Object: one record carton of research and administrative materials related to the creation of the exhibition and book *Send Us A Lady Physician* (see attached inventory)

Date: 1978-1986

Artist or Maker: Ruth Abram

Material: paper

Dimensions: 8 ½" x 11"

Condition: good

Additional Comments: These materials complete an earlier donation by Abram of similar materials (MS2, Accession #252). In the early to mid-1980s Ms. Abram formed a company called Paraphrase, Inc. to create the exhibition and book *Send Us A Lady Physician*, which is largely based on materials in the Archives and Special Collections. The exhibition toured the country in the mid 1980s and was finally purchased by MCP and kept in storage until the spring of 1998. At that time it was removed from storage and installed in order to determine if it was currently usable. The exhibition was dismantled, loaned objects returned to their owners, and all but some text and photograph panels were discarded.
