Artist or Maker:

Material: negative film

Dimensions: 4" x 5" (all)

Condition: excellent

Additional Comments: These negatives were located in an administrative file along with
photocopies of eight of the nine images (.9 does not have a photocopy). Information on the

photocopies indicates that they were donated in 1996 for an American Medical Women's Association conference in Boston. There is no further information other than that the subject is Dr. Chinn. This is not the same Dr. Chinn who graduated from MCP in 1953.
