Medical, Prescription, Dental & Vision

Full-time employees have access to the following Drexel University's medical plans: Consumer Directed Health Plan (CDHP), Keystone Point of Service, AmeriHealth Point of Service, Personal Choice Basic PPO or Personal Choice High PPO. Drexel offers two Point of Service (POS) options to those who live in the Greater Philadelphia Area, depending on where you live. Drexel prescription plan, offered through OptumRx, is included with any of the medical plans. However, those enrolled in CDHP must meet their plans deductible before the copayments apply. Drexel offers three dental plans: CIGNA Base, Preferred and DHMO. Drexel has one vision plan through Davis Vision.

Retirement Savings Plans

403(B)

The 403(b) Defined Contribution Retirement Plan is offered to full-time employees, supports pre-tax and post-tax savings, loan options and employees are fully vested upon hire. The University will match your contribution dollar for dollar, up to 6 percent. Drexel will also contribute an additional 3 percent or 5 percent depending on your age. You must enroll or actively waive participation within 31 days of your date of hire. If no action is taken, Drexel will automatically enroll you into a Lifecycle fund at 2% per pay contribution rate. You must contribute at least 1% to receive the University contribution.

If you do become automatically enrolled, you may elect to stop future contributions at any time. Any elections to participate, to not participate, or to change your contribution rate can be made through your TIAA retirement account, accessible through DrexelOne.

457(B)

The 457(b) Deferred Compensation Plan is offered to employees whose salary exceeds \$150,000 during a calendar year. Contributions to this plan are in addition to any contributions you may already be making in the 403(b) Defined Contribution Retirement Plan. Unlike the 403(b) Plan, which is a qualified plan, the 457(b) Plan is a nonqualified deferred compensation arrangement.

Life & Accident Insurance

- **Basic Life and Accidental Death & Dismemberment (AD&D) Insurance:** As a University-paid benefit, Basic Life and AD&D provides coverage amounts equal to twice your annual salary (max. benefit: \$500,000). Note that you do not have to elect coverage for yourself as an employee in order to elect spouse and/or dependent child coverage. You may elect one, two, three or four times your annual salary in coverage up to a maximum benefit of \$2,500,000. Spousal coverage of up to \$150,000 and dependent child coverage of \$5,000 or \$10,000 is also available.
