF ENROLL FOR BENEFITS?

Drexel University faculty and professional staff enroll for benefits via the My Drexel Benefits portal by selecting the My Drexel Benefits link on the Employee tab in DrexelOne at one.drexel.edu. Most elections are annual elections and cannot be changed during the year unless you experience a qualifying life event.

My Drexel Benefits is a portal accessed through Drexel One and walks Faculty and Professional Staff through the benefit enrollment process during the new hire period, Open Enrollment, or when a qualifying life event (marriage, newborn, divorce, loss of coverage) occurs.

My Drexel Benefits contains the majority of your benefit enrollment information (excluding Retirement plans), dependent information, life insurance beneficiaries, flexible spending accounts, and commuter enrollment.

VERIFYING DEPENDENTS

If you are adding a spouse, domestic partner or child to your coverage, the University requires that you provide documentation verifying your dependents’ status. Examples of acceptable documentation are: birth certificate, adoption agreement, a marriage certificate, and Drexel’s domestic partner affidavit with supporting documentation. Instructions for completing the dependent verification process are provided within the enrollment system. The required documentation must be submitted within your 31-day enrollment window. Your dependents’ coverage will be pending until verification documents are received and approved by the Dependent Verification team. If you do not submit the appropriate documentation by the close date of the enrollment, your dependents will not be covered on your benefits.

FOR QUESTIONS, CONTACT:

- For assistance with Open Enrollment, contact the Drexel University Benefits Center at 1.844.690.3992 or email help@mybenefitexpress.com.
- For questions about a specific plan, once enrolled, contact the Benefit Provider directly. Please see the contacts list later in the guide on page 35 for more information.

MEDICAL WAIVER CREDIT

Full-time benefits eligible faculty and professional staff who have coverage through a spouse or other source (other than Medicare), may waive their medical benefit to receive a credit. Employees can earn up to $800 in waiver credits yearly.

To receive the medical waiver credit, employees must actively waive participation in either their new hire enrollment window timeframe, when experiencing a qualifying life event, or during the University’s designated annual Open Enrollment period.

Newly hired employees have 31 days from their hire date to make elections. Failing to waive or elect medical coverage will result in automatic enrollment to a Point of Service (or PPO Basic, if out of area) Plan, and deductions will be withheld from your first available pay after your new hire enrollment window closes.

Employees who waive their medical/prescription coverage are required to take action each annual Open Enrollment by actively recertifying the intent to waive coverage. The waiver process is two-steps, so be sure to follow the steps within the enrollment portal and once complete, check your confirmation statement to be sure it reflects your intent to waive. Questions on this process can be directed to the Drexel University Benefits Center.

UNDERSTANDING YOUR MEDICAL AND PRESCRIPTION DRUG PLAN OPTIONS

PERSONAL CHOICE PPO PLANS
BASIC & HIGH OPTIONS

With Personal Choice PPO plans, you can choose to see any doctor or visit any hospital in the Personal Choice network. You will also enjoy in-network coverage anywhere in the United States when you use providers who participate in the BlueCard® PPO network.

You’ll pay less when you choose doctors and hospitals in the Personal Choice network, and more if you choose to see doctors and hospitals out-of-network. You don’t need to get referrals, so you can see any specialist you want without needing permission from a primary care physician (PCP), or family doctor. Due to the flexibility that these plans offer, as well as the limited out-of-pocket expenses that you will incur at the time of service, the premiums are higher in comparison to the Point-of-Service Plan and CDHP.

Drexel offers two Personal Choice Options, the Basic and High Plan. The plans have similar features; however, the High Plan option has more extensive tier 2 in-network benefits and a higher cost per pay period.

CONSUMER DIRECTED HEALTH PLAN

Our Consumer Directed Health Plan (CDHP) is a high-quality, low-cost medical plan, with a higher deductible than the Point-of-Service and Personal Choice (PPO) plans. Members enrolled in this plan must have their deductible met first, before co-insurance/copays apply for medical and prescription drug services. However, this plan does not require referrals and provides access to the same network as the PPO options. Further, Drexel University will contribute $500 dollars to your HSA if enrolled in individual coverage and $1,000 if covering at least one dependent. For more information on the HSA, see page 12.

Due to regulatory requirements, J-1 scholars are not eligible to enroll in the Consumer Directed Health Plan or the Health Savings Account.
KEYSTONE/AMERIHEALTH
POINT-OF-SERVICE

The Point-of-Service plan (POS) allows you to pay less if you use doctors, hospitals, and other health care providers that belong to the plan’s network. You maximize your coverage by having care provided or referred by your primary care physician (PCP). Members may go to an out-of-network provider, however, higher out-of-pocket costs apply.

The most important aspect to know is Point-of-Service plans are zip code driven and only available to certain counties in or around the Greater Philadelphia area.

The following states/counties would be eligible for the Keystone POS plan:

DE: New Castle
MD: Cecil
NJ: Burlington, Camden, Gloucester, Hunter, Mercer, Salem, Warren
PA: Berks, Bucks, Chester, Delaware, Lancaster, Lehigh, Montgomery, Northampton, Philadelphia

The following states/counties would be eligible for the AmeriHealth POS plan:

DE: Kent, Sussex
MD: Caroline, Harford, Kent, Wicomico, Worcester
NJ: Atlantic, Bergen, Cape May, Cumberland, Essex, Hudson, Middlesex, Monmouth, Morris, Ocean, Passaic, Somerset, Sussex, Union

For those that travel extensively, live outside of the area, or cover dependents in other areas of the country, the Keystone and AmeriHealth service area has limited out of network availability. Note that the POS premiums are offered at a significant discount compared to the PPO Basic and High plans.

**When you enroll in POS you will be required to provide a PCP ID (provider ID number) which will be identified as your primary care physician.**

**When referrals are needed to visit with Specialists, you will need the name, location, and NPI# of the Specialist so your Primary Care Physician (PCP) can provide a referral.**

For more information on the medical plans please visit: [drexel.edu/hr/benefits/health-coverage](http://drexel.edu/hr/benefits/health-coverage).
Drexel University has partnered with Independence Blue Cross (IBC) for many years to offer excellent Health benefits to our employees.

In an effort to enhance the benefits package even further, Drexel University has partnered with the facilities and providers of Penn Medicine and Tower Health. If you or a dependent family member is enrolled in one of the Drexel University Health Plans and you receive services at a participating facility or provider within the Penn Medicine or Tower Health network, your medical out-of-pocket cost will be lower compared to out-of-pocket costs for other providers in the Independence network.

**TIER 1:** Facilities and providers of Penn Medicine and Tower Health that are credentialed with Independence Blue Cross (IBC).

**TIER 2:** IBC network excluding the facilities and providers of Penn Medicine and Tower Health.

**TIER 3:** All other providers that are not in the IBC network. If you utilize Tier 3 providers, you will have the highest out-of-pocket cost.

* Tier 2 - this is also referred to as the In-Network Tier
* Tier 3 - this is also referred to as the Out-of-Network Tier

**HOW TO FIND A NETWORK PROVIDER**

IBC has built a custom provider for Drexel Faculty and Professional Staff to locate their Tier 1 and Tier 2 Providers.

To access the provider finder, visit [ibx.com](http://ibx.com)

1. Find a Doctor (top right hand corner).
2. Click Learn More under Doctors, hospitals, medical equipment, and specialty services...
3. Drexel’s affiliated networks are:
   A. Drexel Preferred POS (for those enrolled in the Point-of-Service plan).
   B. Drexel Preferred PPO (for those enrolled in the Basic, High and CDHP).
   C. National BlueCard PPO for those enrolled in PPO or CDHP plans who reside or are traveling outside of the Greater Philadelphia area).
Drexel’s medical and prescription drug plans are administered through Independence Blue Cross in collaboration with OptumRx. You will receive safe, affordable access to covered medications with the convenience of having one ID card and one website to access both medical and prescription drug information.

Members will receive an ID Card for Medical and Prescription Drug in the mail.

- Only one ID card will be needed.
- **You must present your new card when ordering or picking up your medication.**

Mail order/home delivery with free shipping is available for medication you take regularly. In most plans, you’ll pay less for a 90-day supply when you use mail order/home delivery. You can also get a 90-day supply of your maintenance medications at retail pharmacies for the same cost-sharing as mail order. Register on ibx.com where you can find the mail order form, along with all your RX plan information, by clicking the **Pharmacy** link, under **My Benefits**.

**Mail Order Convenience**

**Specialty Drug Support**

Our specialty pharmacy program provides convenient delivery options and support for members with complex conditions, including cancer, hemophilia, hepatitis C, HIV/AIDS, rheumatoid arthritis, multiple sclerosis, and other inflammatory conditions. You’ll get counseling from experienced pharmacists and nurses by phone or video chat and access to videos and other resources.

**Easy to Use Digital Tools**

The IBX website and mobile app make it simple for members to quickly and securely find everything related to your medical and prescription drug benefits in one place. Members can log in at ibx.com to view medical and pharmacy claims, compare drug prices and get lower cost alternatives, submit mail order, or refill requests and find in-network doctors and pharmacies near them. The IBX mobile app offers the same capabilities. Simply download the IBX app on your mobile device.

**See What’s Covered**

Your drug formulary is a list of drugs covered by your prescription drug plan. To see if your prescribed drug is on your formulary and how much you will pay out-of-pocket for it, log onto ibx.com or call the Pharmacy benefits number on the back of your member ID card.
An HSA is a tax-advantaged medical savings account owned by the faculty or professional staff member and designed to be used in conjunction with a federally qualified high deductible health insurance plan, like our Consumer Directed Health Plan. Money contributed to the account is not subject to federal tax at the time of deposit (pre-tax dollars). Additionally, you can make changes to your HSA contribution on a month-to-month basis. Unlike amounts in flexible spending accounts that are forfeited if not used by the end of the year, unused HSA funds remain available for use in later years, are portable, and can grow tax-free through investment earnings, just like an IRA. Please note, when an employee terminates from the University, the HSA account is subject to bank fees.

For 2024, the HSA contribution maximums, are $4,150 for individual coverage and $8,300 for family coverage. The annual catch-up contribution for age 55 and older is $1,000.

The University contributes up to $500 to each HSA account with individual coverage or $1,000 for those covering at least one dependent based on the effective date of your enrollment. If enrollment occurs outside of Open Enrollment, the University contributions made to the HSA will be prorated based on the table below.

* Employee funding will be credited in your HSA account after your first medical premium deduction.
Flexible Spending Accounts (FSA) allow you to set aside money, on a pre-tax basis, for eligible out-of-pocket medical, dental, vision, and dependent care expenses. You can use the FSA to pay for deductibles, copays, coinsurance, and other eligible expenses not covered by the medical, dental or vision plans.

**HEALTH CARE FSA**

Your Health Care FSA funds can be used to pay for out-of-pocket healthcare expenses incurred by you and your dependents. The maximum you can contribute to the Healthcare FSA is $3,200. For more information about eligible FSA expenses, visit [FSAstore.com](http://FSAstore.com).

**LIMITED PURPOSE FSA**

Employees who elect the CDHP with HSA cannot participate in the Health Care FSA; however you can choose to participate in the Limited Purpose FSA which can only be used for eligible vision and dental expenses. Unlike a healthcare FSA, an LPFSA can be held at the same time as an HSA. Please note, once the deductible is met on your CDHP plan, the Limited Purpose FSA will convert to a Healthcare FSA.

**DEPENDENT CARE FSA**

The Dependent Care FSA is used for expenses related to the care of eligible dependents to allow you to work or actively seek employment. Eligible expenses include Au Pair, preschool or after school programs, and adult/eldercare for adult dependents.

The maximum that you can contribute to the 2024 Dependent Care FSA is $5,000 if you are a single employee or married filing jointly. If you are a married employee filing separately the 2024 maximum you can contribute is $2,500.

**USE IT OR LOSE IT**

If you do not use the money you contributed toward your Healthcare FSA and LPFSA by the end of the plan year, you will only be able to carry over a maximum $640. Please note, you cannot carry over remaining Dependent Care FSA dollars to the next plan year.
COMMUTER BENEFITS

SEPTA KEY ADVANTAGE

As a university dedicated to our faculty, professional staff and this city, Drexel partners with SEPTA in offering employees all access SEPTA monthly passes through the SEPTA Key Advantage Program. Through offering this benefit, we are excited at the opportunity to leverage transit to help reduce our carbon footprint as a university, and to help each of you do the same in your own lives.

Under this program, full-time and part-time benefits-eligible employees can obtain an all-access SEPTA pass at a discounted rate of $20 per month through pre-tax payroll deductions. The SEPTA Key Advantage Program works like the Key Card Anywhere TrailPass, which is valid for travel on all SEPTA services. These services include Regional Rail to Center City Philadelphia, as well as all buses, subways, trolleys, and the Norristown High Speed Line. Visit the SEPTA Key Advantage Program page drexel.edu/hr/benefits/other-benefits/septa-key-advantage for more information about the program, or visit DrexelOne to enroll.

PRE-TAX COMMUTER ACCOUNT

The Commuter Program offers employees the ability to set aside pre-tax dollars in a Parking or Transit account. Employees can use these funds for qualified expenses related to commuting to and from work. Changes to your monthly contribution must be made by the 1st of the month prior to the month in which the contribution applies. The last payroll deduction of the month pertains to the pass for that current month. You’ll receive a debit card that can be used to pay for transit and parking garages, including the Drexel Garage. If you have a Drexel Parking Permit, with payroll deductions, you will not want to enroll in the Parking Account here as well.

To inquire about signing up for a permit to park at a Drexel managed lot or the garage, please visit Drexel’s Parking Facilities webpage drexel.edu/business-services/parking/overview for additional information. Note that while the Commuter Program is managed on a month to month basis and does not carry a use-it-or lose-it provision, money in this account will be lost if unused funds are in the account and you leave the University; funds cannot be refunded. Be sure that you are managing the funds in this account and adjusting your contributions as needed to ensure that there is no balance where possible.

To enroll or make changes for commuter benefits you can log into “My Drexel Benefits,” and click on the “change” button under “Commuter Benefits”.

TALK TO A DOCTOR 24/7 WITH TELADOC

Whether it’s the weekend or you’re traveling out of town, with Teladoc, medical plan participants have access to medical care via phone or video consultation — anytime, anywhere.

WHAT IS TELADOC?

Teladoc provides whole-person virtual care. With Teladoc, Drexel employees get 24/7 access to low-cost, high-quality virtual health care for common health concerns like cough, sore throat, fever, rashes, allergies, asthma, ear infections, pink eye, nausea, and more.

Teladoc includes:

• Access to one of the largest virtual care networks in the country, with board-certified doctors who are available by phone, web, or the Teladoc mobile app.

• Interpreters who know your language, including American Sign Language (ASL).

• Prescription requests sent to your pharmacy of choice.

• A caregiving option, which allows a babysitter to schedule a visit on your behalf if your child gets sick while in their care.

Using Teladoc is a convenient option when it’s not possible to visit your doctor’s office. Services are completely confidential. It is quality care when you need it most.

Telebehavioral health and Teledermatology is available through Teladoc!

TELEBEHAVIORAL HEALTH

Talk to a behavioral health care professional for conditions such as anxiety, depression, and panic disorders.

TELEDERMATOLOGY

Talk to a board-certified dermatologist and receive a diagnosis, treatment, and prescription (as needed) for conditions such as acne, rosacea, or psoriasis.

HOW MUCH DOES IT COST?

Teladoc is available at no cost to members enrolled in the Point-of-Service and Personal Choice PPO plans. CDHP with HSA plan members pay only a $60 copay per consultation (once participant has satisfied the deductible the copay will apply).

To contact Teladoc, call 1.800.835.2362, visit www.teladochealth.com, or download the Teladoc mobile app.
DENTAL PLAN OPTIONS

Drexel is pleased to offer its employees three dental plan options through Cigna. The Base and Preferred PPO plans utilize a personalized electronic ID card. Register for your account at www.mycigna.com. Please review the below descriptions of each plan to find which plan is suitable for you and your family. For plan highlights and summaries, please visit: https://drexel.edu/hr/benefits/health-coverage/

BASE PLAN
Those enrolled in the Dental Base Plan will have a calendar year maximum of $1,000 per year. The plan pays 100% of preventive and diagnostic services and 50% of basic and major services after the deductible is met and using in-network providers.

PREFERRED PLAN
Those enrolled in the Dental Preferred Plan will have a calendar year maximum of $2,000 per year. The plan pays 100% of preventive and diagnostic services and 90% of basic and 60% of major services after the deductible is met and using in-network providers. The Preferred Plan includes Orthodontia coverage of up to 50% for all eligible children and adults up to a Lifetime Maximum of $1,000.

DHMO PLAN
A DHMO is different than a PPO in that you would select a General Dentist for routine, preventive, diagnostic, and emergency care, and a referral to specialists as needed. This will be the most cost effective plan and is a great choice for members who typically incur less than $500 in claims per year. If your Dentist is in the Cigna DHMO, this may be an opportunity to save. Please visit the My Drexel Benefits Portal to view the Cigna DHMO plan summary for more information about this plan.

CIGNA WELLNESS PLUS PROGRAM
This is an industry leading program that encourages members to get their annual oral wellness exam! Each year that you receive your Dental Wellness exam, your Plan Maximum will increase by $100 the following year. Your Calendar Year Maximum can increase by $300 if you receive your Wellness exam for three years in a row. Research continues to show the strong link between oral health and overall health and this benefits a further incentive to see your Dentist every year. This program is only available for faculty and professional staff enrolled in the Base or Preferred Dental Plans.

SHORT-TERM & LONG-TERM DISABILITY BENEFITS

SHORT-TERM DISABILITY

Drexel University provides employees the option to purchase Short-Term Disability (STD) insurance through Lincoln Financial Group. STD coverage protects a portion of your income in the event you are incapable of working due to a qualified illness or injury. This plan is available to Drexel University full- and part-time benefits-eligible employees on a voluntary basis. You must elect this coverage as a new hire, or during open enrollment. There is no life event that will allow you to enroll in this coverage mid-year.

As a new hire, short-term disability may be a great option if you have to take an approved disability and do not have enough accrued and unused paid time off to replace your income while on leave. For more information about compensation during leave, contact LOA@drexel.edu.

LONG-TERM DISABILITY

Long-Term Disability benefits are offered through Lincoln Financial Group, and offers protection of your income should you remain disabled at the end of your short-term disability or a period of 90 days. All full-time benefits-eligible employees are automatically covered under this plan – Drexel University pays 100% of the LTD premium.

You are eligible to make pretax and/or Roth contributions to the Plan if you are an employee of the University, unless you are a student, leased employee or independent contractor.

Eligibility for University Contributions

The criteria for if and when you receive University contributions depends on your employment classification, as described below. Ineligible to participate in the plan

**CONTRIBUTIONS**

**Employee Salary Deferral Limit**

The maximum employee salary deferral limit is established by the IRS each year. In 2024, you can contribute pre-tax or post-tax contributions up to $23,000. If you are age 50 or older you may contribute up to an additional $7,500 in “catch-up” contributions for a total of $30,500.

**University Contributions**

If you meet the eligibility requirements for University contributions, Drexel will match your contributions, dollar for dollar, up to 6 percent. In addition, provided you contribute at least 1 percent, Drexel will contribute an additional 3 percent if you are under age 50 or 5 percent if you are age 50 or over.
AUTOMATIC ENROLLMENT FOR NEW HIRES

You have 31 days from your date of hire to enroll or actively waive participating in the Plan. If you take no action within 31 days, you will be automatically enrolled at 2% of your salary. Automatic enrollment applies to all employees eligible to participate in the plan except for certain collectively bargained employees.

If you become automatically enrolled in the Plan, you may elect to stop future contributions at any time.

BENEFICIARY DESIGNATION

Be sure to designate a beneficiary for your retirement account when you first enroll. Beneficiary designations are made directly through your online TIAA account and can be updated at any time. Please review the Summary Plan Description for instructions on designating a beneficiary at https://Drexel.edu/hr/benefits/resources/compliance/.

457(b) DEFERRED COMPENSATION PLAN

The 457(b) Deferred Compensation Plan is offered to employees whose salary exceeds $150,000 during a calendar year. The 457(b) Plan offers you flexibility to save more for your future. Contributions to this plan are in addition to any contributions you may already be making in the 403(b) Defined Contribution Retirement Plan. In 2024, you can contribute up to $23,000. Additional “catch-up” contributions may be made in the three years before you turn age 65.

Unlike the 403(b) Plan, which is a qualified plan, the 457(b) Plan is a nonqualified deferred compensation arrangement. This means that the assets that are held pursuant to the 457(b) Plan will be subject to the claims of all unsecured creditors of the University if the University becomes bankrupt or insolvent. Please visit the 457(b) Retirement Savings page for more information.

HOW TO ENROLL

To enroll or make changes:

• Log in to DrexelOne and select the Employee tab.
• Scroll down to the My Benefits heading on the left-hand side of the screen and select the link for “Retirement Plan Management” which will directly connect you to your account on TIAA.org without having to supply additional login credentials.
• Select Manage Contributions under the Actions menu and follow the prompts.

For the 457(b) plan, new enrollments and contribution changes will be effective as of the first payroll period of the following month.
TUITION REMISSION & TUITION EXCHANGE

Drexel University offers two options for faculty and professional staff to maximize educational opportunities for themselves and/or their eligible children.

TUITION REMISSION

Tuition remission is provided to full-time Drexel University and Academy of Natural Sciences (ANS) employees for most University credit and non-credit programs enrolled as part-time students. The Tuition Remission benefit also provides tuition assistance to qualified spouses, domestic partners, and dependent children of eligible full-time faculty and professional staff for undergraduate credit and non-credit courses taken at Drexel University.

The waiting period to access these benefits is now shorter. Professional staff and faculty are eligible for tuition remission upon completion of 90 days of full-time employment. Following one-year of full-time employment, family members can begin to access remission at 20 percent per year up to five years, when they will be eligible for 100 percent.

Please visit the Tuition Remission page for more information at drexel.edu/hr/benefits/tuition/remission.

TUITION EXCHANGE

Tuition Exchange is a reciprocal scholarship exchange program for eligible dependent children of faculty and professional staff of Drexel and ANS. Through this program, Drexel will award up to 20 scholarships to dependents of full-time employees who wish to attend other institutions.

Please visit the Tuition Exchange page for more information at drexel.edu/hr/benefits/tuition/exchange.

Although the wellness program and Drexel may use aggregate information it collects to design a program based on identified health risks in the workplace, Drexel will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is (are) your Primary Care Physician, Health Advocate health coaches, etc. in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separately from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human Resources.

Health Care Reform

Please note: our medical plans are considered compliant with the Patient Protection and Affordable Care Act. There are no annual limits, dependent children can be covered to age 26, and in-network preventive care is covered at 100%. Due to Health Care Reform modifications, Women’s Preventive Health Services are now covered in-network at 100%.

As new Health Care Reform requirements become effective, our plans will be modified accordingly. We are fully committed to complying with all regulations and intend to notify you as soon as possible of any change(s).

Patient Protection Model Disclosure

The Independence Blue Cross Keystone POS plan generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. If you do not designate a primary care provider, one will not be designated for you. Independence Blue Cross will send you a letter, reminding you that you still need to designate a primary care provider.

For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Independence Blue Cross at 215-241-2273 (PA & NJ) or 800-313-8754 (DE).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from Independence Blue Cross or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Independence Blue Cross at 215-241-2273 (PA & NJ) or 800-313-8754 (DE).

Notice of Coverage for Newborns and Mothers

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility –

NOTICE REGARDING WELLNESS PROGRAM

A Healthier U is Drexel University’s voluntary wellness program available to all employees. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will be asked to complete a voluntary health risk assessment or “HRA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). At Drexel, this is referred to as the Personal Health Profile, or PHP. You are not required to complete the HRA or to participate in the blood test or other medical examinations.

Employees who choose to participate in Drexel’s wellness program will receive an annual incentive of up to $400. In order to receive this incentive, an employee must accumulate 400 points. Points are earned by completing specific activities in the Health Advocate portal (e.g. HRA, biometrics, online workshops, challenges).

If you are unable to participate in any of the health-related activities or achieve any of the health outcomes required to earn an incentive, you may be entitled to a reasonable accommodation or an alternative standard. You may request a reasonable accommodation or an alternative standard by contacting Human Resources.

The information from your HRA will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching through Health Advocate. You also are encouraged to share your results or concerns with your own doctor.
PART A: General Information
When key parts of the health care law took effect in 2014, there was a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?
The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers “one-stop shopping” to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace began in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?
You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn’t meet certain standards. The savings on your premium that you’re eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?
Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer’s health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 8.39% of your household income for the year, or if the coverage your employer provides does not meet the “minimum value” standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution, as well as your employee contribution to employer-offered coverage, is often excluded from income for Federal and State income tax purposes.

How Can I Get More Information?
For more information about your coverage offered by your employer, please check your summary plan description or contact the insurance carrier’s customer service number located on your ID card. The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area. To get information about the Marketplace coverage, you can call the government’s 24/7 Help-Line at 1-800-318-2596 or go to www.healthcare.gov/marketplace/individual/.

PART B: Information about Health Coverage Offered by Your Employer
This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

1 An employer-sponsored health plan meets the “minimum value standard” if the plan’s share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.
