Object: 1 book; *Mind and Matter: An Appraisal of their Significance for Neurlogic Theory*, by Hartwig Kuhlenbeck, M.D., Ph.D., 1961

Date: 1961

Notes: Dr. Kuhlenbeck was on the faculty of MCP for many years. He left most of his papers and books to a colleague, Doris Bartuska, who in turn, donated them to the Archives and Special Collections. It is likely that this book is among those materials, (Acc. 323) which are largely stored at Pierce Leahy, but there is no way of knowing for sure. (This is an enormous collection that does not have an inventory.) This copy of *Mind and Matter* was sent anonymously to the Archives via inter-office envelope.
