Development Office

Object: one record carton sized box of photographic images: negatives, prints in different sizes, slides, contact sheets; some are color and some are black and white; these are all unidentified images taken for a variety of development office purposes; they include images of Hahnemann alums, as well as MCP alums; there are also building images; there are approximately one to two thousand unidentified images in this box.

Date: c. 1990

Notes: This box was sent unsolicited to the Archives in September, 1998. Archives staff were told that there was "no one left" in the development office [due to AHERF's bankruptcy status] who could identify these images.
