

# Coverage for over-the-counter (OTC) at-home COVID-19 test kits

**February 7, 2022**

Under a new federal mandate, your plan covers OTC at-home COVID-19 tests. Find out which tests are covered, where you can purchase tests at a \$0 copay, or how your plan will reimburse you.

**Note:** This new coverage reimbursement policy doesn't apply to members who have Medicare, Medicare Supplement, or Medicaid.

## Who is eligible?

Members whose pharmacy plan covers at-home COVID-19 tests authorized by the Food and Drug Administration (FDA) will be eligible to get up to 8 tests per covered member, every month.

If your plan covers at-home COVID-19 tests under medical, the instructions below do not apply.

## What tests are covered?

At-home COVID-19 test kits authorized by the FDA are covered. The most common tests<sup>1</sup> are BinaxNOW™, Flowflex™, i-Health®, IntelliSwab™, On/Go™, COVID-19 At-Home Test Kit (Roche) and QuickVue®. Look for an FDA Emergency Use Authorization label on the package.

## How many tests can I purchase each month?

You can get up to 8 FDA-authorized at-home COVID-19 tests per covered member per month.
