Faculty headcount

As of November 1 snapshot, as per IPEDS Fall Staff reporting rules. Headcounts follow AAUP logic for counting actively teaching faculty. This logic **includes** faculty on paid sabattical, and **excludes** faculty hired to replace those on paid sabattical leave. The counts also excludes faculty on unpaid leave, as well as librarians, athletic coaches and administrators with nominal faculty status whose primary role is not course instruction. The AAUP rules also exclude part-time faculty, for this report part-time faculty are tabulated according to the common data set (CDS) reporting logic.
