Additional Comments: These prints and accompanying negatives were found in a file cabinet containing items from the office of a previous director of the Archives. They were never accessioned and no finding aids were created. **THESE IMAGES DO NOT BELONG TO THE ARCHIVES.** The owner lent his originals to the Archives so that copy prints could be made for research purposes only. The originals were then returned to him. These images cannot be reproduced for any purpose. If a researcher wishes to reproduce one of these images they must obtain permission from the owner.
