

It was the best of times; it was the worst of times: A tale of two concurrent leadership opportunities

Melissa Haendel, PhD, FACMI

Mentors: D Ellison & JM Guise (OHSU); Collaborators: C Chute (JHU) & K Gersing (NIH)

Outcome:
N3C is the largest HIPAA limited dataset & largest collaboration on sensitive data in US history

Outcome:
CRIO office launched: focuses on data governance, infrastructure & analytics, learning healthcare, precision medicine, & diversity

Mentors: J Reilly, & T Flaig, CU-AMC; Collaborators: C Greene, S Davis, L Hunter, T Bennett

Leadership Realizations:

- I could translate national leadership and organizational strategy locally
- Data interoperability and access issues are the same
- Governance and partnership is everything
- Every institution is different organizationally, legally, & culturally
