By signing and returning this form to the Office of Admissions, you agree to adhere to the requirements of the scholarship. Please review your award letter and this form carefully.

Law Coursework Status:

I understand the scholarship award covers only Law coursework. Any undergraduate or graduate courses I take while a law student will not be covered by the scholarship.

Full-time Status:

I understand, as a scholarship recipient, that I must remain in full-time status (enrolling in a minimum of nine credits) each semester I am in receipt of the award.

Because the Rising Advocate Scholarship is an achievement scholarship, I understand my eligibility requires that I maintain good academic standing for the time I am enrolled at Drexel University Thomas R. Kline School of Law.

Assistantships:

I understand that if I receive a teaching, research or law assistantship, my scholarship award may be superseded by the assistantship.

Deferrals:

University policy allows law applicants to request deferral of their admission for up to one year. I understand that the scholarship may not be deferred for one year; however, my file will be reviewed for scholarship following the deferral.

Scholarship Amount:

I understand that my scholarship will not increase with possible tuition increases during my tenure as a student.

International Students:

I understand that in order to receive an I-20 or IAP-66 from Drexel University, I must demonstrate my ability to pay the remaining anticipated annual tuition/fees/living expenses as listed in the attached letter.

If not already provided to the Office of Law Admissions, I am enclosing an official bank letter to enable the processing of my I-20/IAP-66

I have read and understand the terms above. I comprehend that there are no exceptions to the rules.
