

Box Inventory of the Papers of Audrey Mertz, M.D., M.P.H.
2330 Tierra Drive
Los Osos, CA 93402

A bankers box of material was received in good condition 5.28.92. The material was refoldered in acid-free folders, the photographs were resleeved, and metal paperclips were generally replaced with plastic clips. Whenever possible, the original folder titles were retained for descriptive purposes, and span dates were added when helpful. Many folders contain both incoming and outgoing correspondence. Dr. Mertz placed paper slips indicating a reference to her in many of the publications. These slips were left as is until processing occurs. Dr. Mertz's own box list is in folder 1.
