*You're Invited to the
"BEST OF AASLD 2016"*

TARGET AUDIENCE

This symposium is designed to provide gastroenterologists, primary care physicians, NPs, PAs, and nurses who are involved in the management of liver patients, with the most recent information currently available, especially covering in depth the 2016 Annual Meeting of the American Association for the Study of Liver Diseases: The Liver Meeting, held November 11-15, 2016, in Boston.

LEARNING OBJECTIVES

After attending this program, the participant will be able to:

- Discuss the most recent Hepatitis B and C treatment recommendations.
- Identify treatments and management of cirrhosis complications.
- Recognize new information on management of primary biliary cholangitis and other autoimmune liver diseases.
- Describe updated information about alcoholic and non-alcoholic liver disease.
- Identify indications for liver transplantation and liver assist support patients.

1:00 pm	Adjournment – Buffet Lunch

ACCREDITATION STATEMENT: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Drexel University College of Medicine and Hahnemann University Hospital. The Drexel University College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT: The Drexel University College of Medicine designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOA: This program is eligible for 4.75 credits in Category 2A of the American Osteopathic Association.

ACKNOWLEDGEMENTS: All financial support (educational grants and exhibits) for this program will be acknowledged prior to the beginning of the activity.

FACULTY DISCLOSURE STATEMENT: It is the policy of Drexel University College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing medical education activities are required to disclose to the audience, any relevant commercial interest, (which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of the disclosure is to allow participants to form their own judgements about the educational content of this activity and determine whether the speaker's commercial interests influenced the presentation. In addition, speakers are required to openly disclose any off-label, experimental, or investigational use of drugs or devices discussed in their presentation.
